RIDER RPE
CEPS EXPERIENCE MODIFICATION FACTOR
(CEPS EMF)

Service supplied to Dominion Energy North Carolina retail customers is subject to the Clean Energy and Energy Efficiency Portfolio Standard ("CEPS") monthly charge. This Rider is not applicable to agreements for the Company's Outdoor Lighting Rate Schedule 26, Traffic Control Rate Schedule 30T, companion rates such as Schedule 1W, Schedule 1DF or Schedule 7, or auxiliary accounts. An auxiliary account is defined as a non-demand metered service at the same premise, with the same service address, and the same customer account name as an account for which a CEPS charge has been applied.

Rate Class	Dollars per Customer Charge Monthly Bill
Residential Customer	-$0.26
Commercial Customer	-$1.49
Industrial Customer	-$9.79

[1] The Company can identify an account that qualifies as auxiliary service, not subject to this Rider, through the Company's own research, or notification from the Customer. The Company will verify that such agreement is considered an auxiliary service, after which the Rider charge will not be applied to the auxiliary service account. The customer shall also be responsible for notifying the Company of any change in service that would no longer qualify the service as auxiliary.
