Meadowville 230 kV Electric Transmission Project

At Dominion Energy, we are committed to keeping the communities we serve informed of projects in their area. We recently announced the need for new electric transmission infrastructure in your area. We invite you to learn more about the proposed Meadowville 230 kV Electric Transmission Project at our upcoming community meetings.

Our subject matter experts will be available to answer your questions. Both meetings will be hosted in an open-house style. There will be no formal presentation.

UNABLE TO ATTEND? NO PROBLEM.

Here are other ways to engage with our team.

- Meeting content will be available to view at your convenience on our project website
- Contact us by email or phone to discuss the project
- Contact us and request a meeting with a smaller group in your community
