

Gary G. Ratliff
Vice President, Controller and Chief Accounting Officer

Gary G. Ratliff is vice president, controller and chief accounting officer.

He oversees the accounting function for all of Dominion Energy's operating companies.

Ratliff joined Dominion Energy in 2008 as a lead accountant. He was promoted to accounting specialist in 2009 and then to manager–Commodity Trading Financial Support in 2011, where he managed accounting for the company's unregulated gas and electric businesses. Ratliff assumed the role of director–Accounting in September 2015. In February 2024, he was promoted to controller in the Research, Reporting and Controls group. In early 2025, he was named vice president–Accounting and was responsible for leading the company's technical accounting and research, SEC and benefits reporting, SOX accounting controls and treasury accounting. He assumed his current role in October 2025.

Prior to joining Dominion Energy, Ratliff was an audit manager at a public accounting firm and was manager, Internal Audit and manager, Financial Reporting, at a publicly-traded insurance broker in Richmond.

He obtained his bachelor's degree in commerce, with a concentration in accounting, from the University of Virginia's McIntire School of Commerce. He is also a Certified Public Accountant.
