MORE

You are invited to learn more about this work during our upcoming community meeting. The project team will be available to answer any questions you may have during our in-person meeting on November 5, 2025, at 705 Waterloo Rd, Warrenton, VA 20186.

Working safely and courteously in your community is a top priority. Thank you for your patience throughout the planning of this important grid transformation project in your area.

This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.

Protecting the grid against natural and man-made acts is a top priority. You can learn more about our commitment to safety at powerlines101.dominionenergy.com.
