

Constraints Index

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Study Area

Dominion Facilities

- ▲ Existing Substation
- △ Future Substation
- △ Proposed Substation

Existing Dominion Transmission Line

Project Components

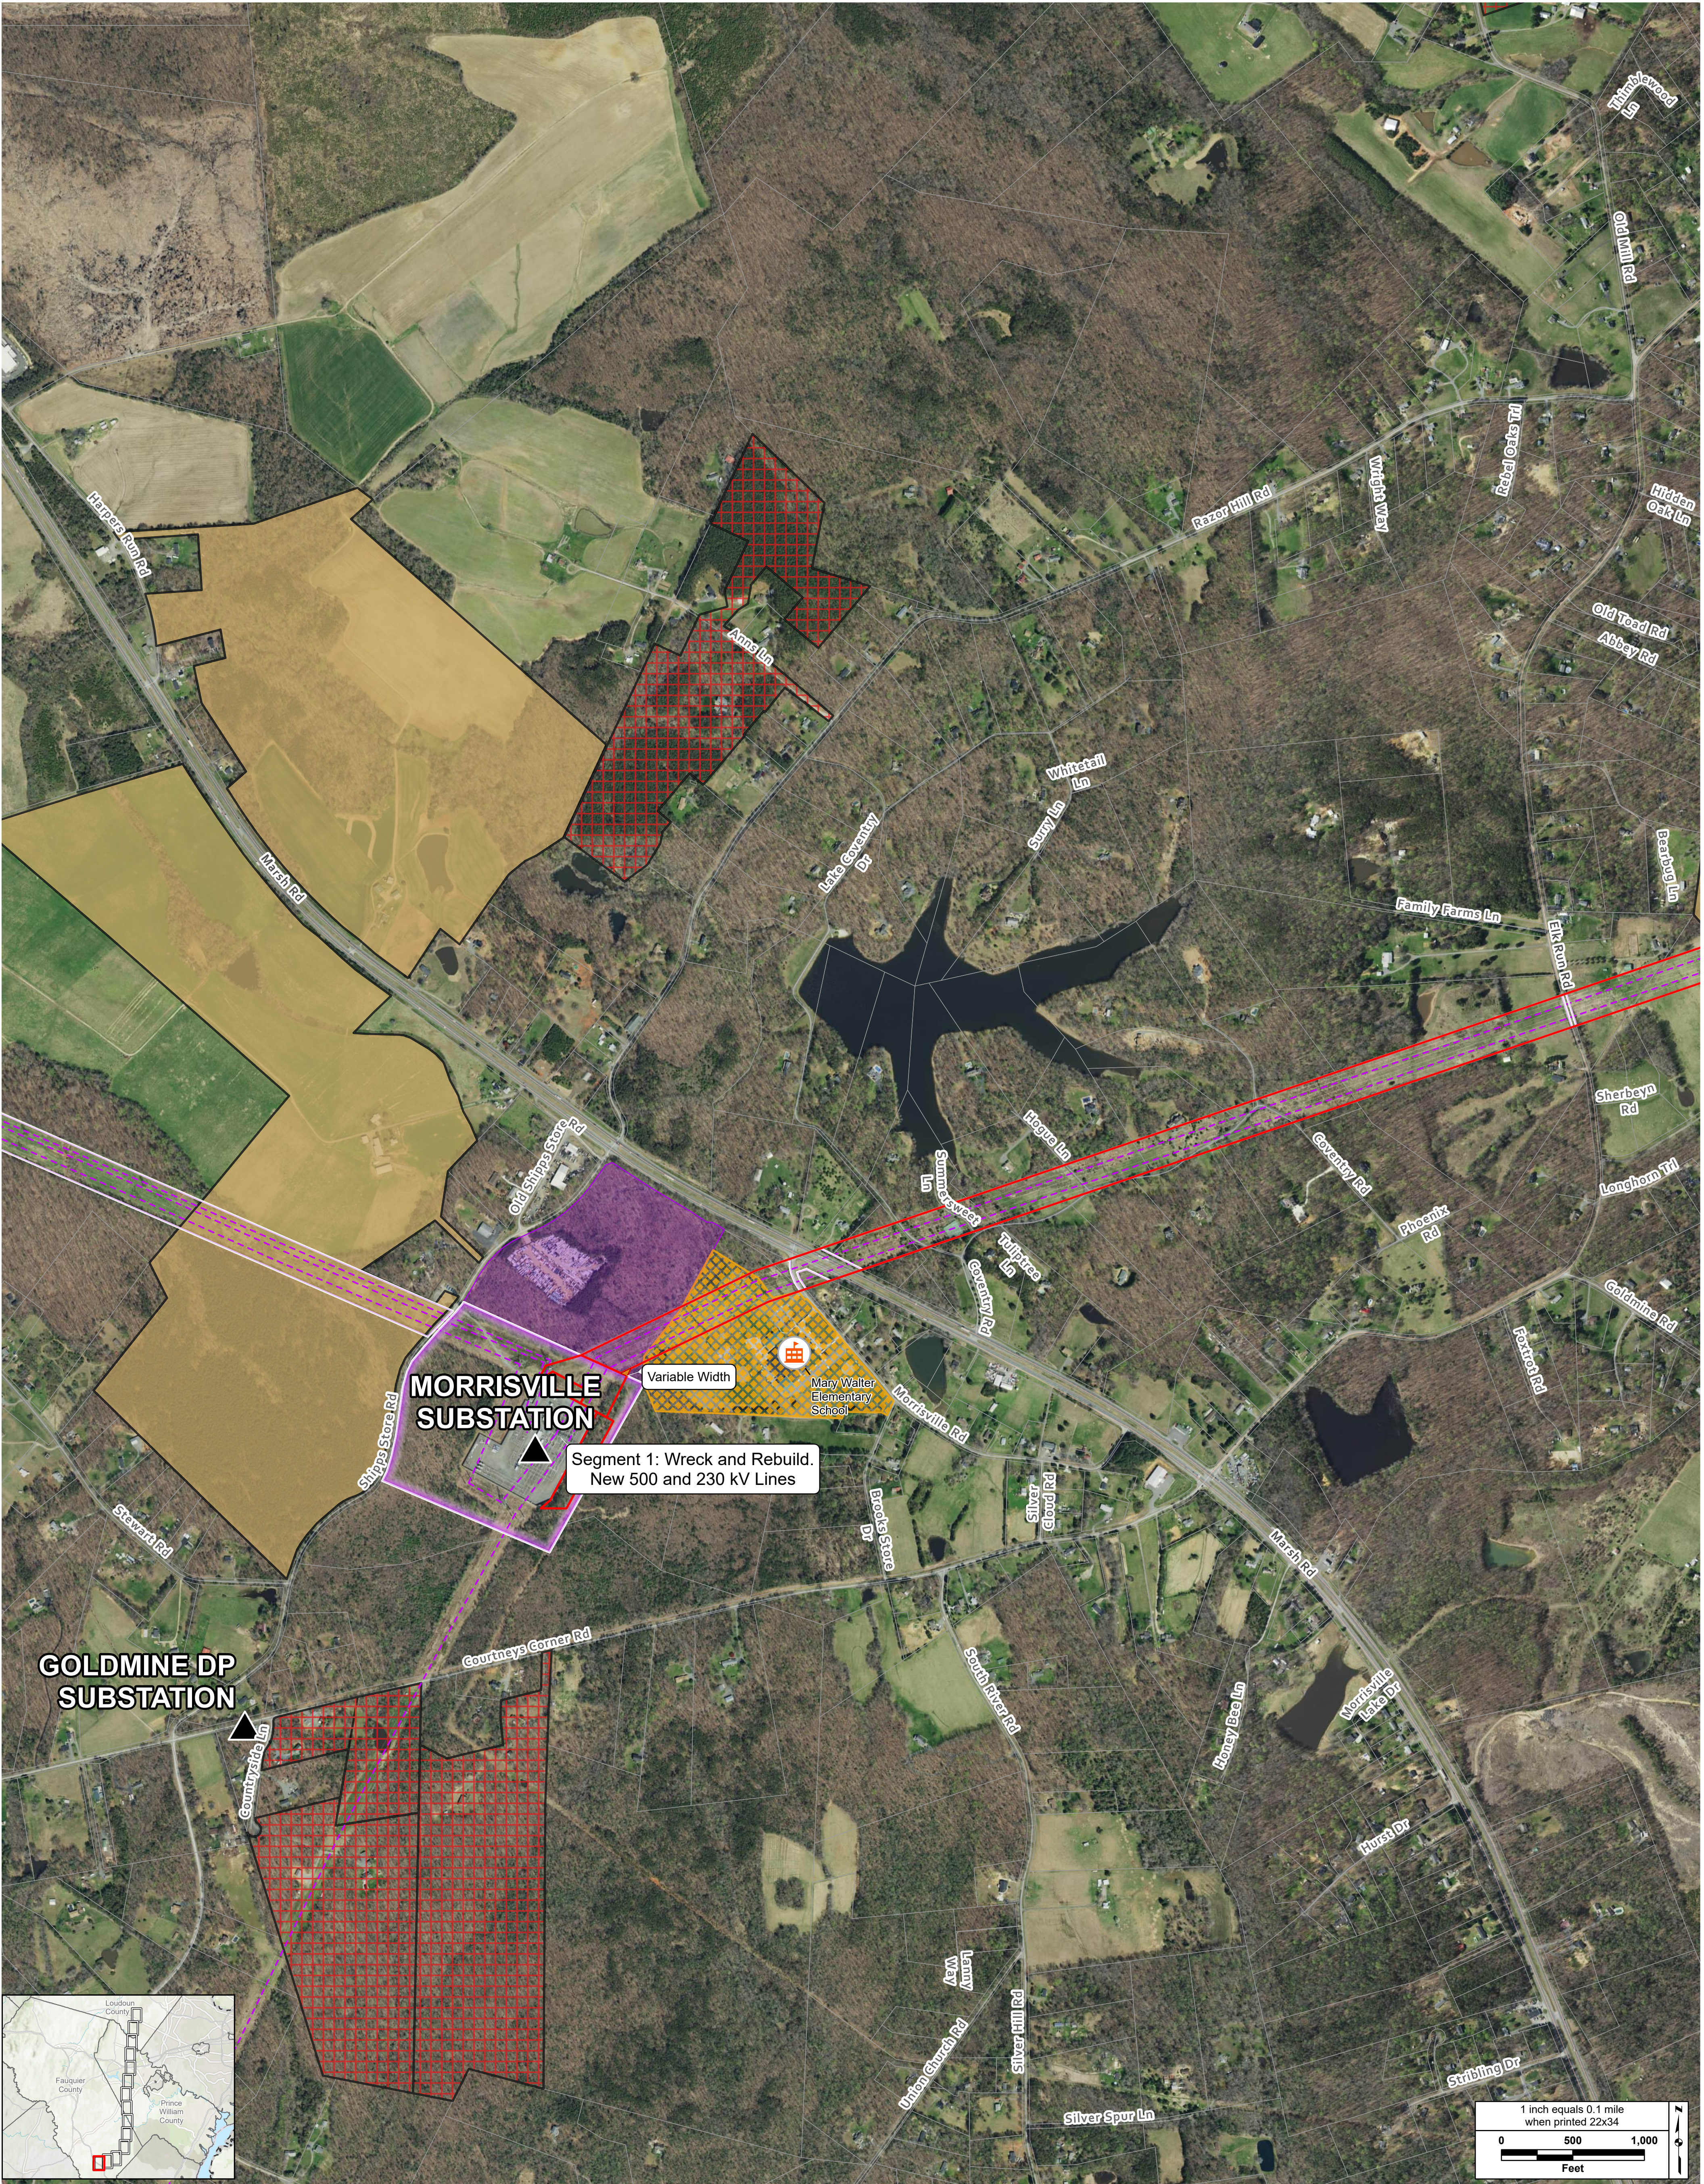

- Segment 1 Route
- Segment 2A Route
- Segment 2B Route
- Segment 3 Route
- Segment 4 Route

Alternate Routes

- Gainesville Route 1
- Gainesville Route 2
- Gainesville Route 3
- Pageland Route 1
- Pageland Route 2

