

How to Join the Carson – Midlothian 500 kV Electric Transmission Line Rebuild Project Virtual Community Meeting

Three options are available to join our virtual community meeting scheduled for **Tuesday, May 19, 2026 at 5:30 p.m.** Please select only one option to help prevent audio issues.

To attend the meeting, the link will be accessible on the project webpage in the Community Engagement section at DominionEnergy.com/Carson-NorthAnna.

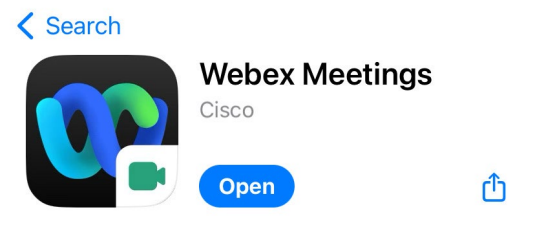

1. Using a desktop or laptop computer:

- Clicking on the virtual community meeting link will automatically launch in your preferred web browser. (We recommend using Chrome, Firefox or Edge).
WebEx Join link:
<https://dominionenergy.webex.com/dominionenergy/j.php?MTID=m5e8101ba33a27df75be12c8f315c9138>
- **Select 'Join from your browser.'**
- Enter the password if it does not do so automatically. **Dominion**
- **The registration page will ask for your name and email address. Enter this information to join the meeting.** Your privacy is important to us and the information entered will only be used to provide you with project information. If you attempt to join the meeting too early, you will see an alert that says, "Try again when it's closer to the scheduled start time."
- **Attendees will not be seen on video and will not be allowed to unmute.** However, you may be asked to give permission for Webex to use your computer microphone.

2. By mobile device, such as iPhone or iPad:

- **Webex requires you to download their app first** to enter the virtual community meeting. This is to ensure privacy and security during the event.
- If you are trying to join a Webex Event for the first time, it will prompt you to download the app first. **The meeting will then launch from the app.**
- If you have already downloaded the app, open it to join the meeting and enter the event number. **2340 479 2565**
- If the app asks for an event password, enter **Dominion.**

3. By phone:

- For those without Internet access, or who do not want to join via the web or mobile app, **you can still listen to the meeting by dialing toll-free 1-855-282-6330.**
- You will need to enter the event number – **234 047 92565** – to access the meeting.

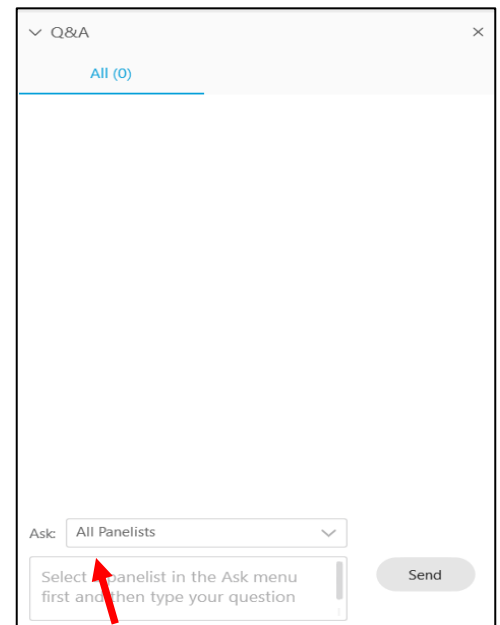

How do I ask a question during the meeting?

Web/Mobile App: Send a message through the Q&A feature to our moderator, who will have the appropriate subject matter expert respond to your question(s). Your question(s) will only be visible to you and our Dominion Energy project team.

Dial-In: Participants who dial-in by phone do not have the ability to ask questions during the virtual lunch and learn. Please contact us at 888-291-0190 to speak with a project team member.

Accessibility: If you need special accommodations, please call 888-291-0190 or email powerline@dominionenergy.com and a member of our team will assist you.

Your privacy and protection are our top priority. Webex has been tested and selected as the best platform to keep Dominion Energy and your information secure.

Type and send a question here and a subject matter expert will respond.

More questions?

Don't worry – our team will spend a few minutes at the beginning of the meeting reviewing Webex to make sure you have the best virtual experience possible.
