

**Keith Windle**  
**Senior Vice President–Project Construction**

Keith Windle is senior vice president–Project Construction at Dominion Energy.

He oversees construction activities for natural gas-fired, solar, and energy storage generation facilities and the company’s renewable natural gas portfolio.

Windle started with the company as an intern in 2001. Over the course of a decade, he held numerous financial leadership roles across Dominion Energy Virginia’s transmission, distribution, and generation businesses as well as the company’s previously owned interstate pipeline businesses. In 2015, he was named general manager–Dominion Carolina Gas Transmission (South Carolina). He was named vice president– Generation Business Development & Merchant Operations in 2017. In 2019, he became vice president–Financial Management, Dominion Energy Virginia and Contracted Assets, and was named senior vice president–Administrative Services in 2022, where he oversaw corporate safety and health, information technology, cyber and physical security, supply chain management, facilities and aviation. He assumed his current position in January 2026.

He currently serves as vice chair for The First Tee of Greater Richmond, and is a past member of the board of directors for Junior Achievement of Greater South Carolina, the Palmetto Agribusiness Council, Feed More, and Lewis Ginter. Windle serves as chair on the board of directors for the Dominion Energy Credit Union, Dominion Energy Employee Engagement Council, and Power For Tomorrow. He also serves as vice rector of Christopher Newport University’s Board of Visitors and chairs its Athletics Committee. Previously, Windle served as a co-chair of the operations committee of the Dominion Energy Charity Classic.

Windle received his bachelor’s degree in accounting from Christopher Newport University and has completed the INPO Nuclear Reactor Technology Course at the Massachusetts Institute of Technology.