Constraints: Page 1

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Dominion Owned Parcel

Project Components

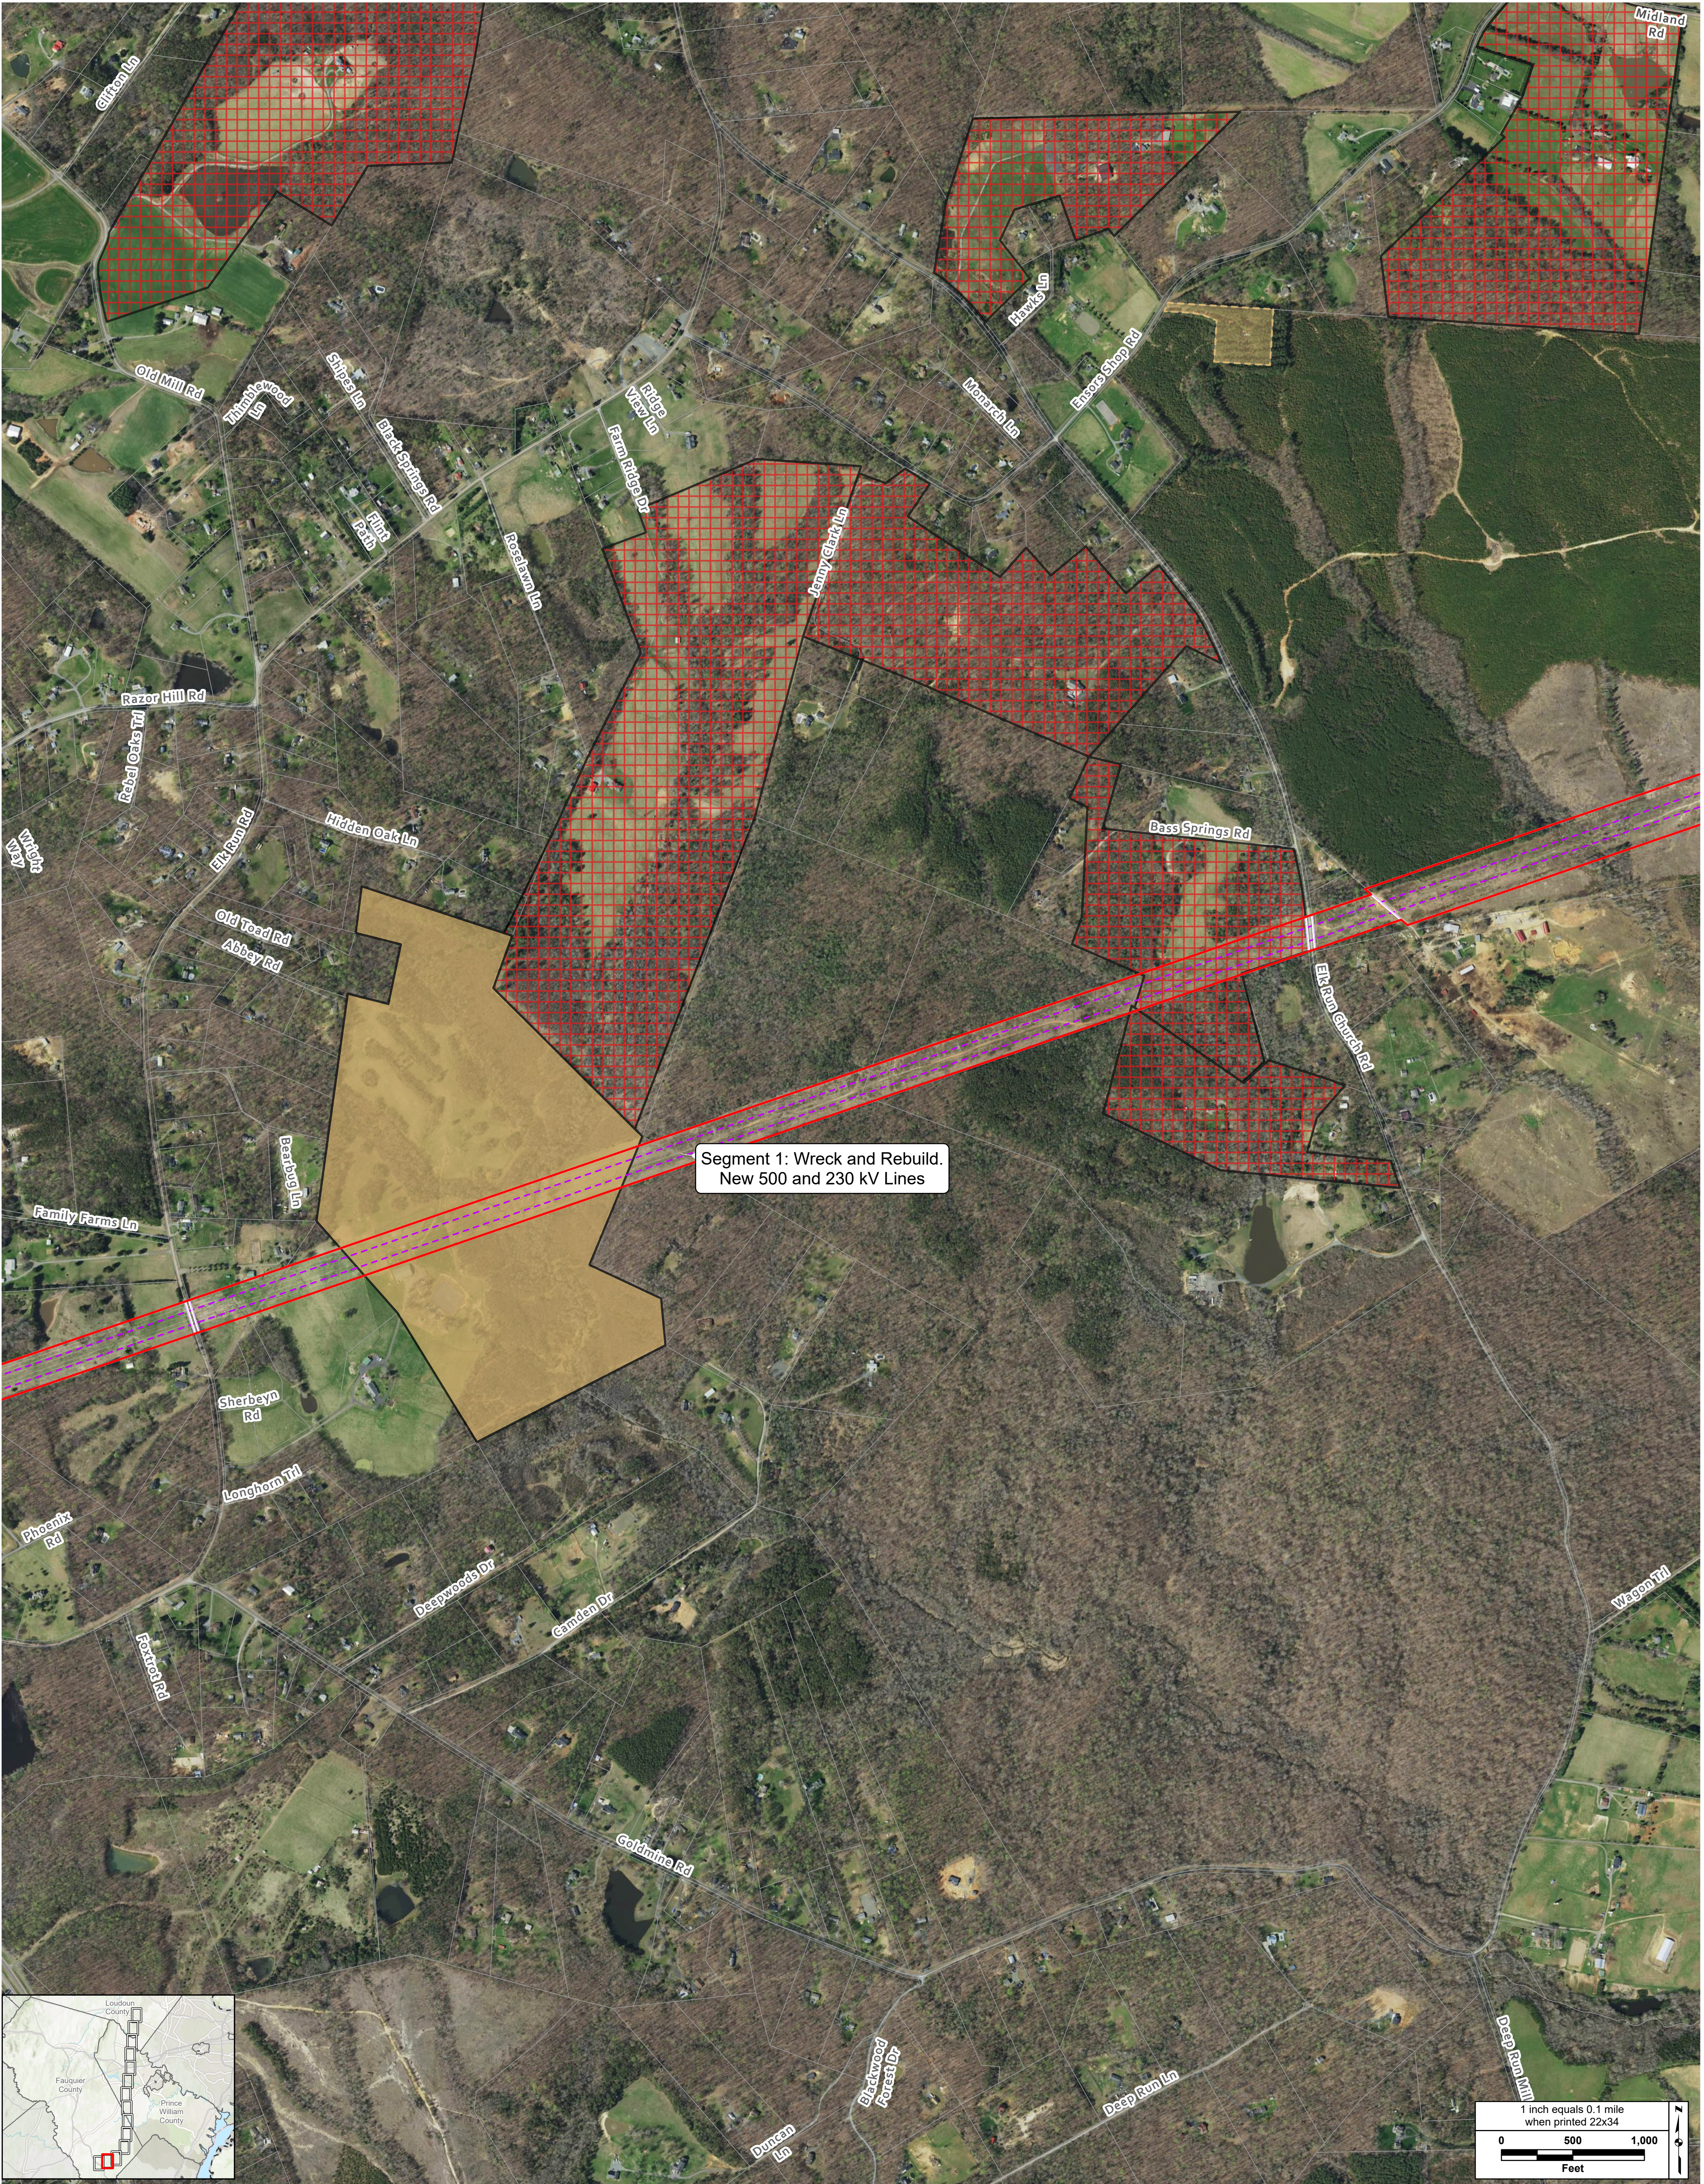

- Project Right-of-Way (Existing)
- Expansion Right-of-Way
- Variable Width

Constraints

- School
- Industrial/Manufacturing Planned Development
- Fauquier Open Space Easement
- Fauquier PDR Easement
- School Board Owned Land
- Parcel Boundary

Constraints: Page 2

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way

Project Components

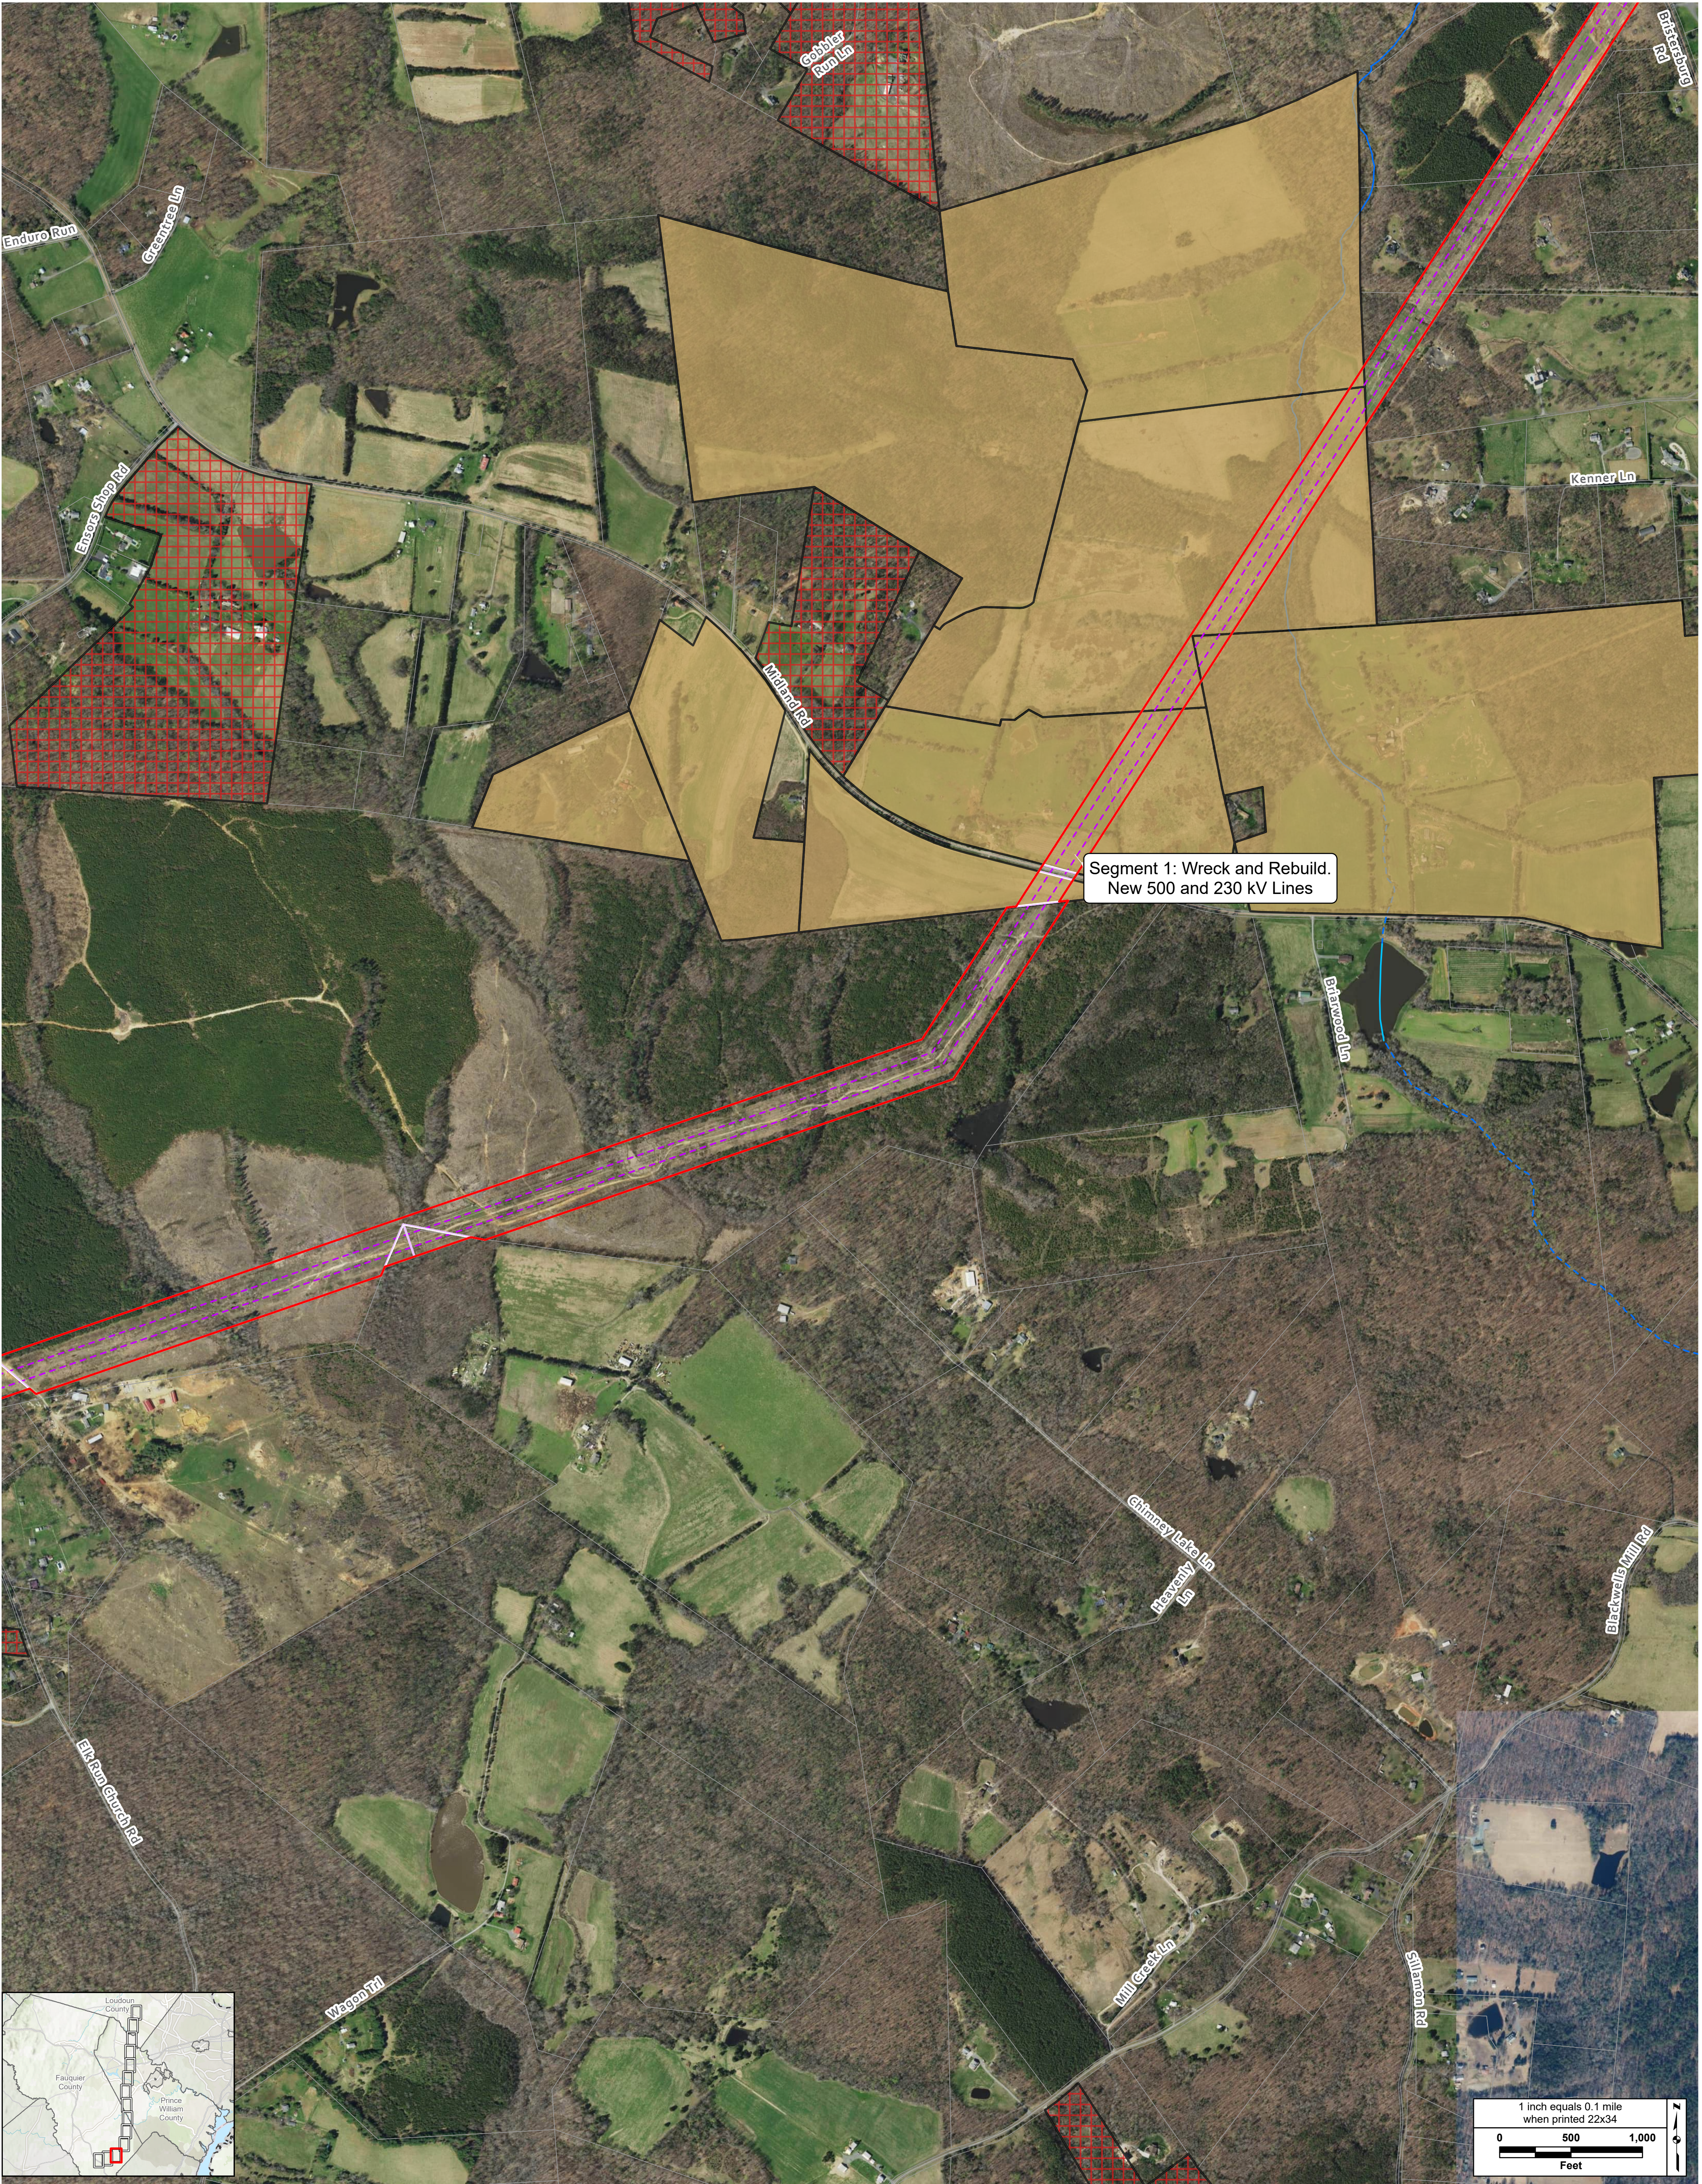

- Project Right-of-Way (Existing)

Constraints

- Fauquier Open Space Easement
- Fauquier PDR Easement
- County Owned Land
- Parcel Boundary

