# Local Power Line Project Information

## Idylwood-Tyson's 230 kV Underground Electric Transmission Project

Use your iPhone camera or the QR reader app on other smartphones to visit the project page on our website.

AT DOMINION ENERGY, we are committed to staying connected with our customers and providing the latest information on work being done in the communities we serve.

You are receiving this postcard because you are invited to attend one of two community meetings for the Idylwood-Tyson's 230 kV Underground Electric Transmission Project. Join us in-person or virtually to hear the latest project information, timeline and ask any questions you may have. You can also learn about our new underground construction method, Direct Pipe®. This new method will replace horizontal directional drilling (HDD) for Phase H of the project after drilling operations were temporarily halted.

Details for both the in-person and virtual meeting can be found on our website, [DominionEnergy.com/tysons](http://DominionEnergy.com/tysons). Your attendance is an important part of our commitment to engage the community in our project development.

In the wake of ongoing public health concerns from the spread of the coronavirus, we will follow mask guidelines during the in-person meeting and maintain proper social distancing.

Thank you for your patience as we work to maintain reliable electricity in your neighborhood.

**CONTACT US** — Visit our website at [DominionEnergy.com/tysons](http://DominionEnergy.com/tysons) for project updates. Or contact us by calling 888-291-0190 or sending an email to [powerline@dominionenergy.com](mailto:powerline@dominionenergy.com).

## COMMUNITY MEETINGS

Choose a date that's most convenient for you.

### IN-PERSON COMMUNITY MEETING

**Thursday, Aug. 26, 2021, 6 – 8 p.m.**

*Presentation begins at 6 p.m. The project team will be available until 8 p.m. to answer your questions*

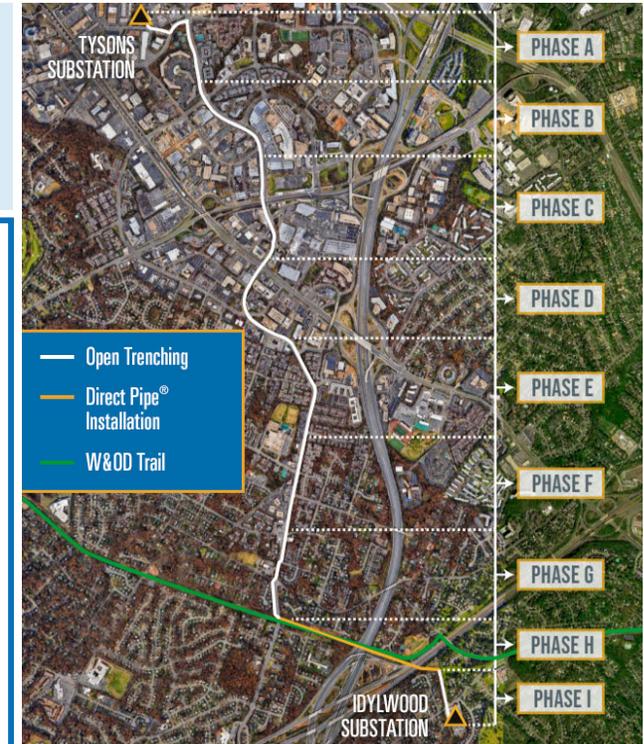

Grace Presbyterian Church  
2381 Cedar Lane, Vienna, VA 22180

### VIRTUAL COMMUNITY MEETING

**Friday, Aug. 27, 2021, 12 – 1 p.m.**

Join the meeting by visiting our website,  
[DominionEnergy.com/tysons](http://DominionEnergy.com/tysons)

*A recording will be available on the project website after the meeting.*

*This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.*