Constraints: Page 3

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way

Project Components

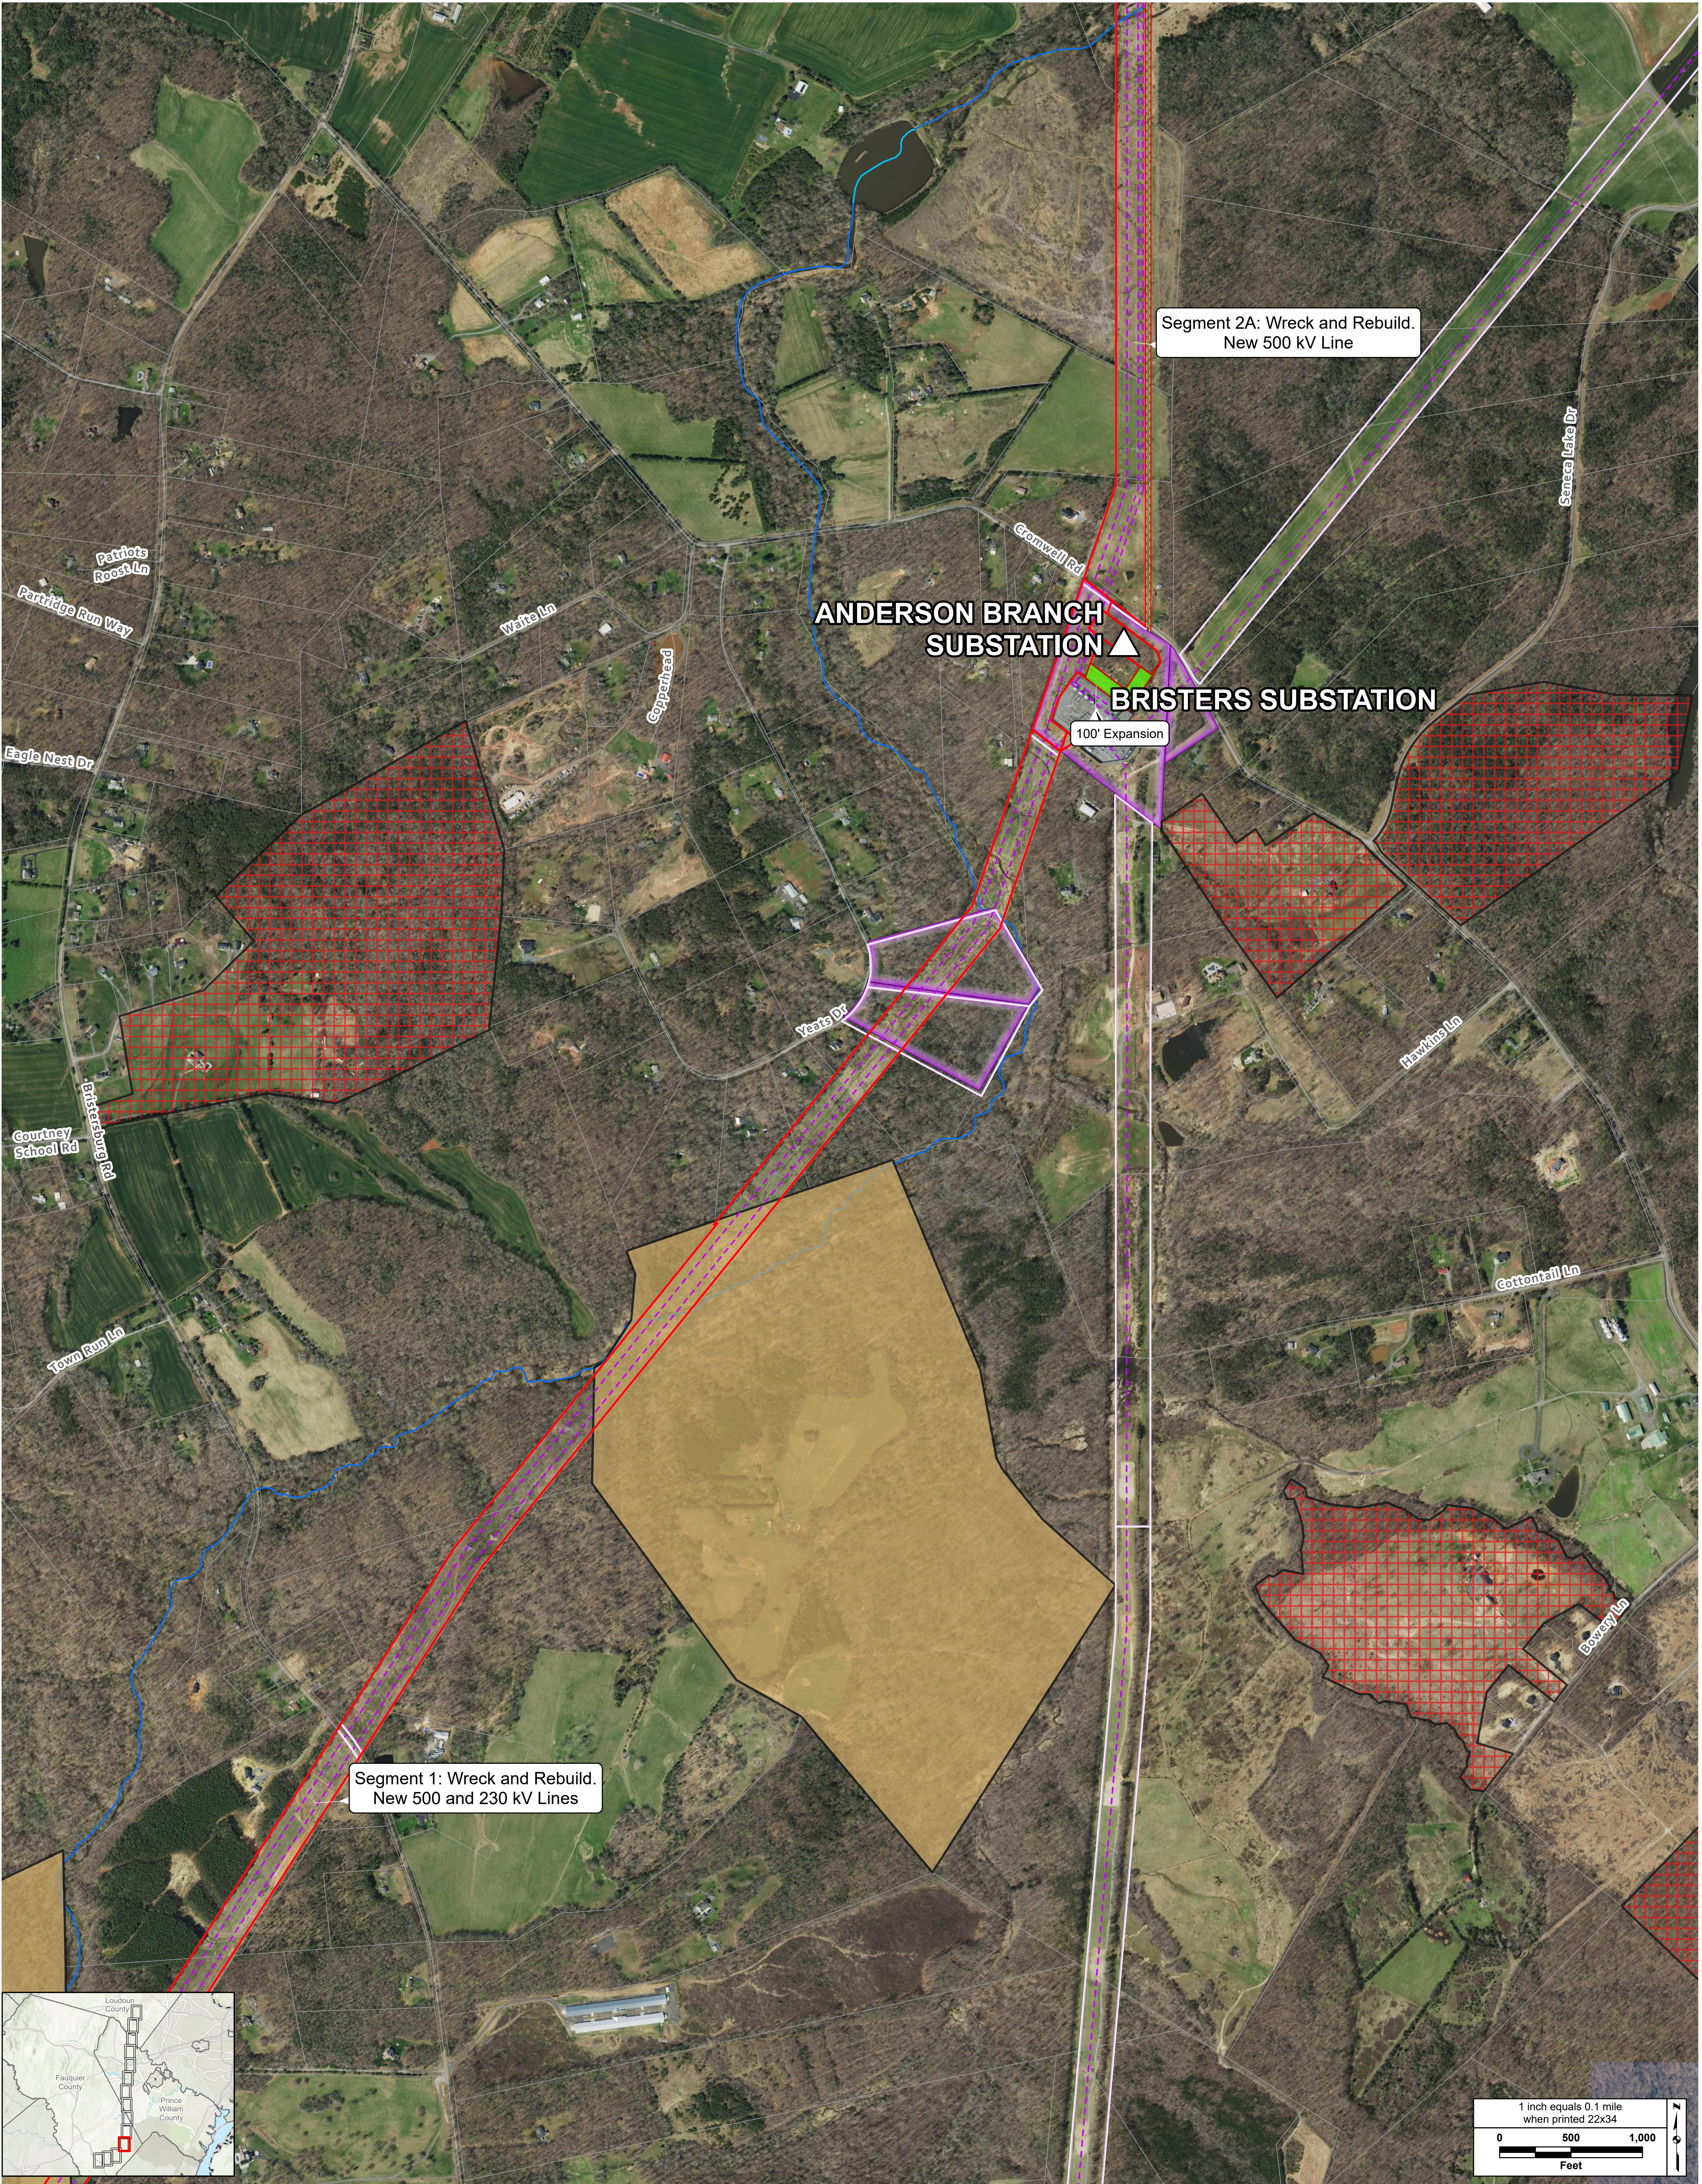

- Project Right-of-Way (Existing)

Constraints

- Stream/River: Perennial
- Stream/River: Intermittent
- Lake/Pond: Perennial
- Fauquier Open Space Easement
- Fauquier PDR Easement
- Parcel Boundary

Constraints: Page 4

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Substation
- Proposed Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

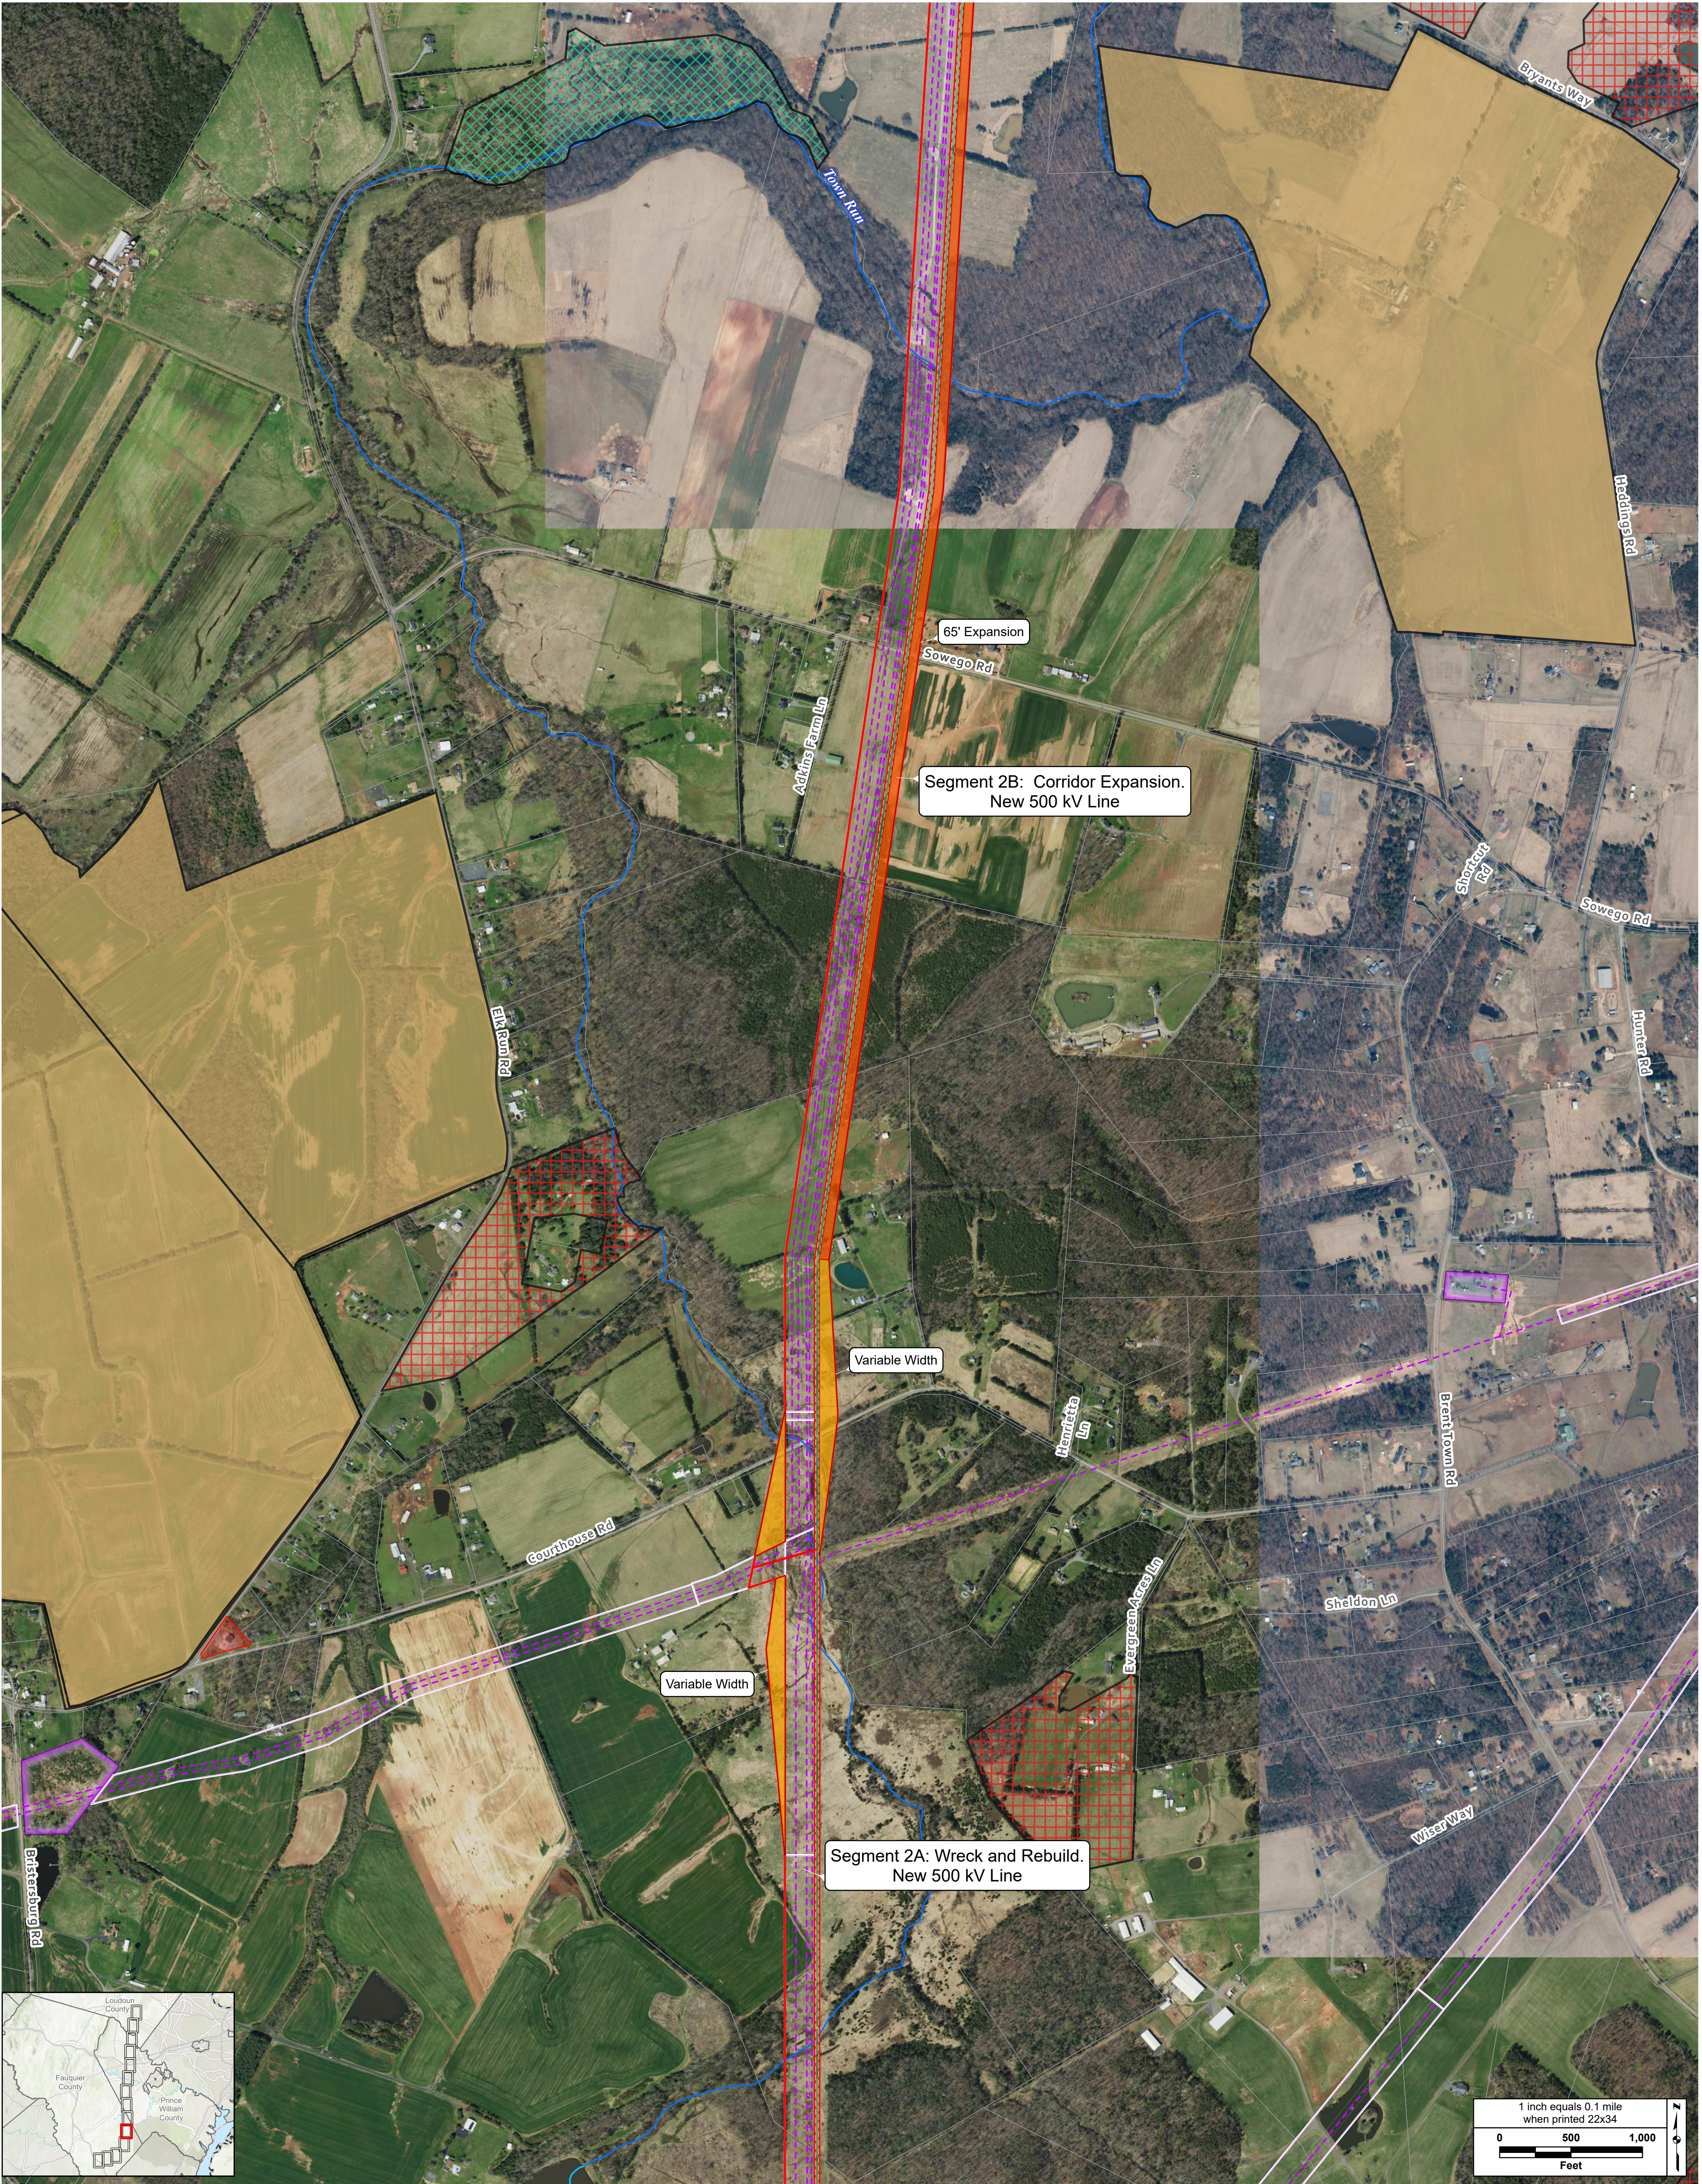

- Project Right-of-Way (Existing)
- Expansion Right-of-Way
- 100' Expansion

Constraints

- Stream/River: Perennial
- Lake/Pond: Perennial
- Fauquier Open Space Easement
- Fauquier PDR Easement
- Parcel Boundary

Constraints: Page 5

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

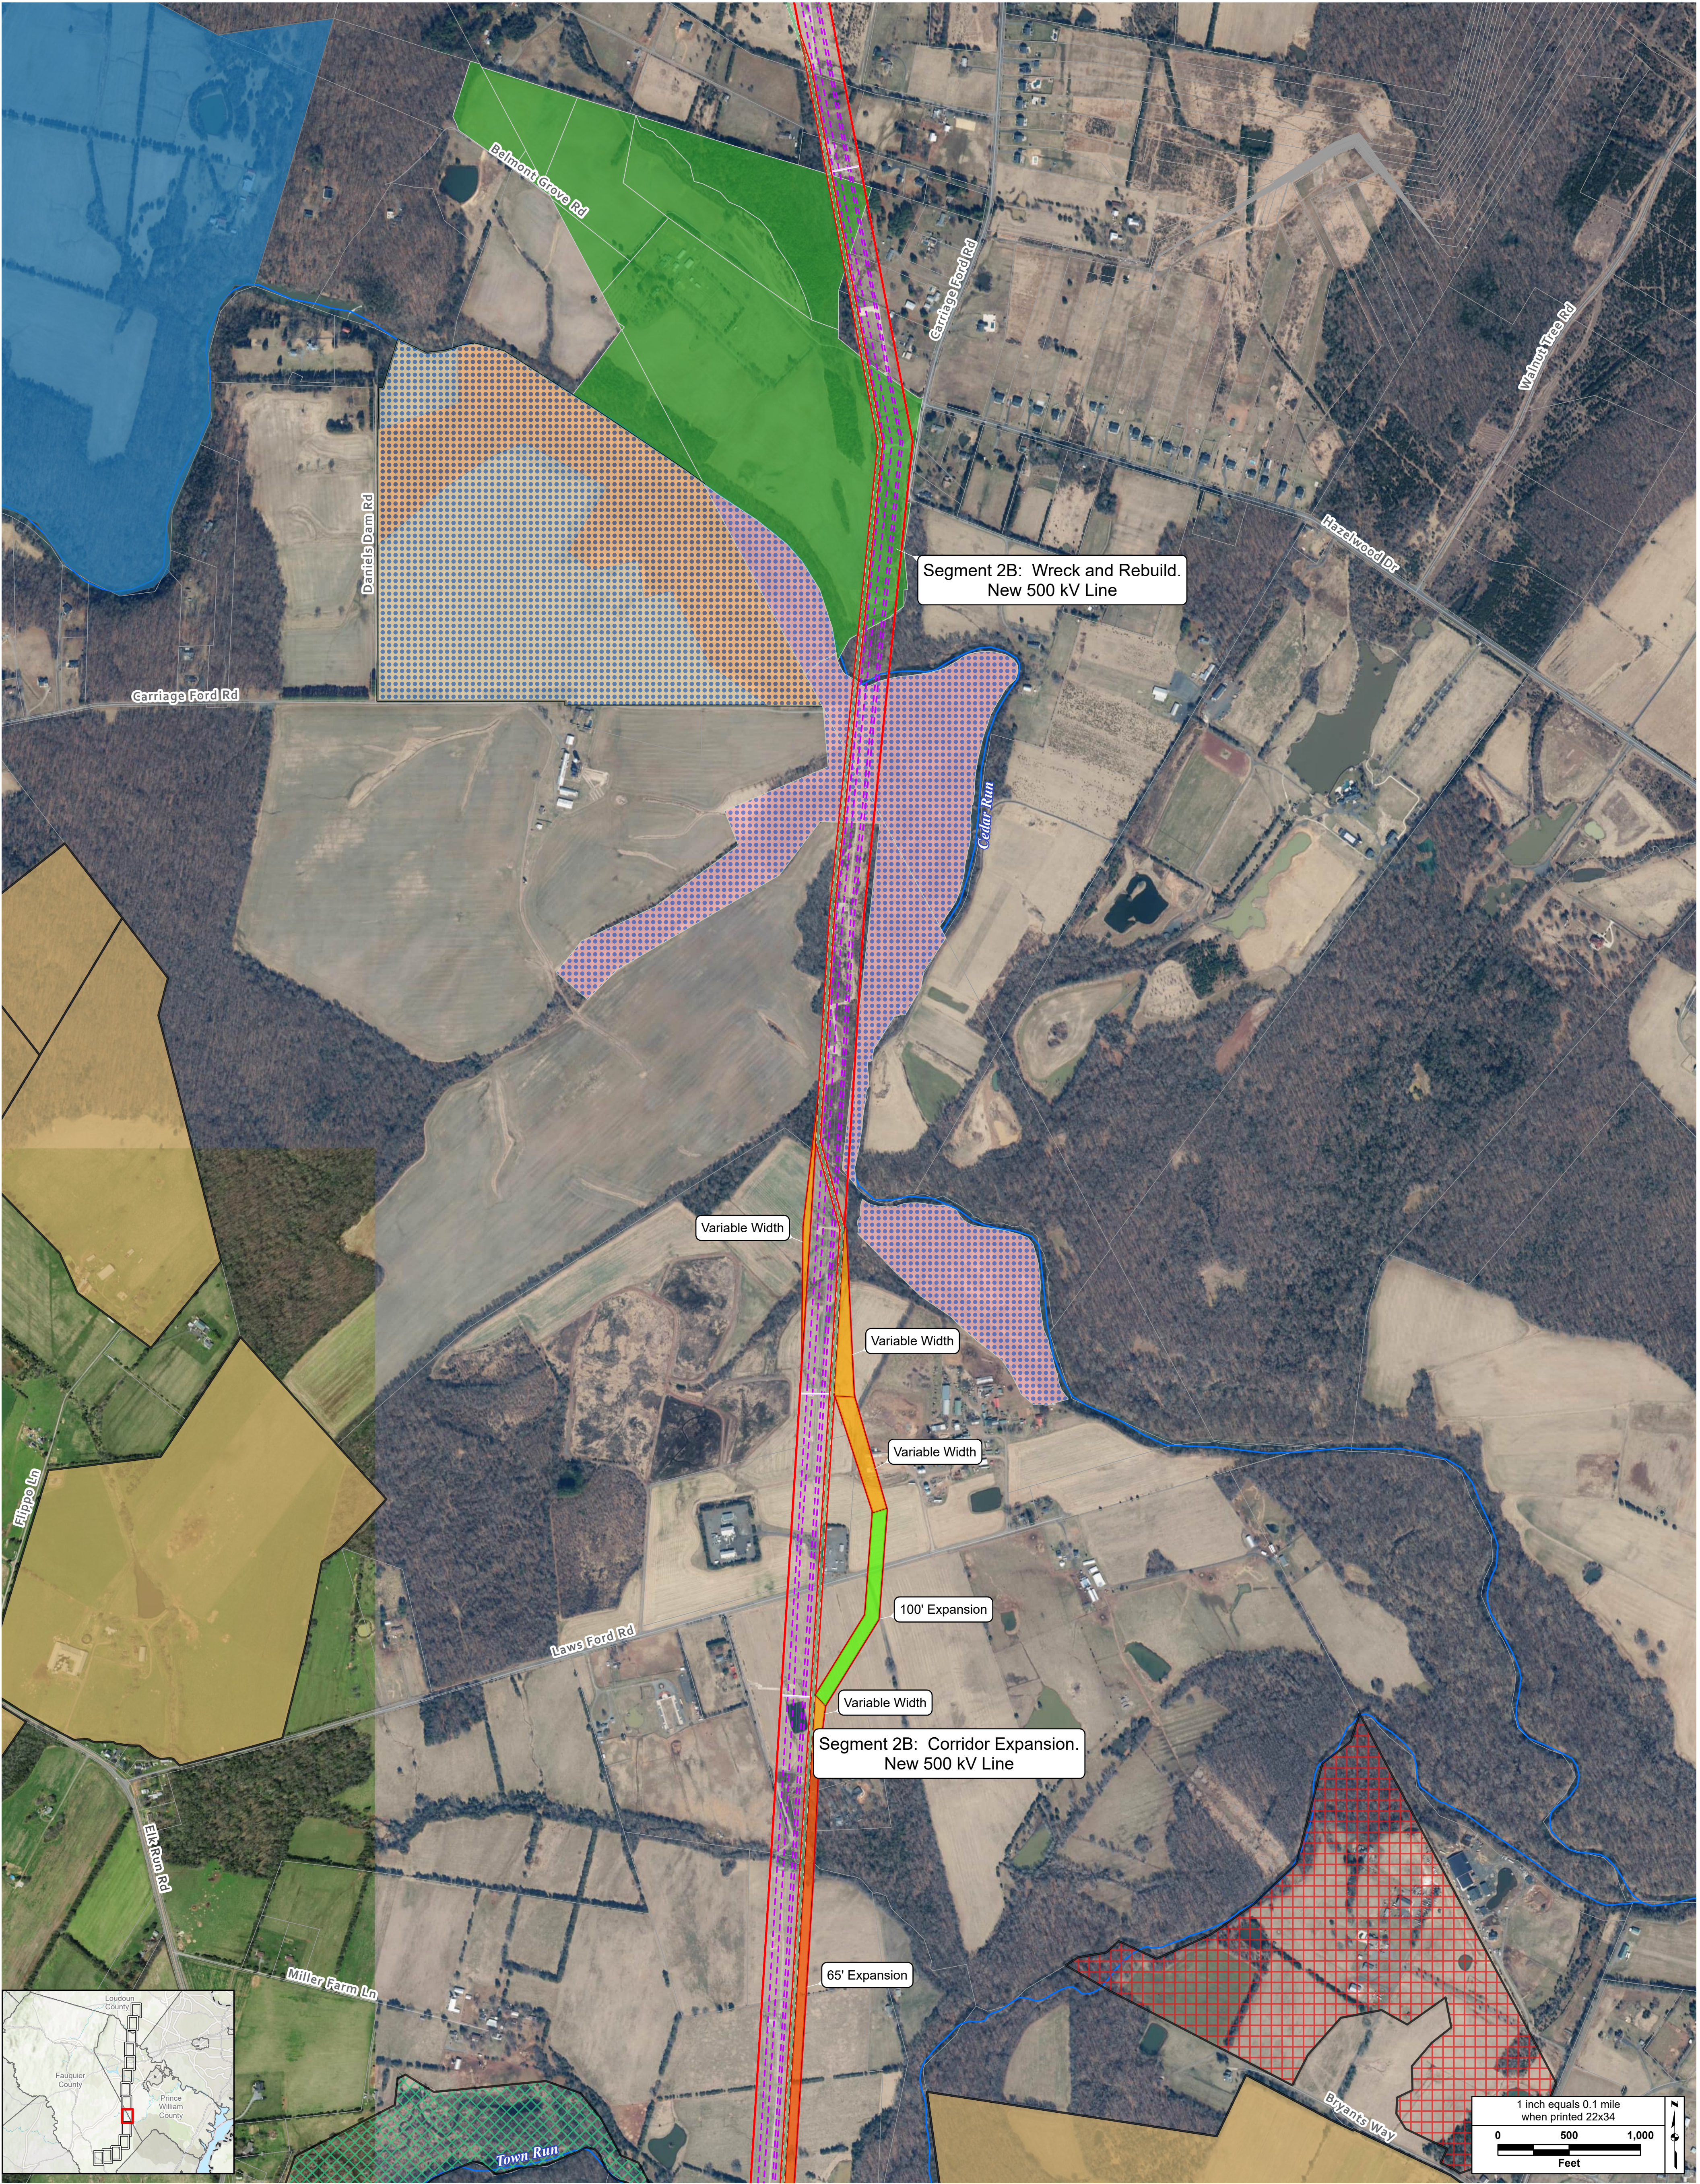

- Project Right-of-Way (Existing)
- Expansion Right-of-Way**
- 65' Expansion
- Variable Width

Constraints

- Stream/River: Perennial
- Lake/Pond: Perennial
- Commercial/Office Planned Development
- Other Planned Development
- BWI Easement
- Fauquier Open Space Easement
- Fauquier PDR Easement
- Parcel Boundary

Constraints: Page 6

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement

Project Components

- Project Right-of-Way (Existing)
- Expansion Right-of-Way**
- 65' Expansion
- 100' Expansion
- Variable Width

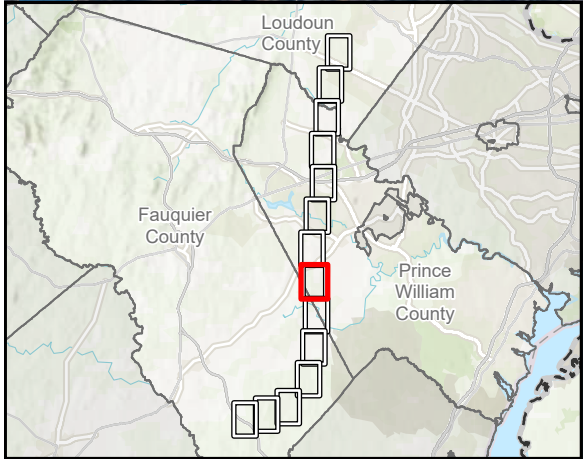

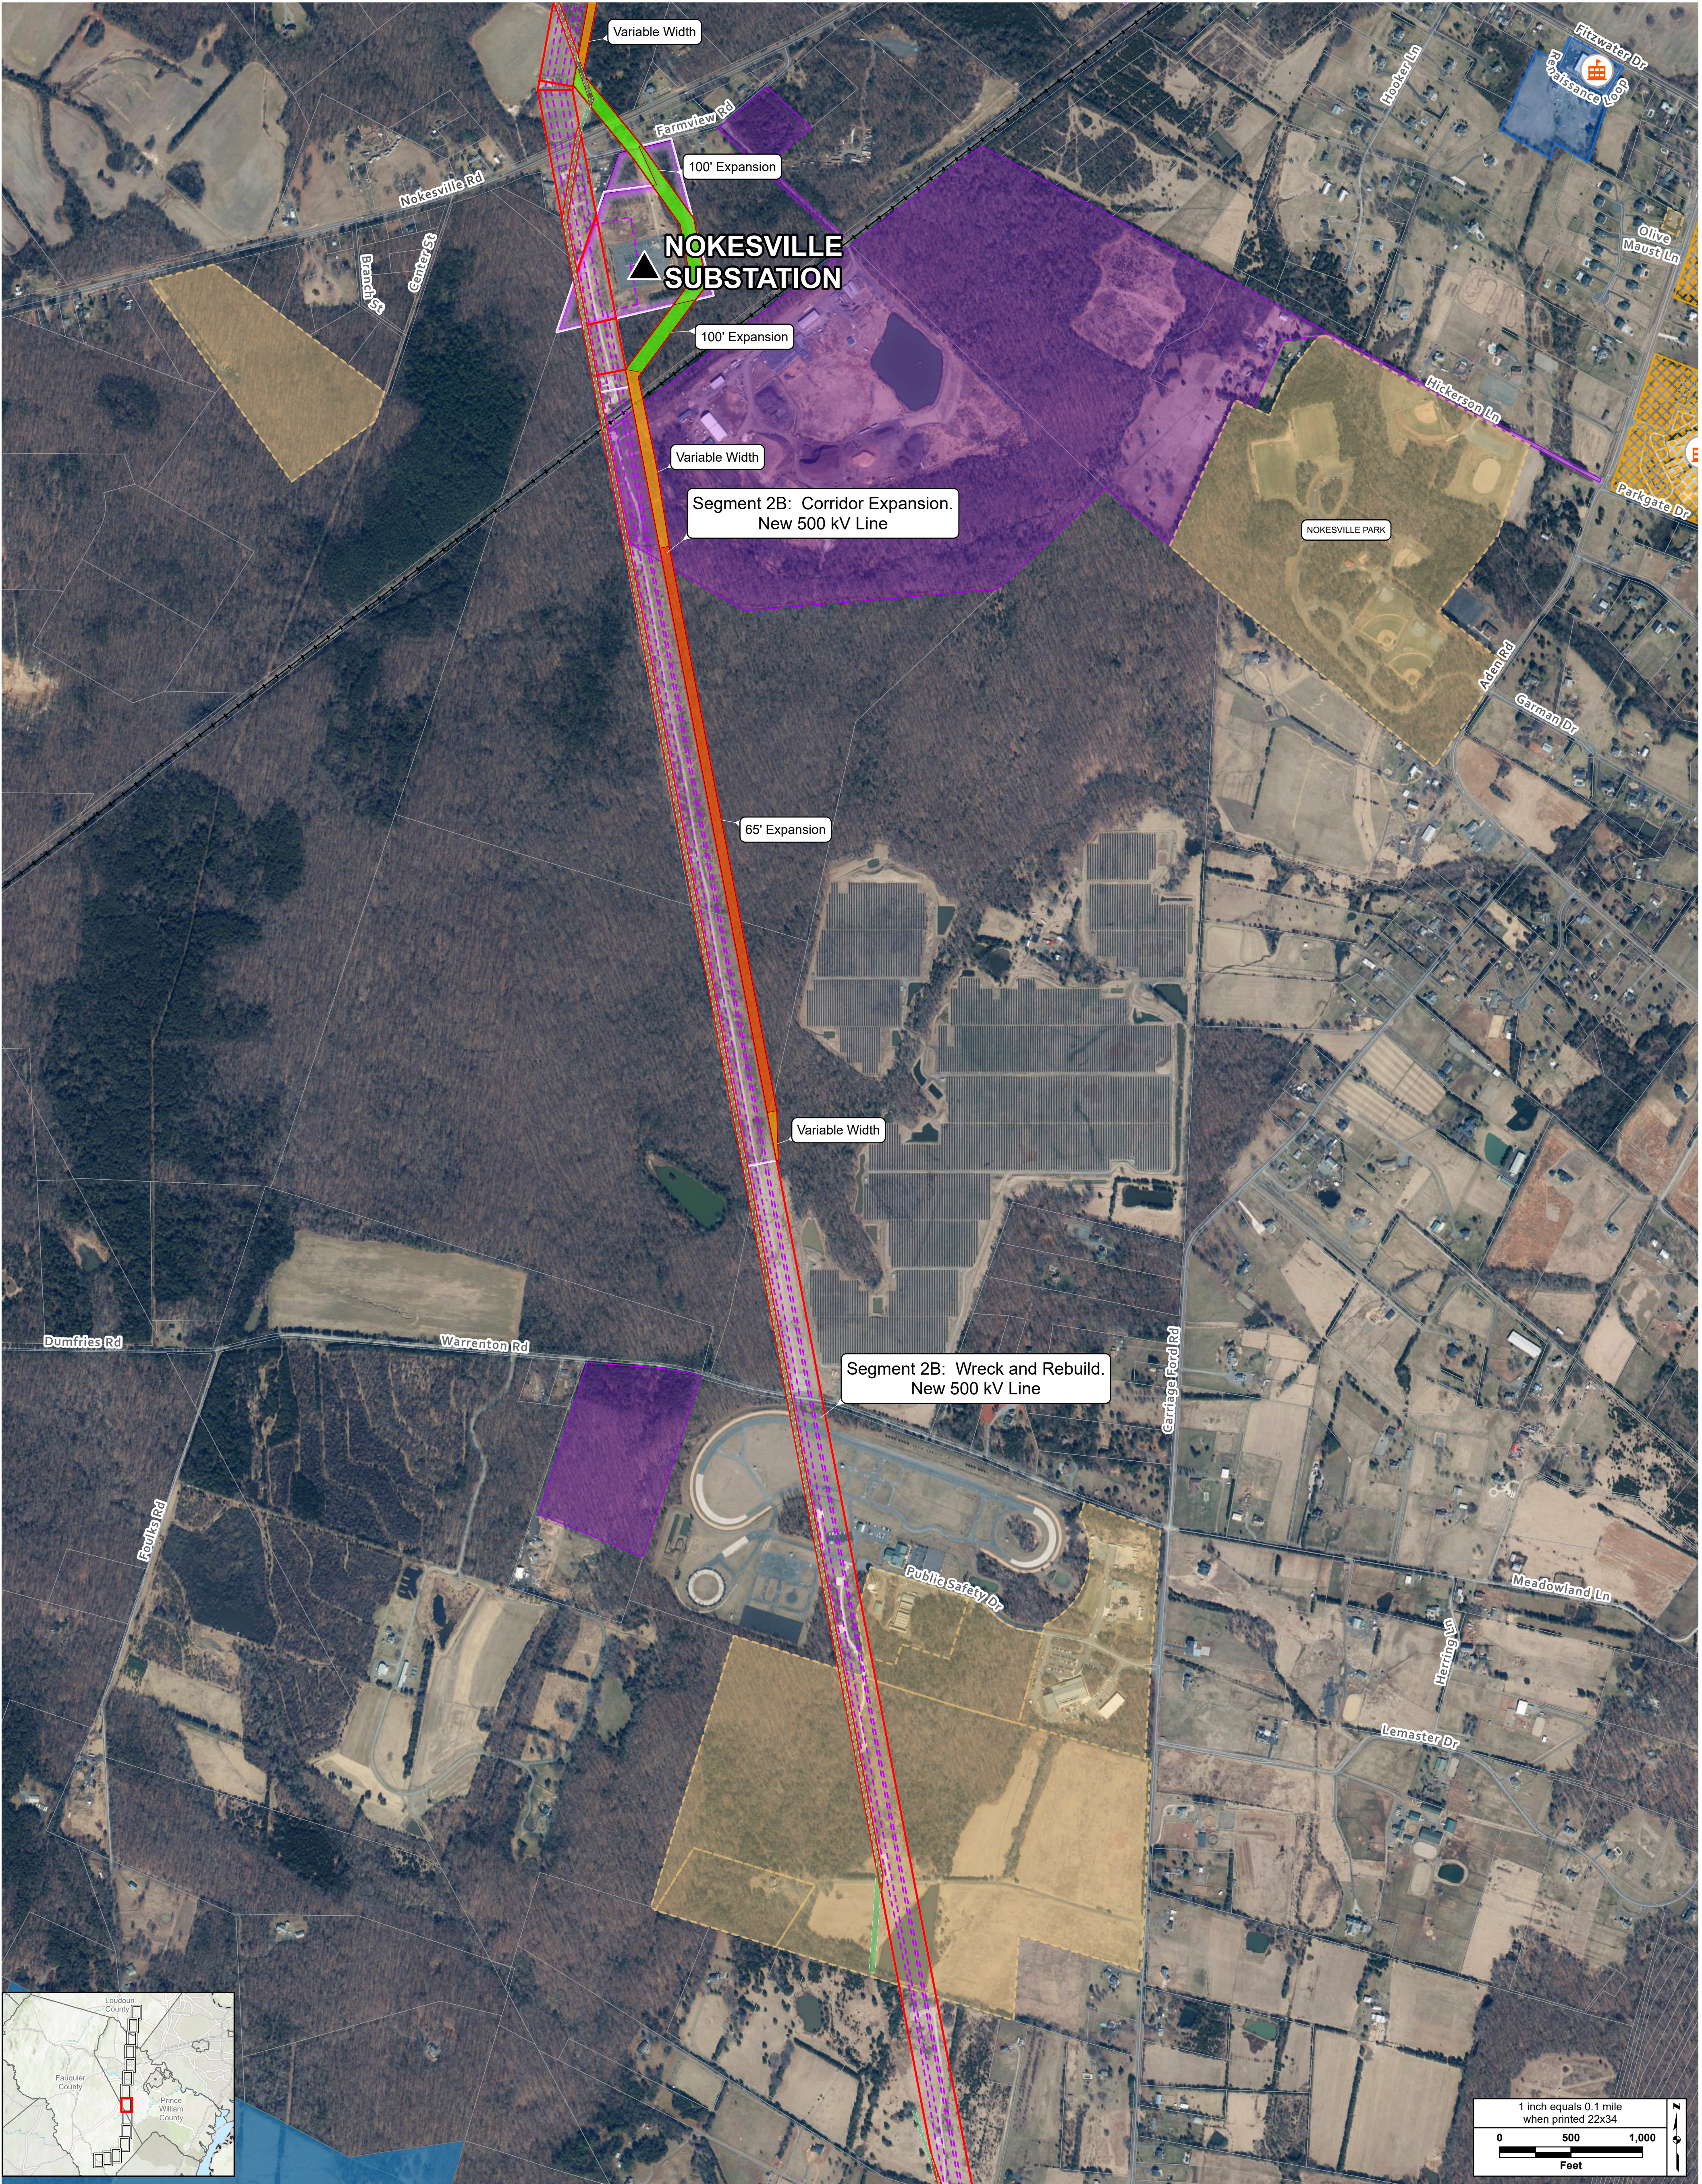

Constraints

- Stream/River: Perennial
- Wetland Mitigation Bank
- BWI Easement
- DHR Easement
- Fauquier Open Space Easement

- Fauquier PDR Easement
- Marsh Resources Inc
- Northern Virginia Conservation Trust Easement
- VA Outdoors Foundation
- Parcel Boundary

Constraints: Page 7

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

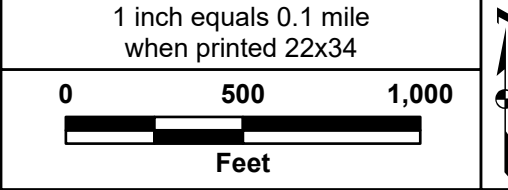

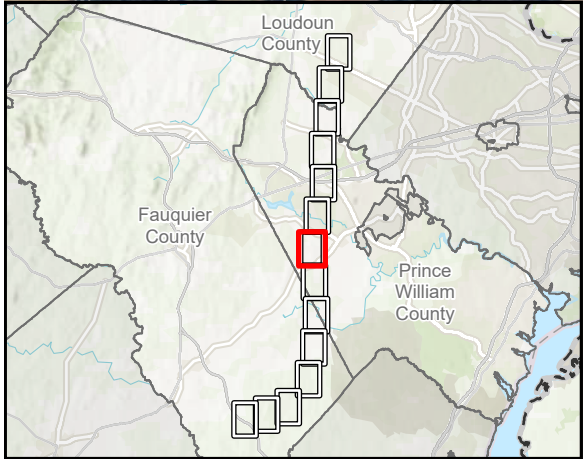

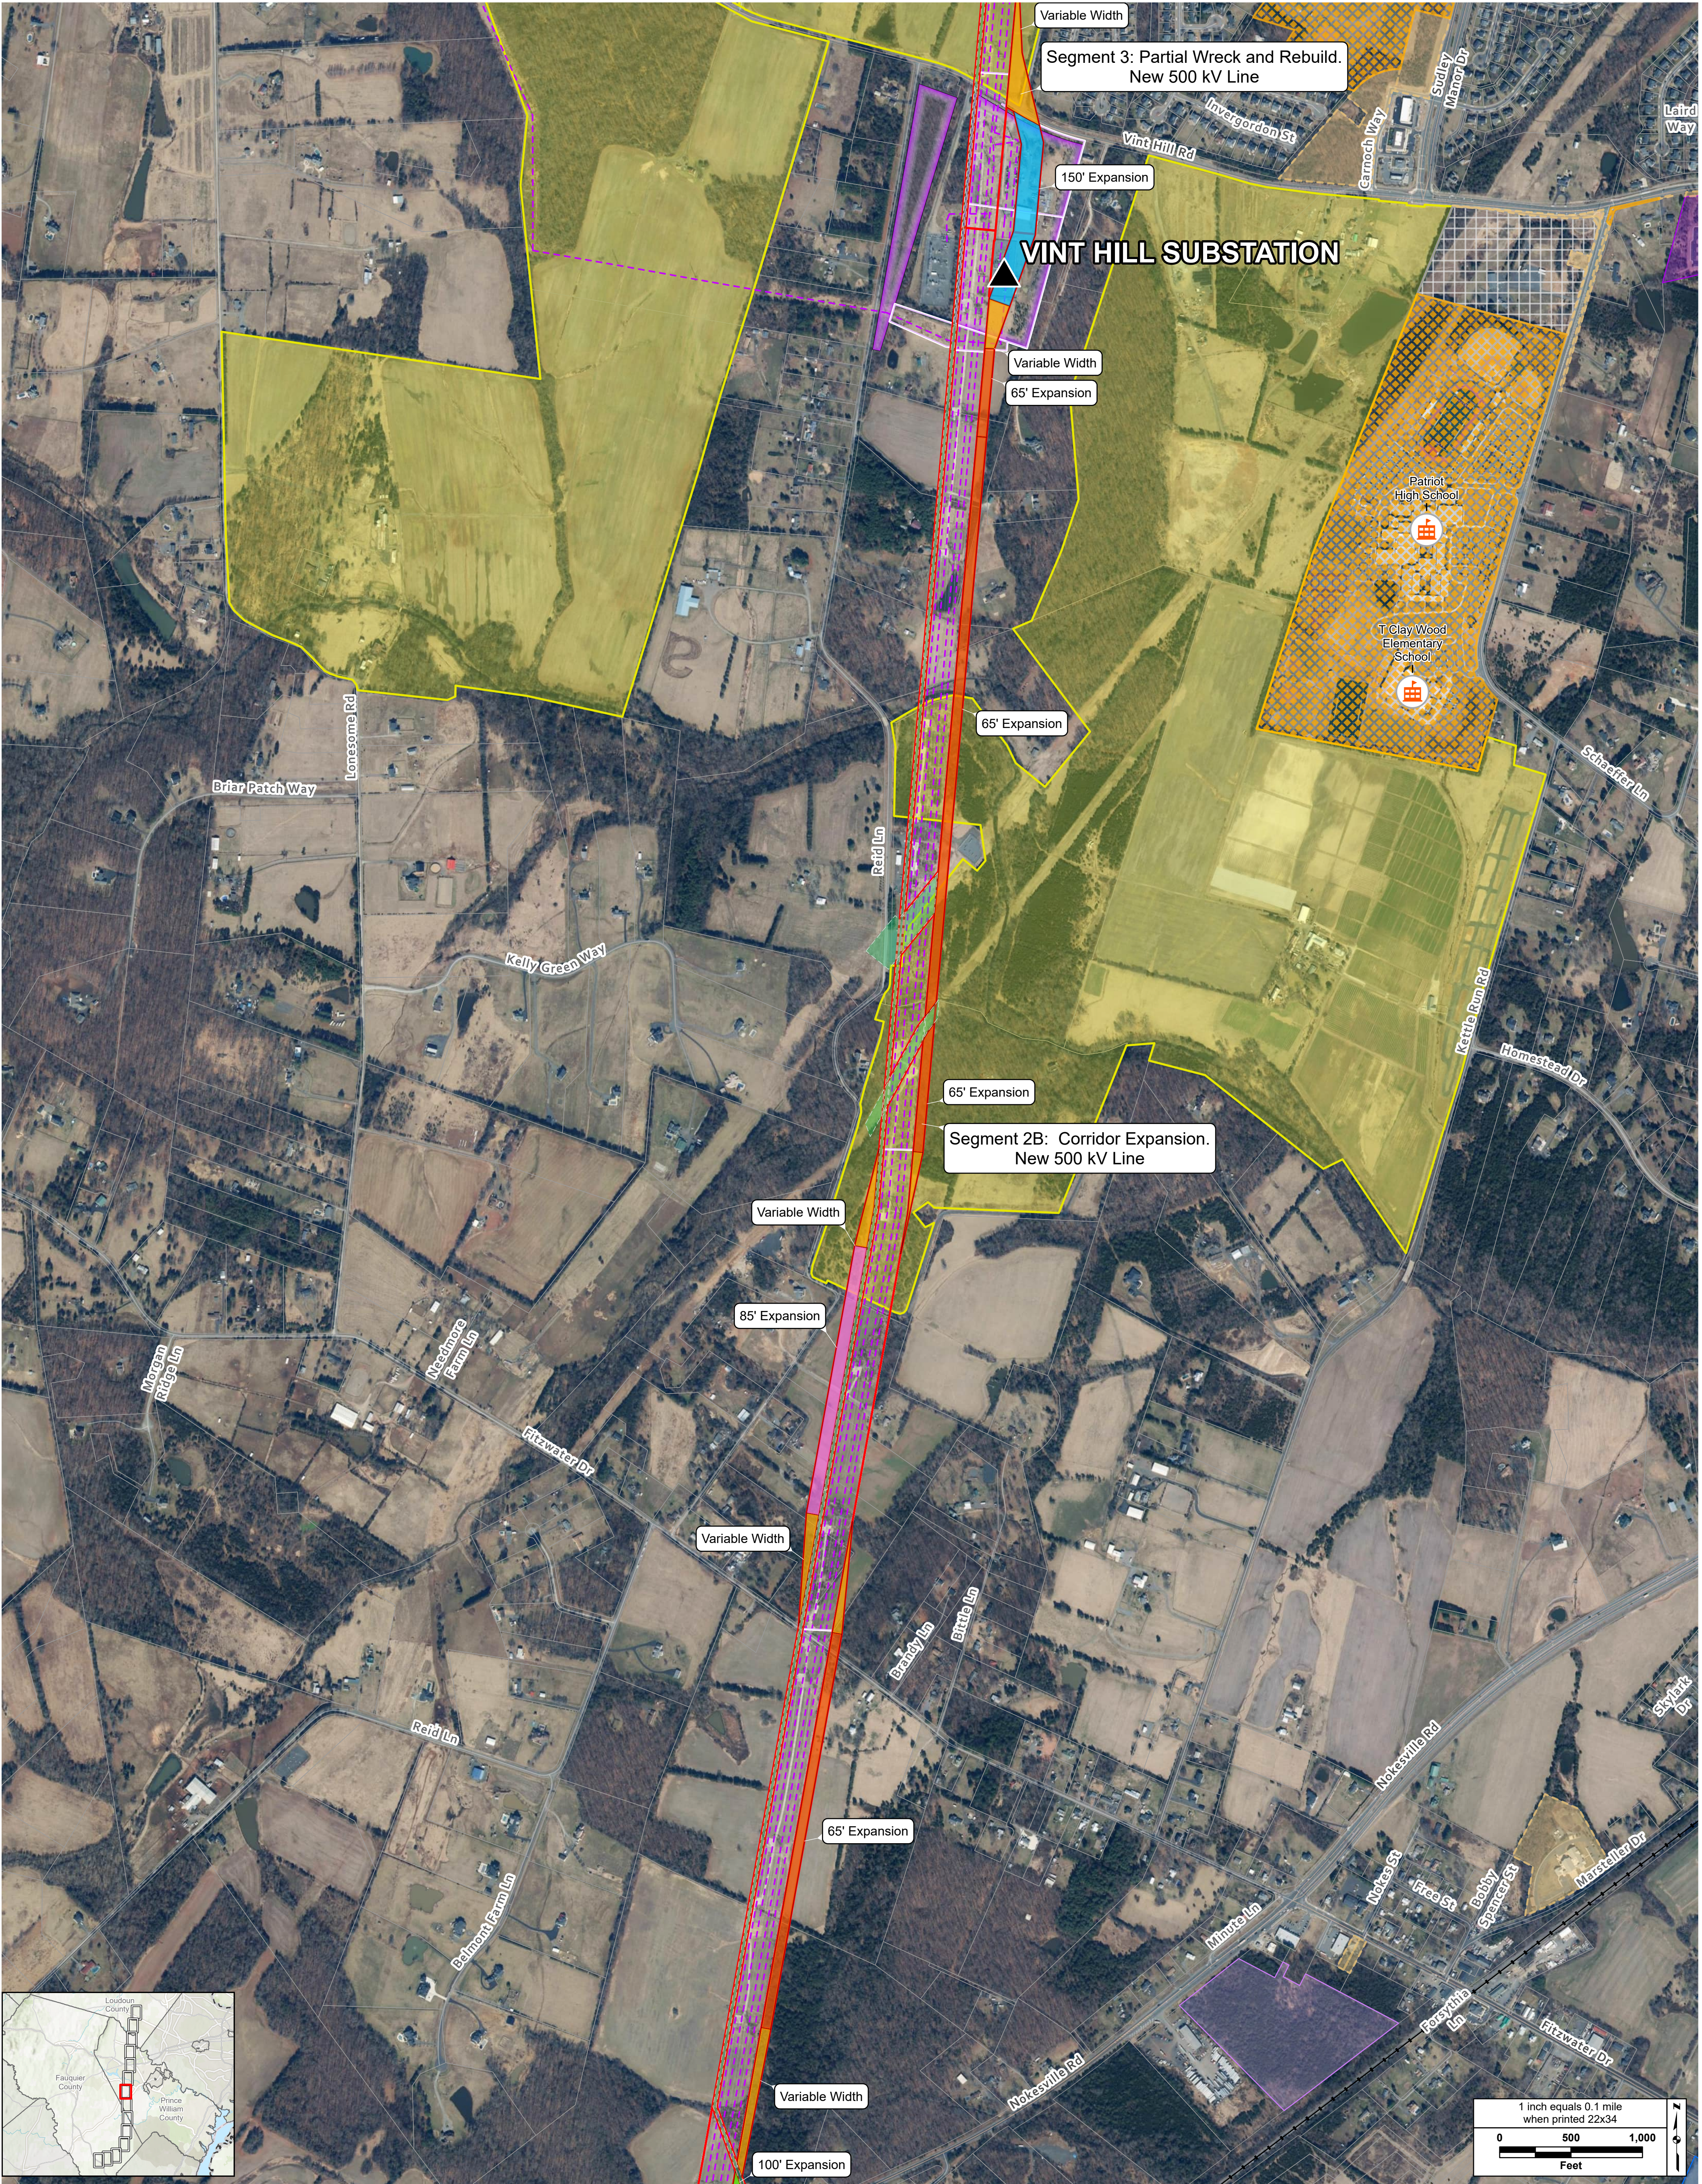

- Project Right-of-Way (Existing)
- Expansion Right-of-Way**
- 65' Expansion
- 100' Expansion
- Variable Width

Constraints

- School
- Railroad
- Data Center Planned Development
- Industrial/Manufacturing Planned Development
- Public Facilities & Institutions Planned Development
- DHR Easement
- VA Outdoors Foundation
- County Owned Land
- School Board Owned Land
- Parcel Boundary

Constraints: Page 8

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

- Project Right-of-Way (Existing)
- Expansion Right-of-Way
 - 65' Expansion
 - 85' Expansion
 - 100' Expansion
 - 150' Expansion
 - Variable Width

Constraints

- School
- Railroad
- Data Center Planned Development
- Industrial/Manufacturing Planned Development
- Single Family Planned Development
- Public Facilities & Institutions Planned Development
- Other Planned Development
- County Owned Land
- School Board Owned Land
- Parcel Boundary

Dominion Facilities

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement

Project Components

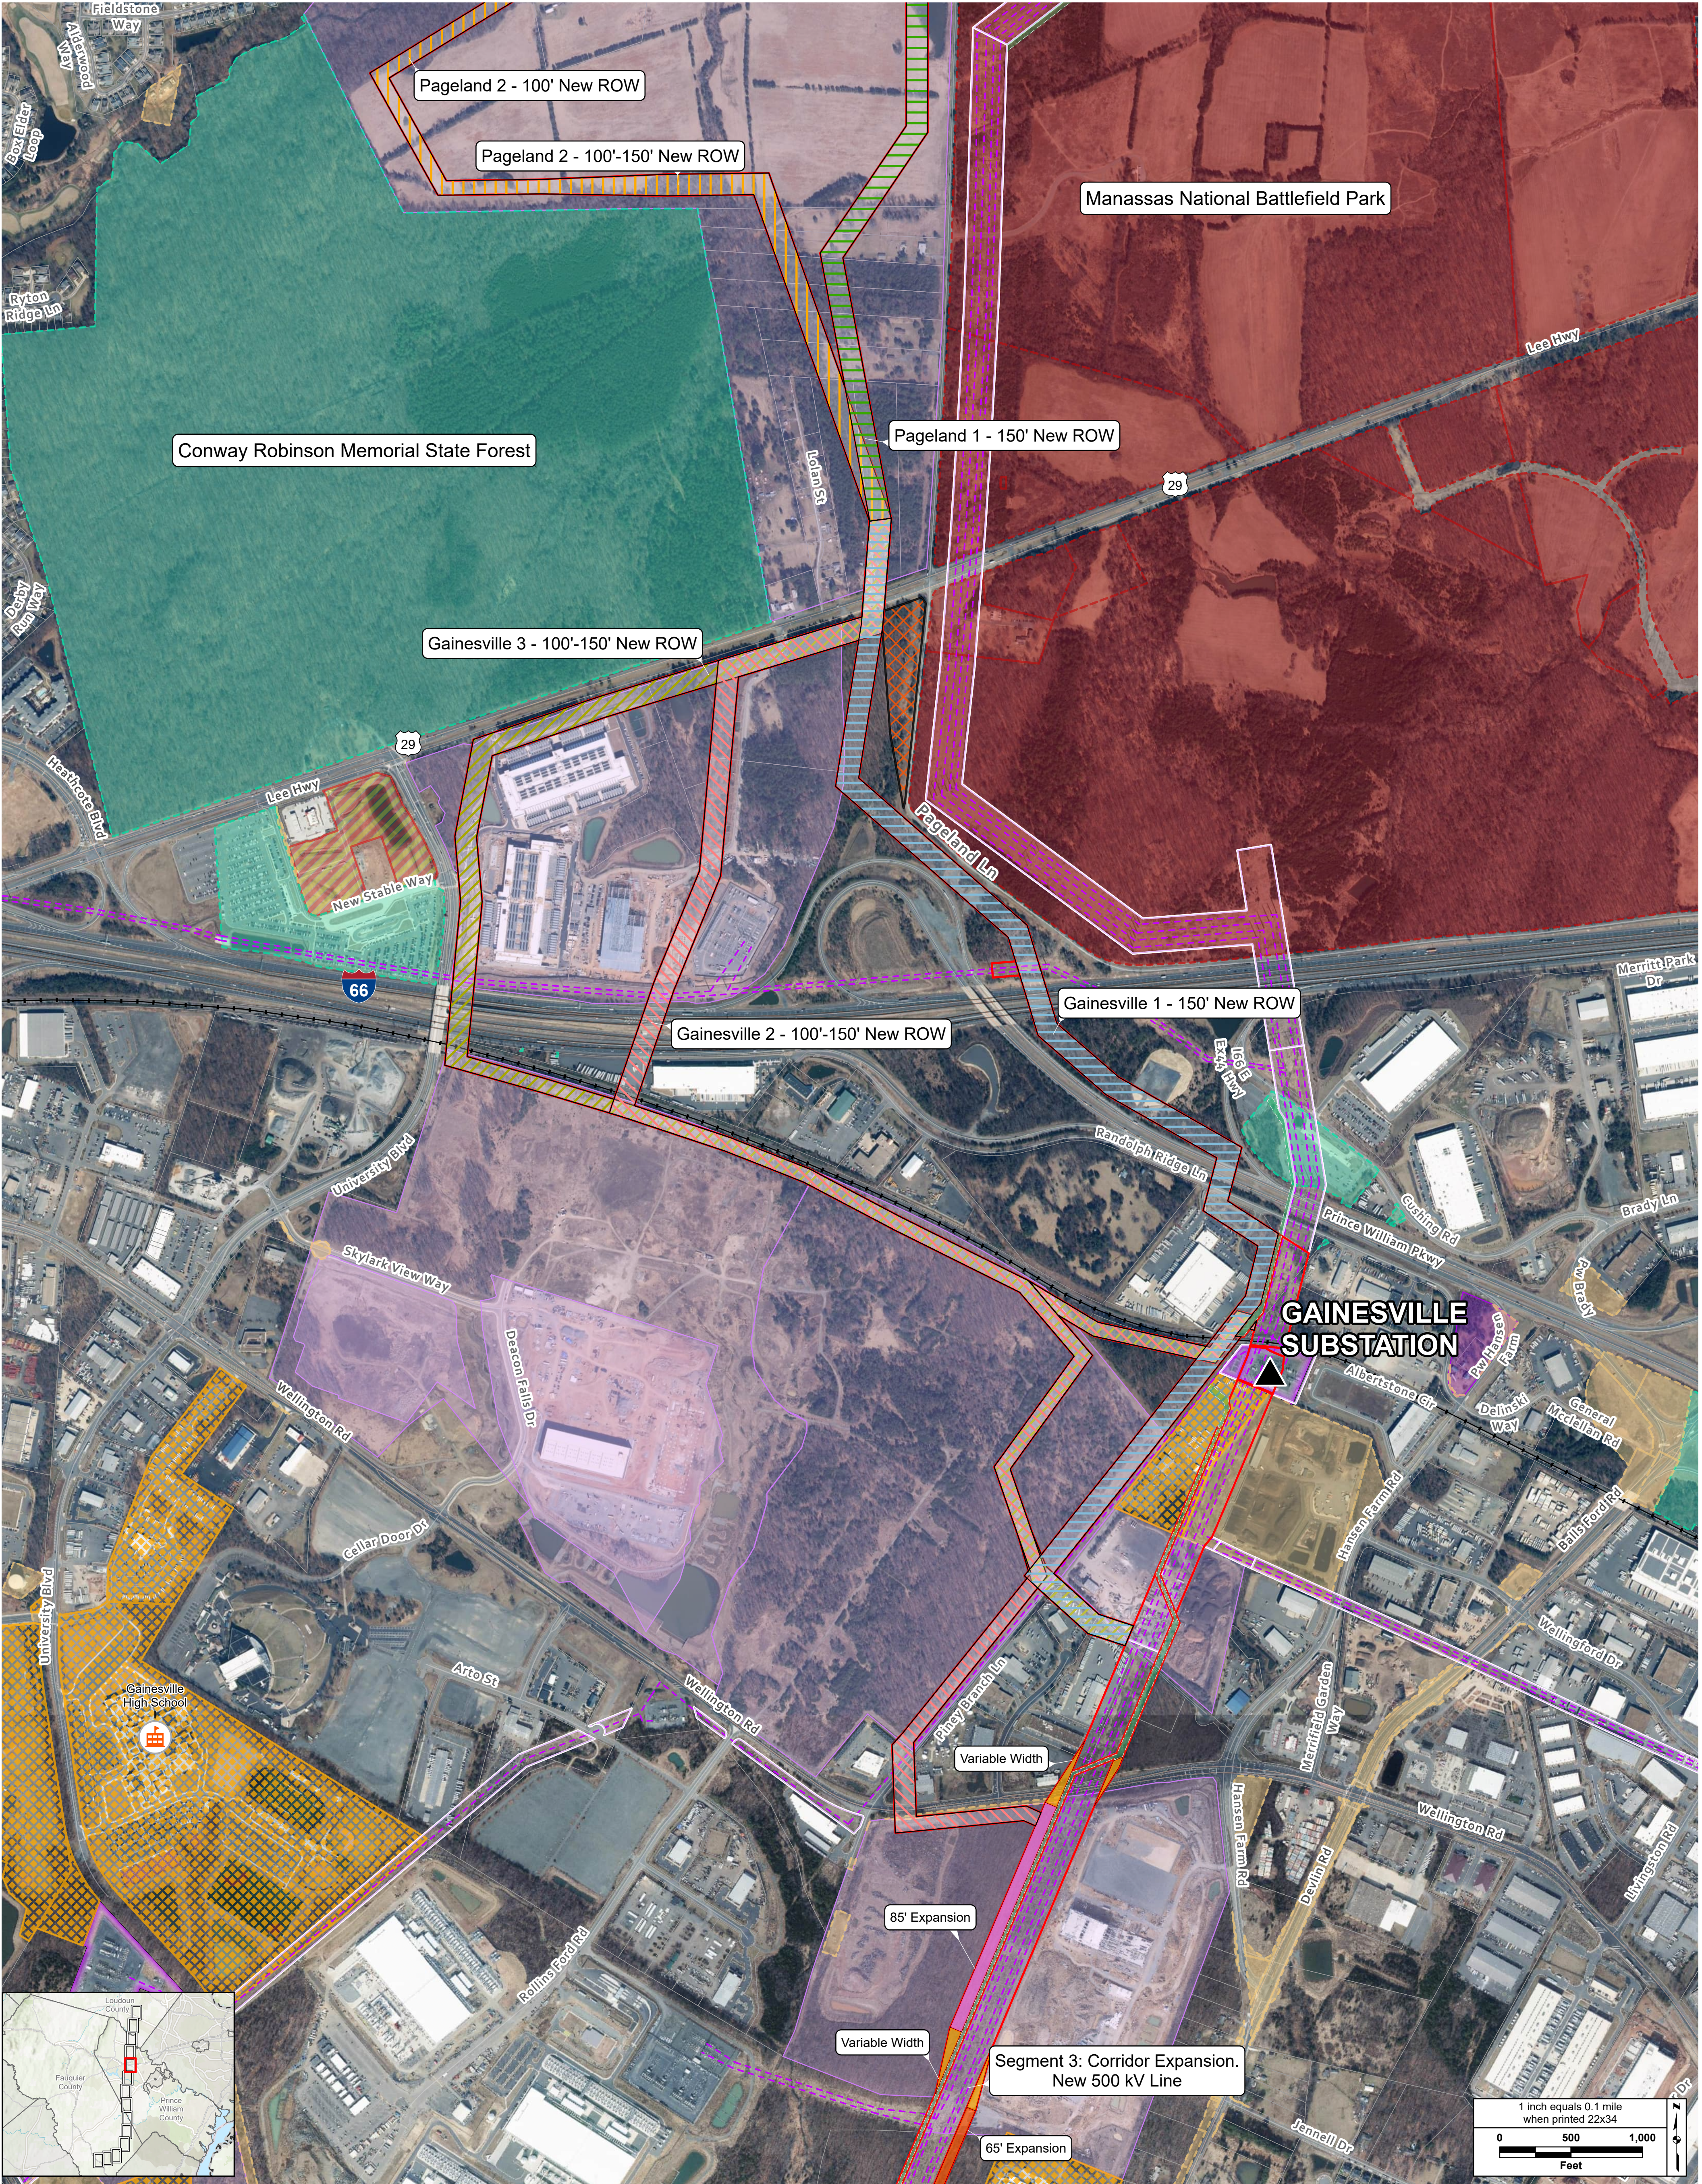

- Project Right-of-Way (Existing)
- Expansion Right-of-Way
 - 65' Expansion
 - Variable Width

Constraints

- School
- Stream/River: Perennial
- Commercial/Office Planned Development
- Data Center Planned Development
- Single Family Planned Development
- Other Planned Development
- County Owned Land
- School Board Owned Land
- Parcel Boundary

Constraints: Page 10

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

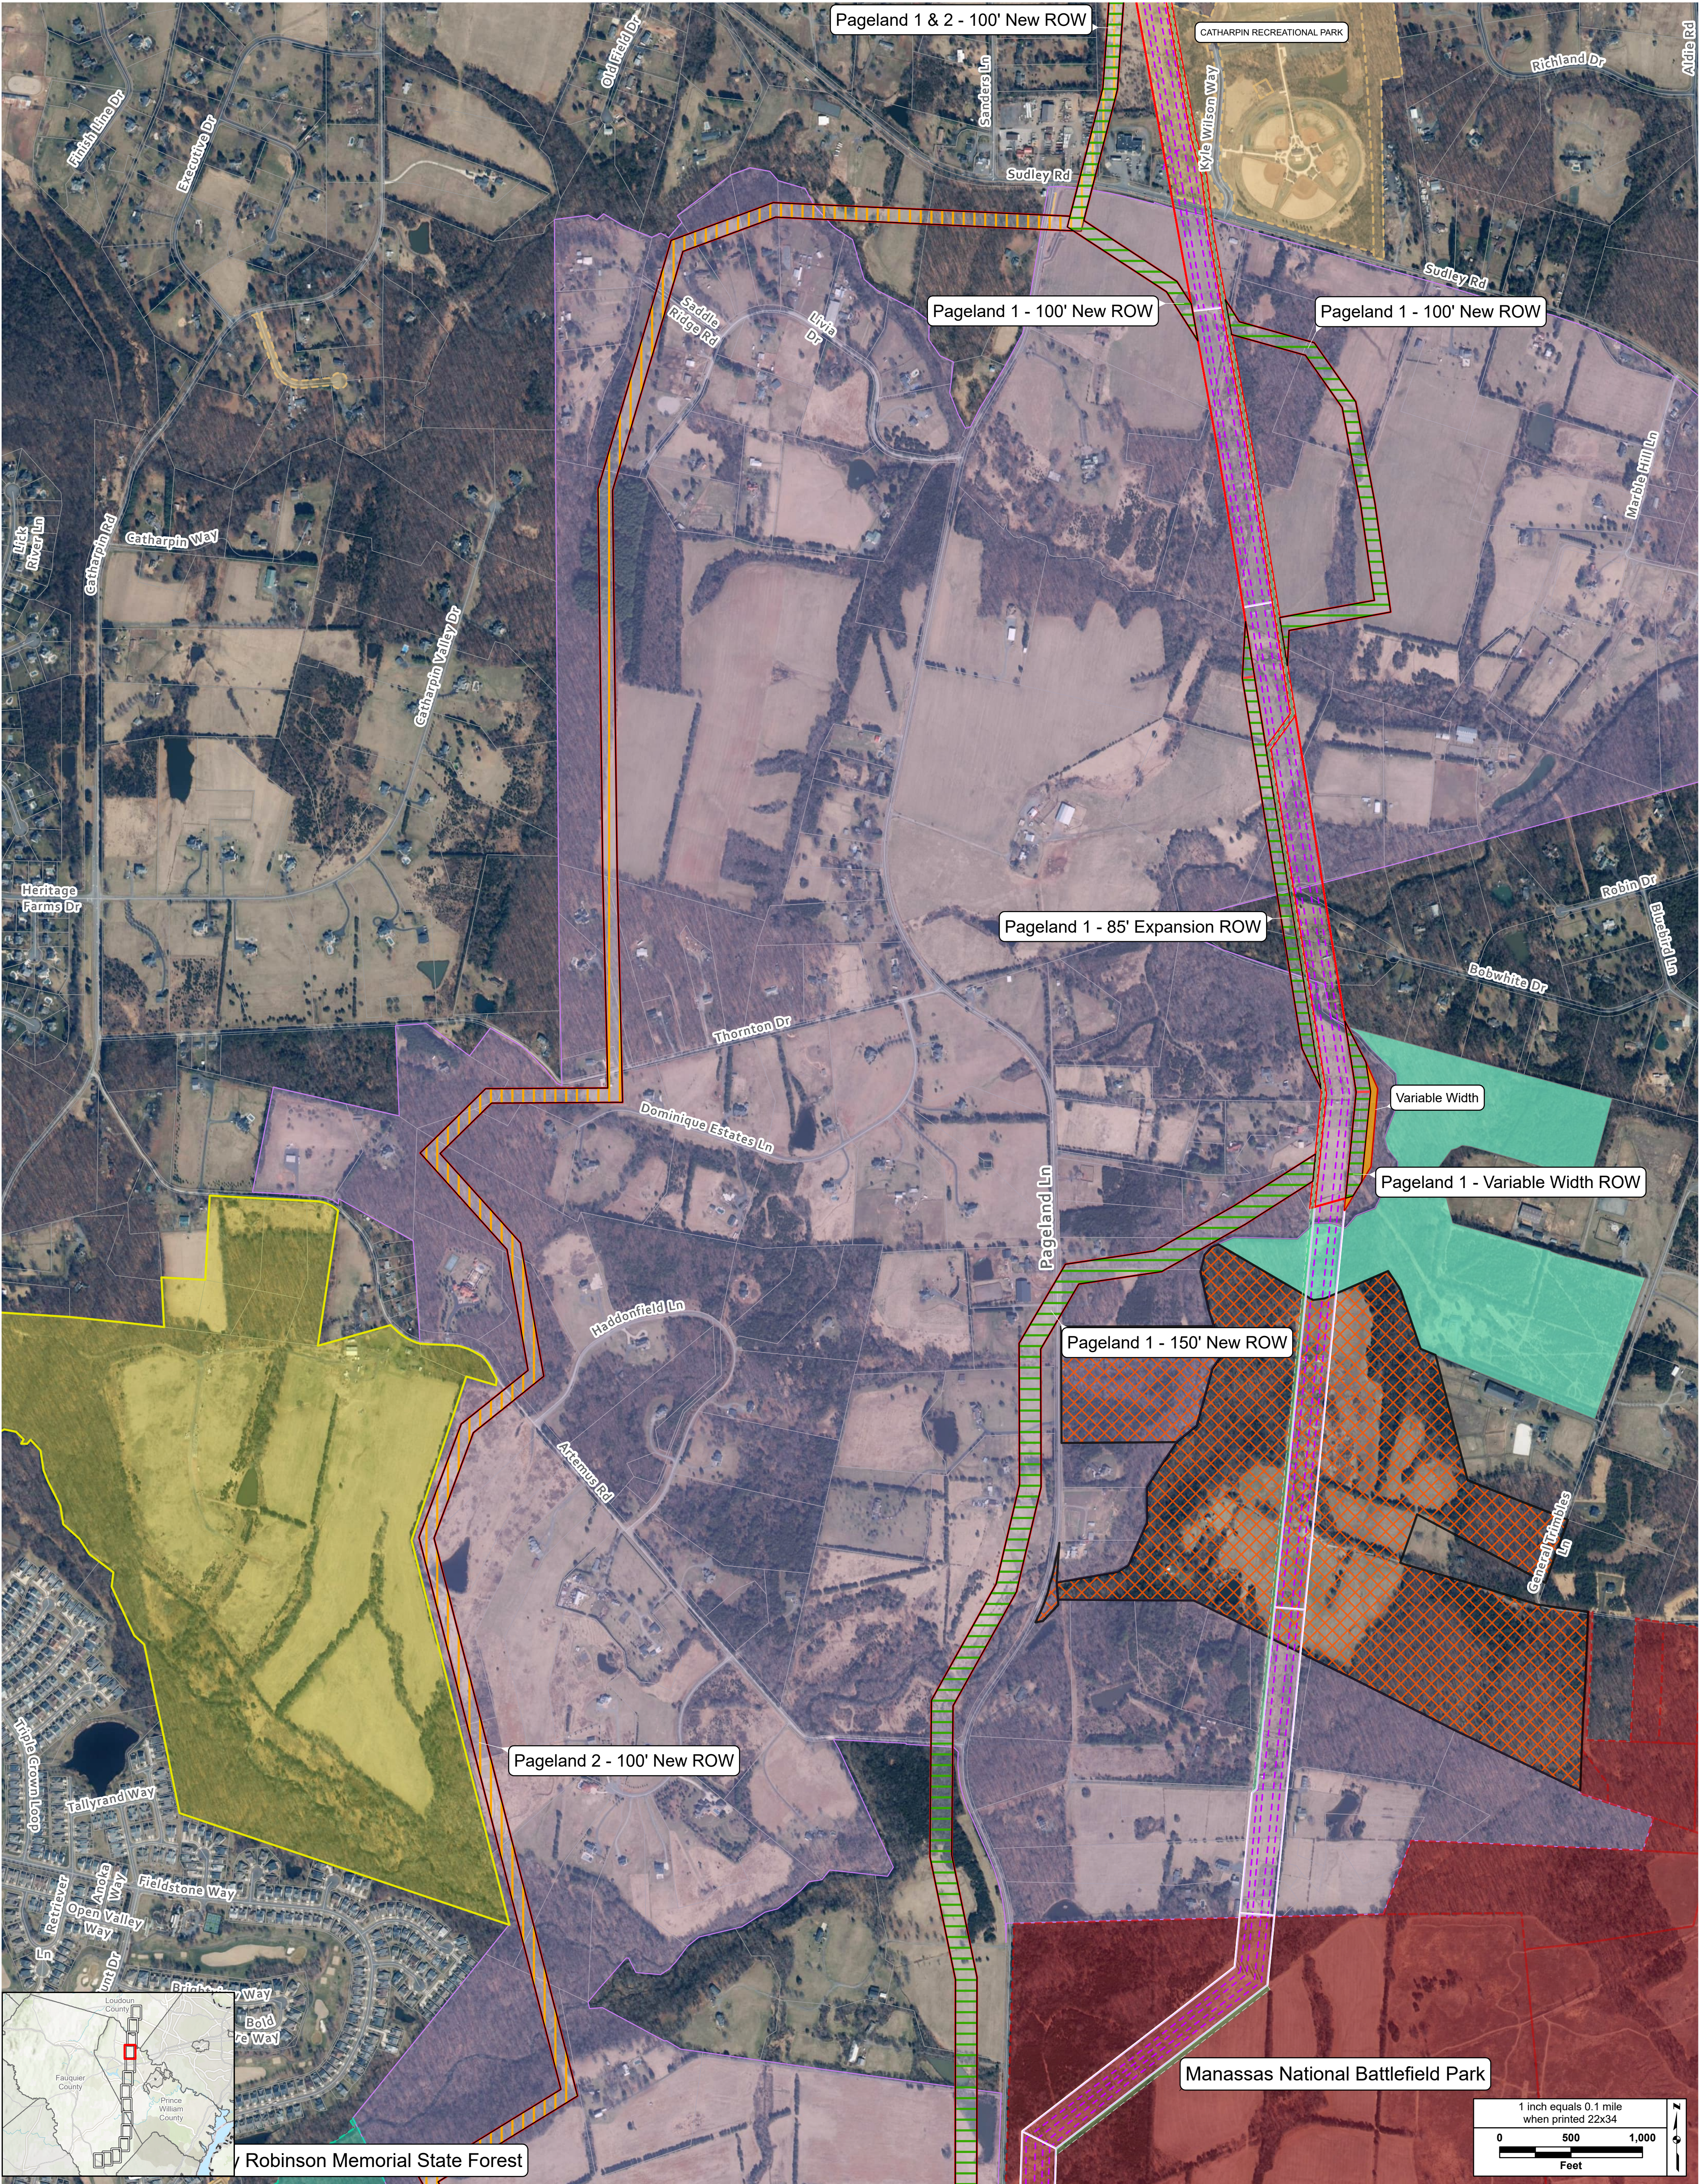

- Project Right-of-Way (Existing)
- Gainesville Route 1
- Gainesville Route 2
- Gainesville Route 3
- Pageland Route 1
- Pageland Route 2
- Expansion Right-of-Way
- 65' Expansion
- 85' Expansion
- Variable Width

Constraints

- School
- Railroad
- Data Center Planned Development
- Industrial/Manufacturing Planned Development
- Mixed Use Planned Development
- ABT Land
- Federal Owned Land
- State Owned Land
- County Owned Land
- School Board Owned Land
- Parcel Boundary

Constraints: Page 11

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

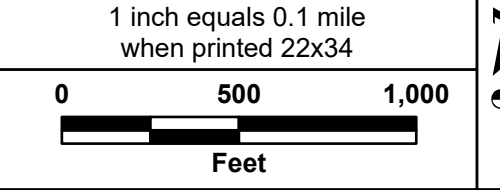

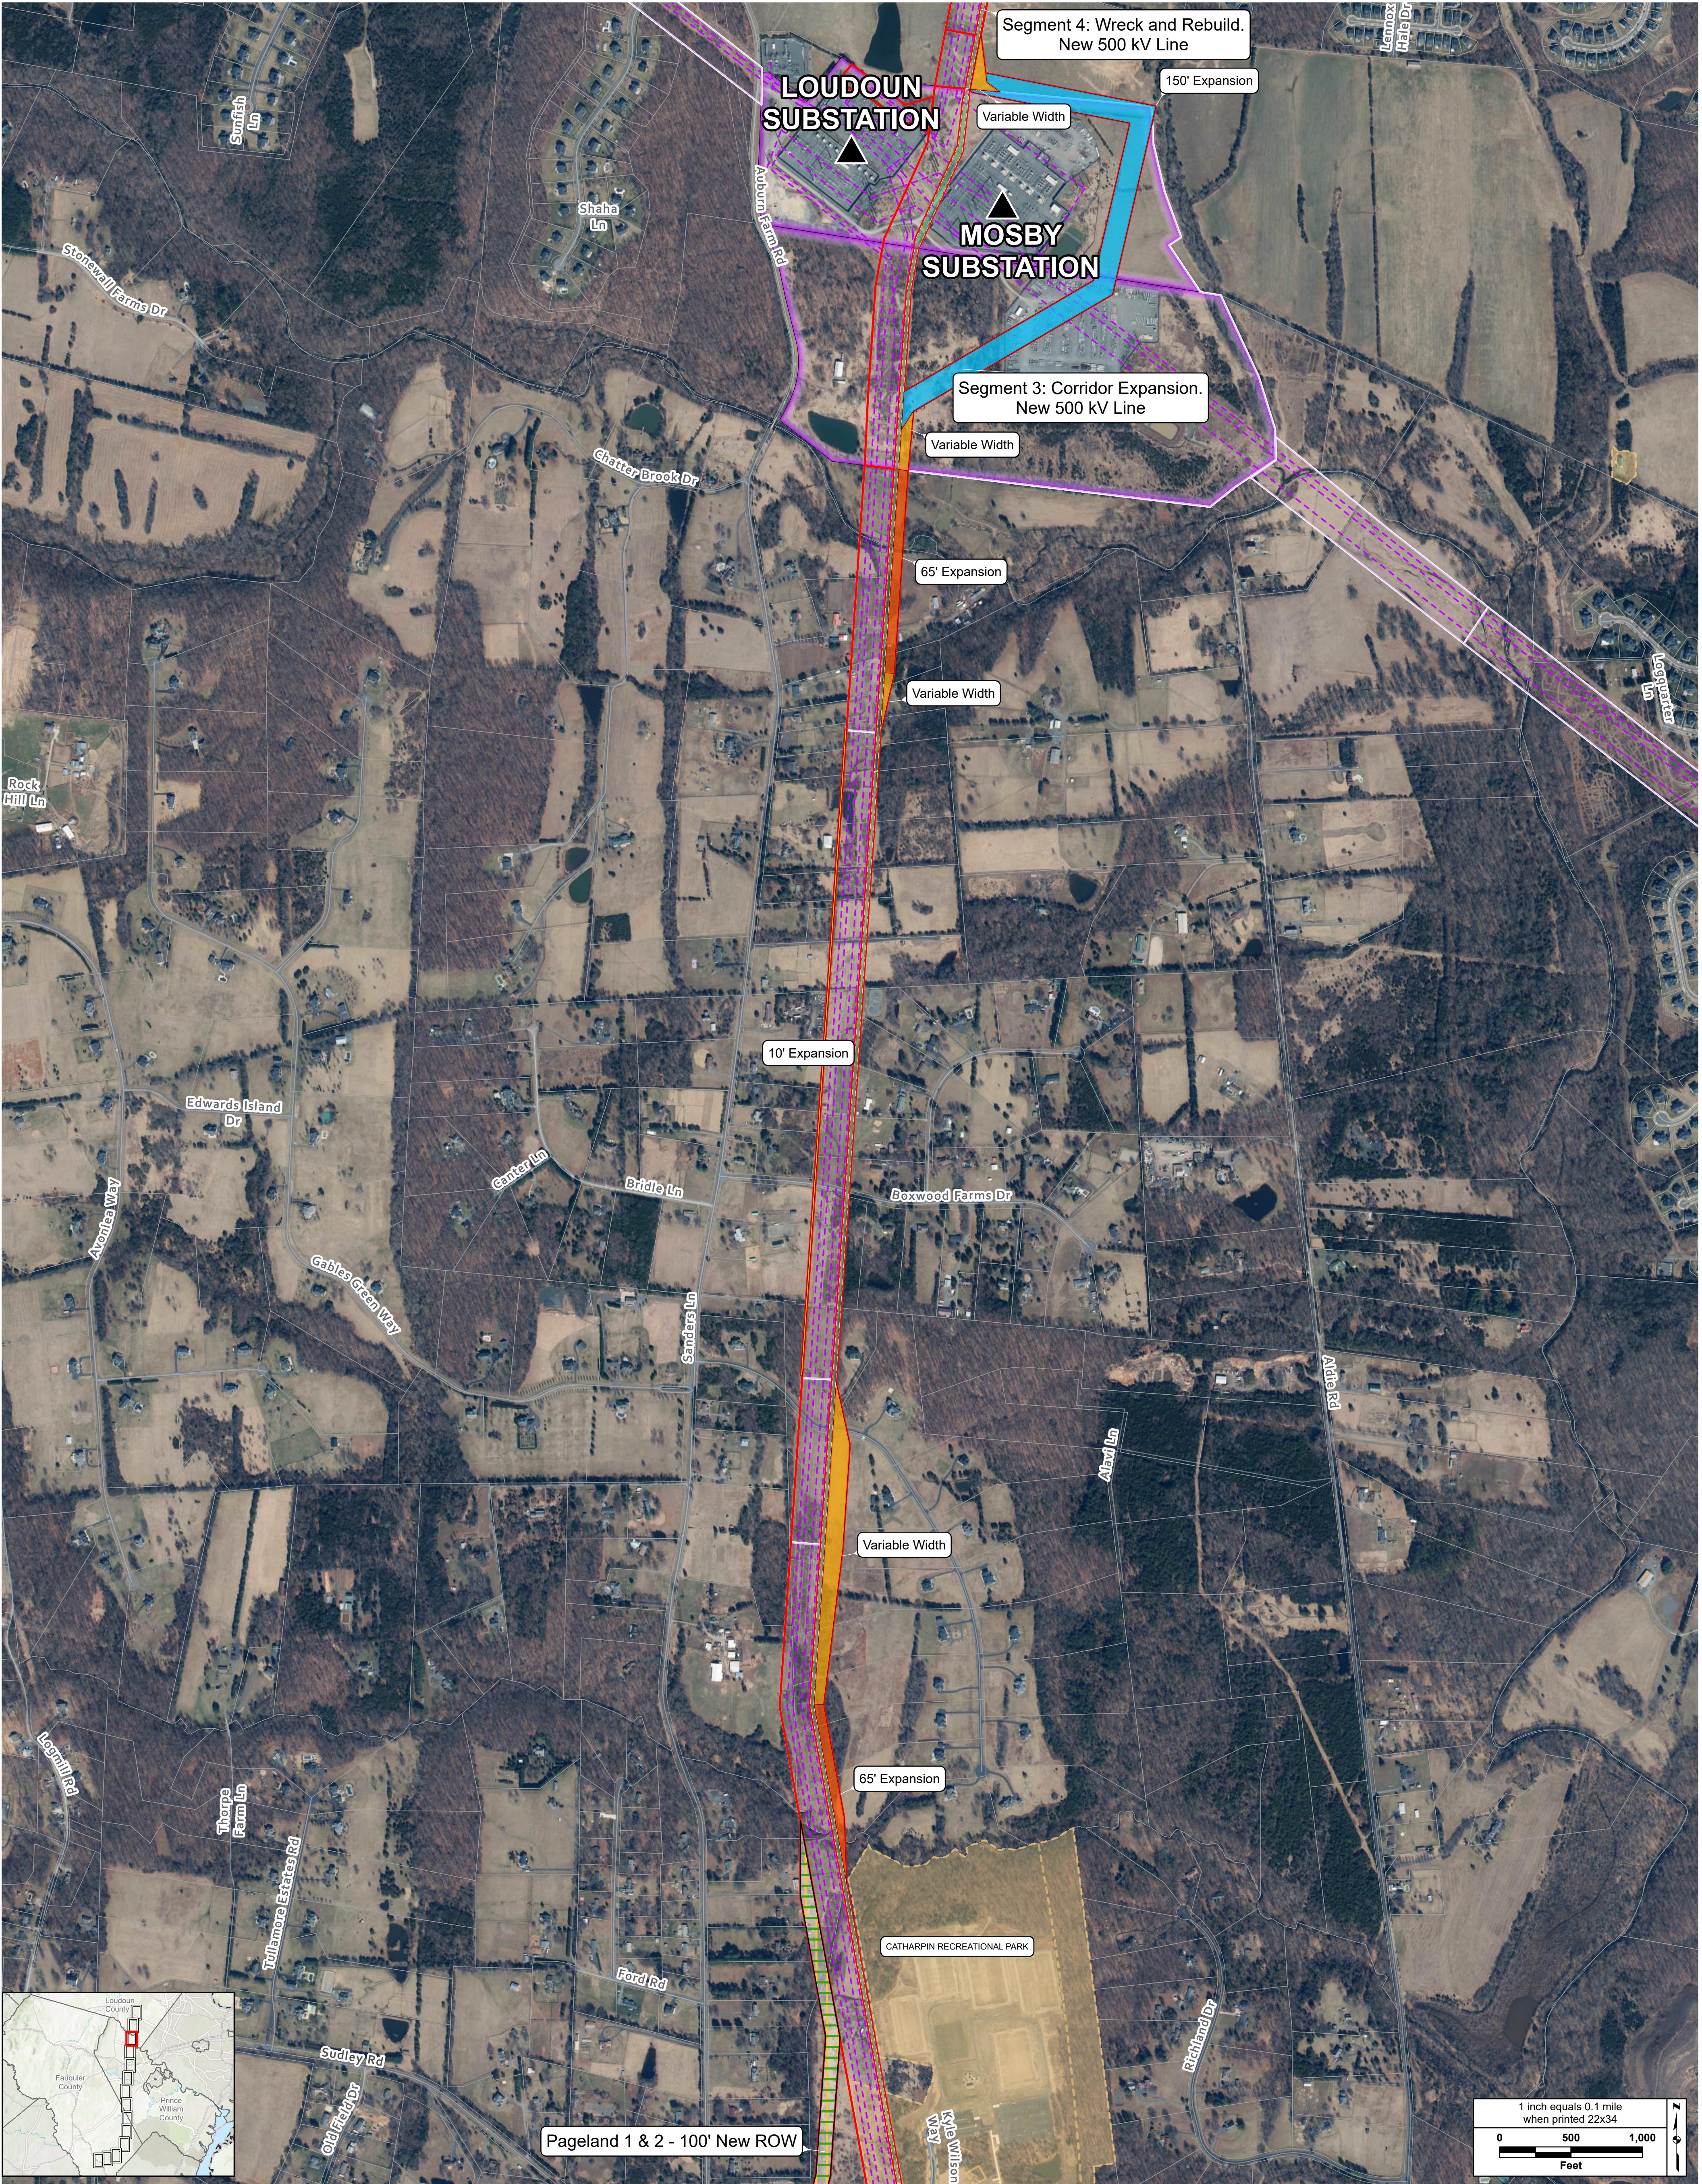

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement

Project Components

- Project Right-of-Way (Existing)
- Pageland Route 1
- Pageland Route 2
- Expansion Right-of-Way**
- Variable Width

Constraints

- Data Center Planned Development
- Single Family Planned Development
- ABT Land
- PWC Open Space Easement
- Federal Owned Land
- State Owned Land
- County Owned Land
- Parcel Boundary

Dominion Facilities

- Existing Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

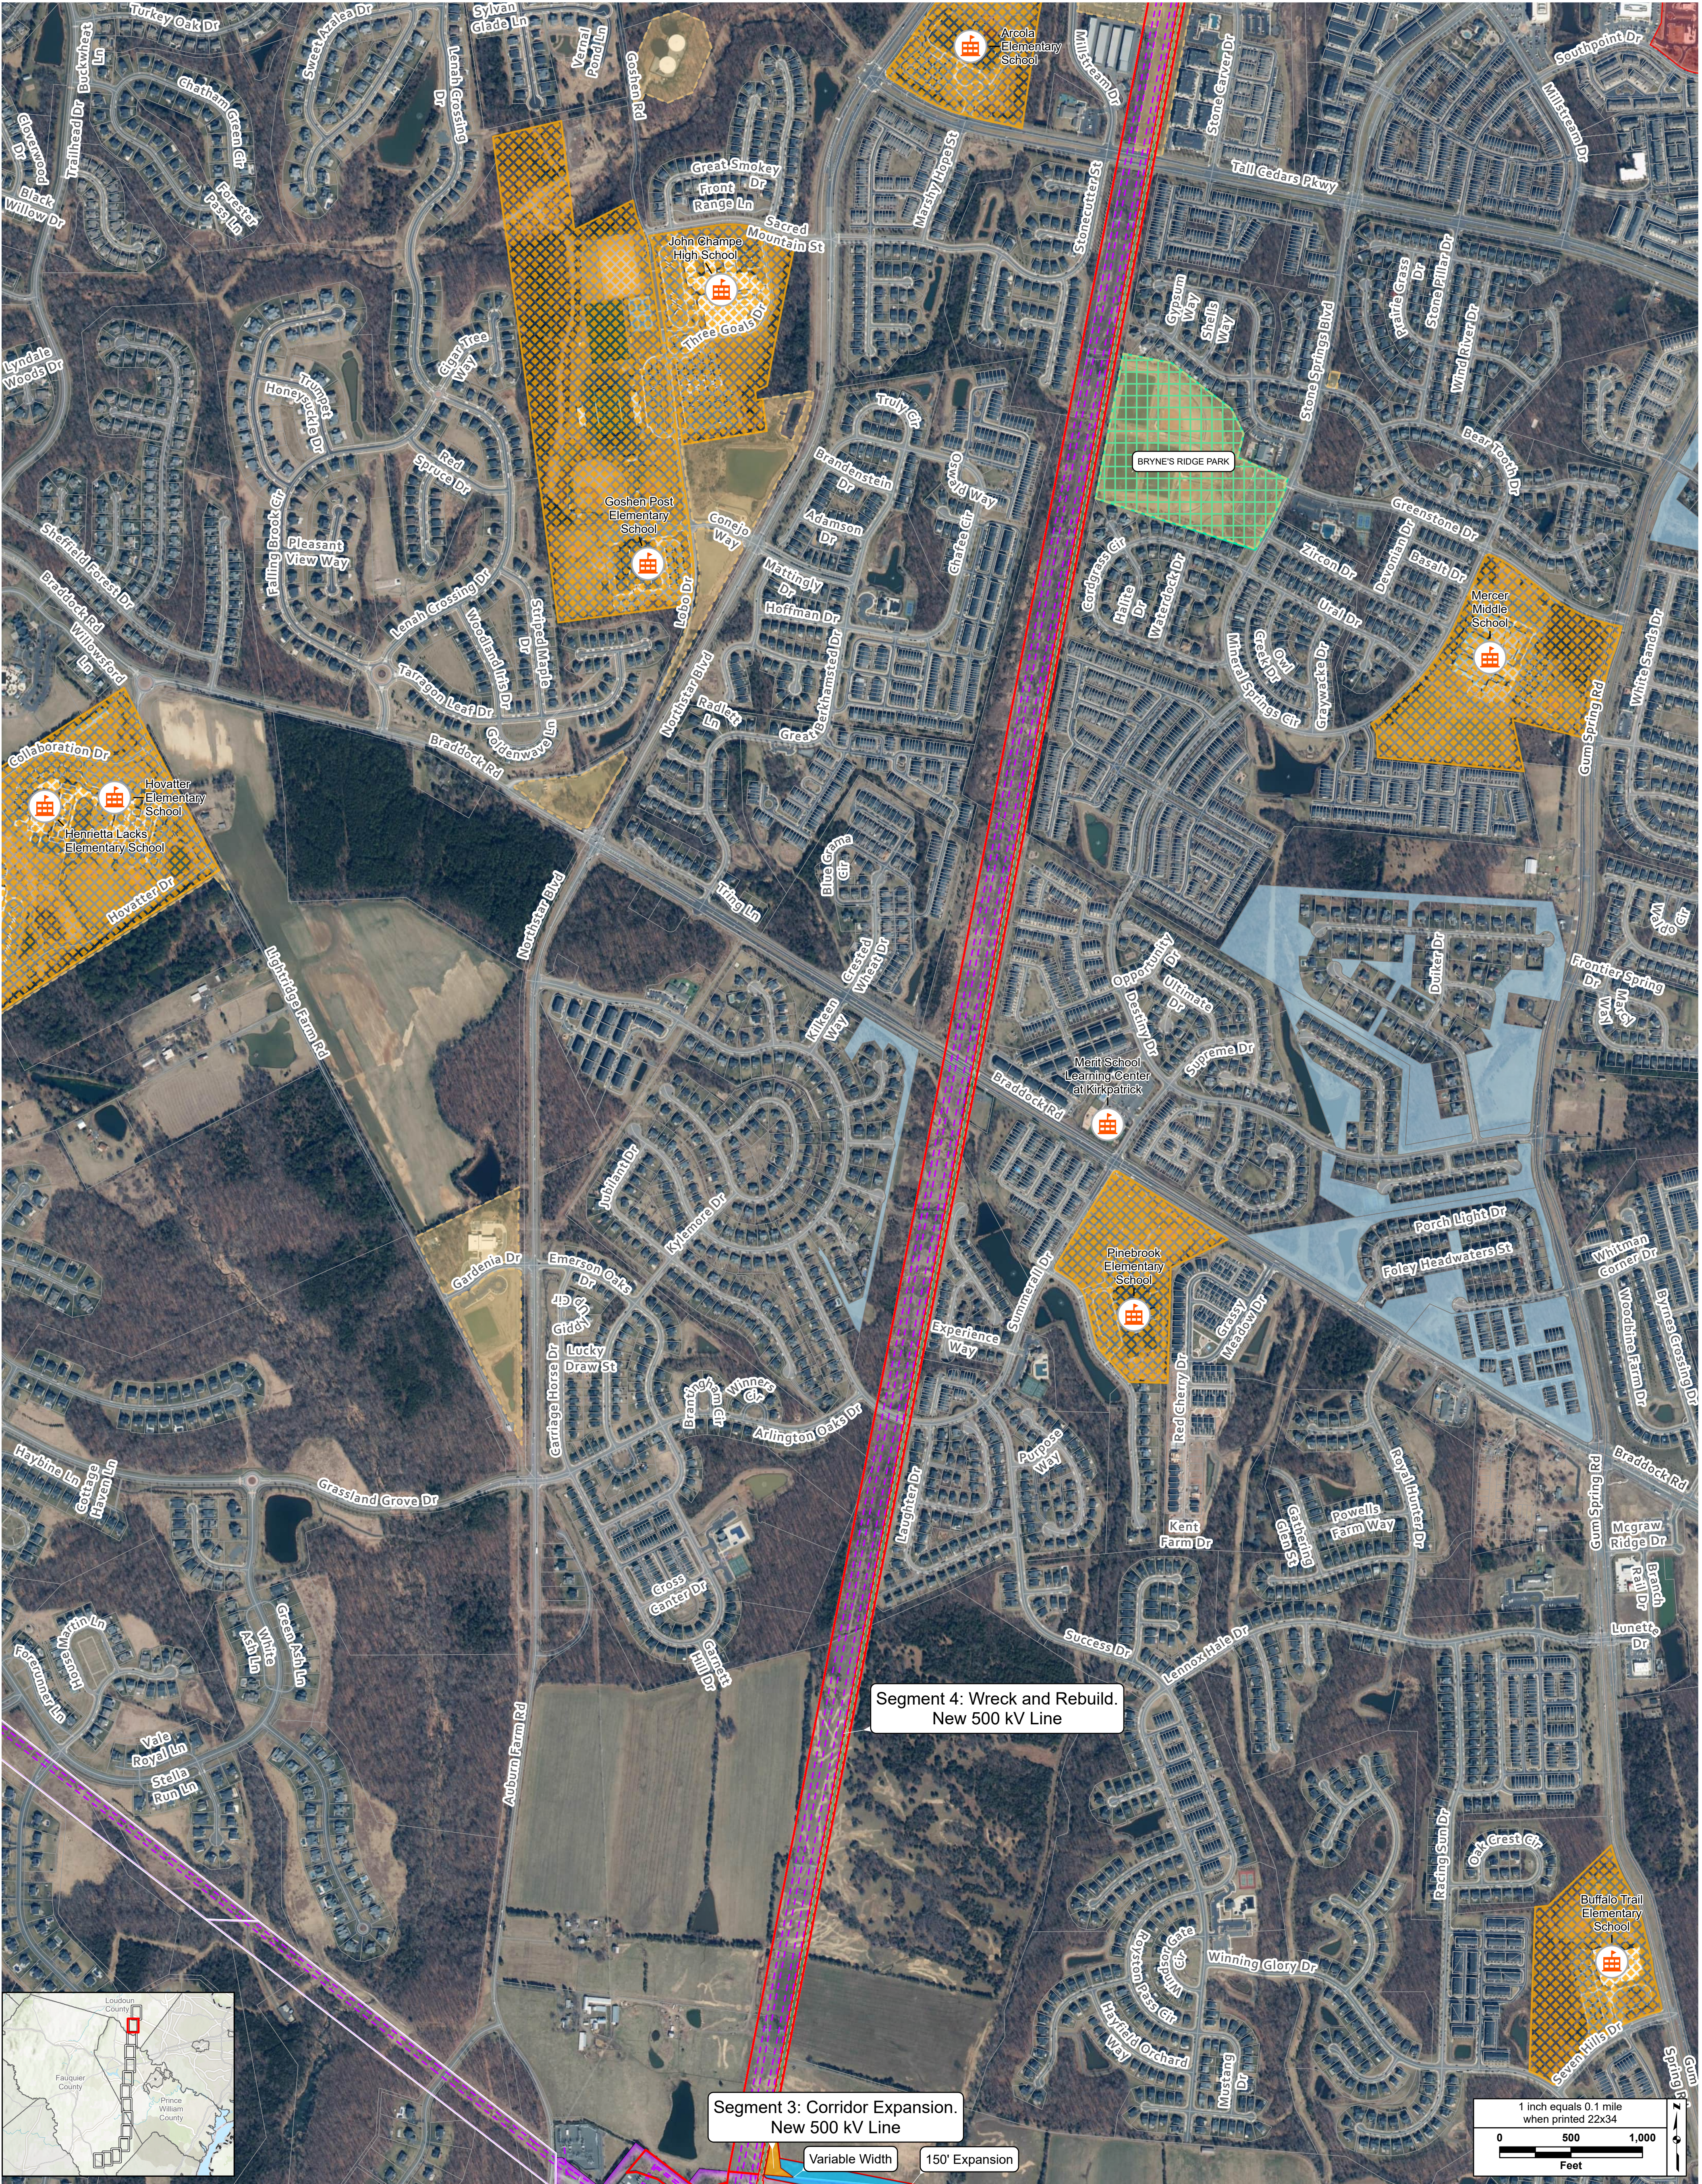

- Project Right-of-Way (Existing)
- Pageland Route 1
- Pageland Route 2
- Expansion Right-of-Way**
- 10' Expansion
- 65' Expansion
- 150' Expansion
- Variable Width

Constraints

- County Owned Land
- Parcel Boundary

Constraints: Page 13

Morrisville-Wishing Star 500-230 kV Electric Transmission Project

Dominion Facilities

- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

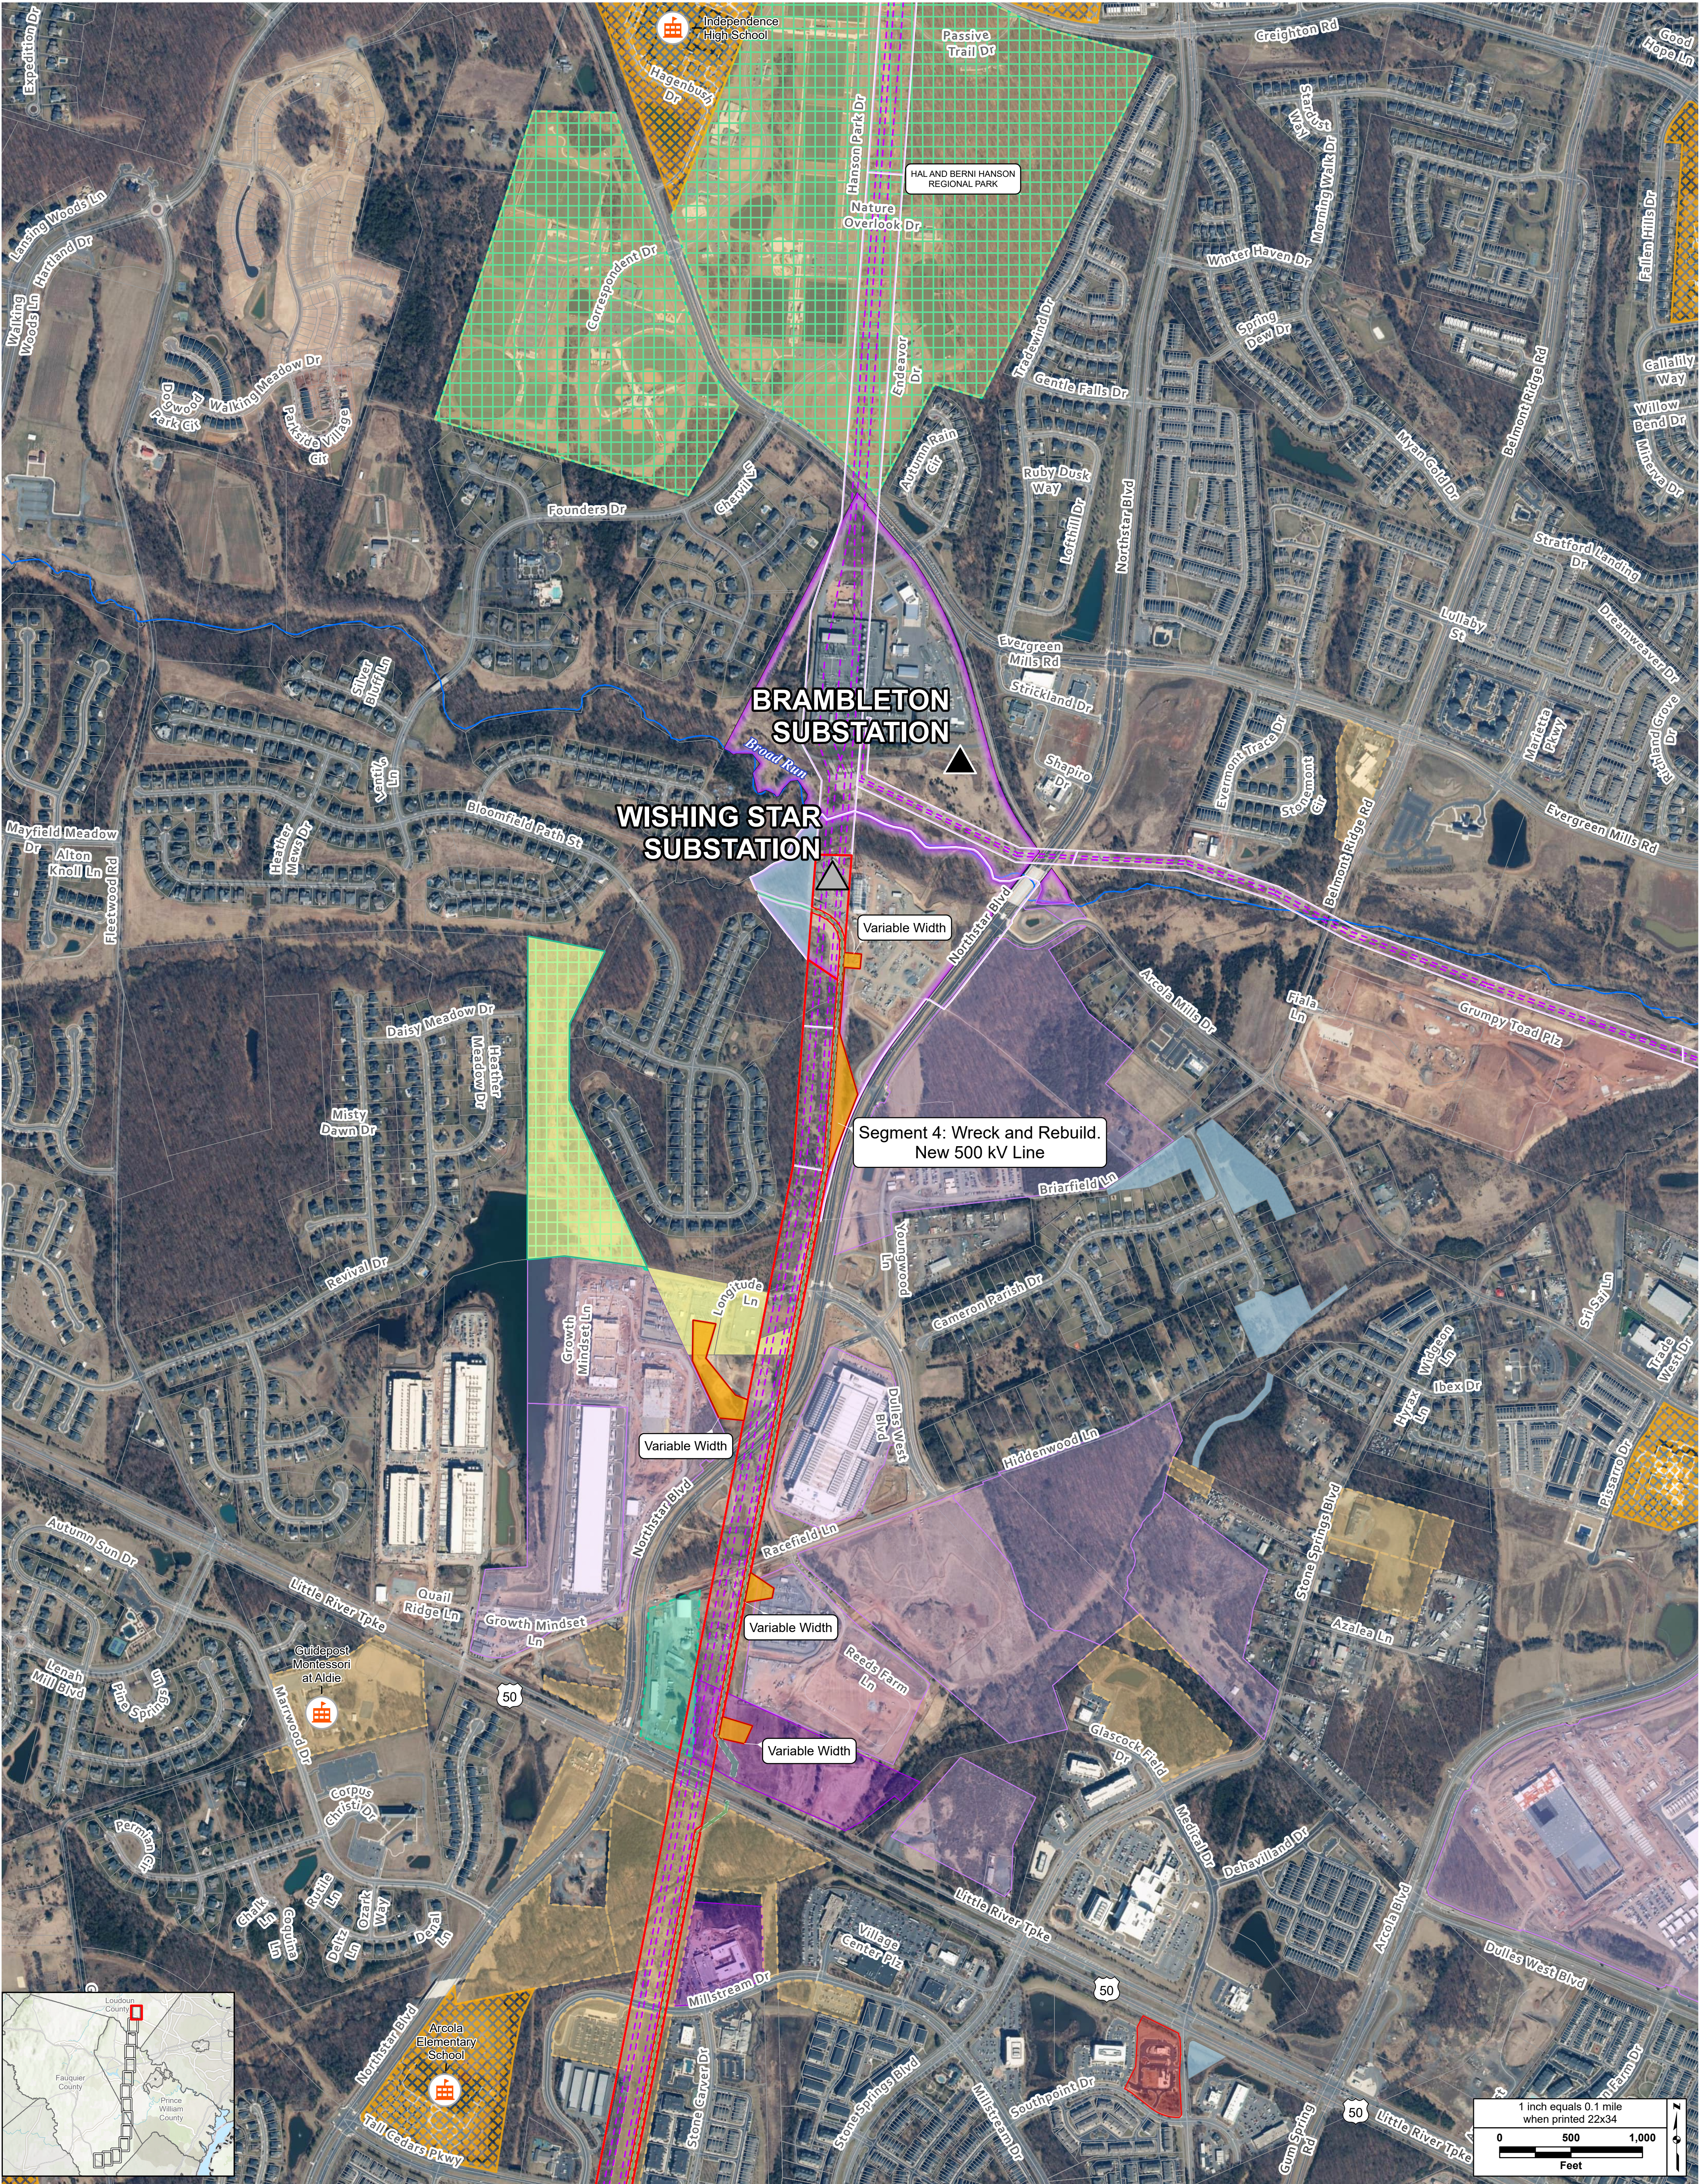

- Project Right-of-Way (Existing)
- Expansion Right-of-Way**
- 150' Expansion
- Variable Width

Constraints

- School
- Commercial/Office Planned Development
- Recreational Planned Development
- BOS Open Space Easement
- County Owned Land
- School Board Owned Land
- Parcel Boundary

Constraints: Page 14

Dominion Facilities

- Future Substation
- Existing Dominion Transmission Line
- Existing Transmission Right-of-Way
- Corridor Gas Easement
- Dominion Owned Parcel

Project Components

- Project Right-of-Way (Existing)
- Expansion Right-of-Way
- Variable Width

Constraints

- School
- Stream/River: Perennial
- Commercial/Office Planned Development
- Data Center Planned Development
- Industrial/Manufacturing Planned Development
- Single Family Planned Development
- Recreational Planned Development
- BOS Open Space Easement
- ODLC Easement
- State Owned Land
- County Owned Land
- School Board Owned Land
- Parcel Boundary
