NOKESVILLE

Transmission Line Project

KOP 6

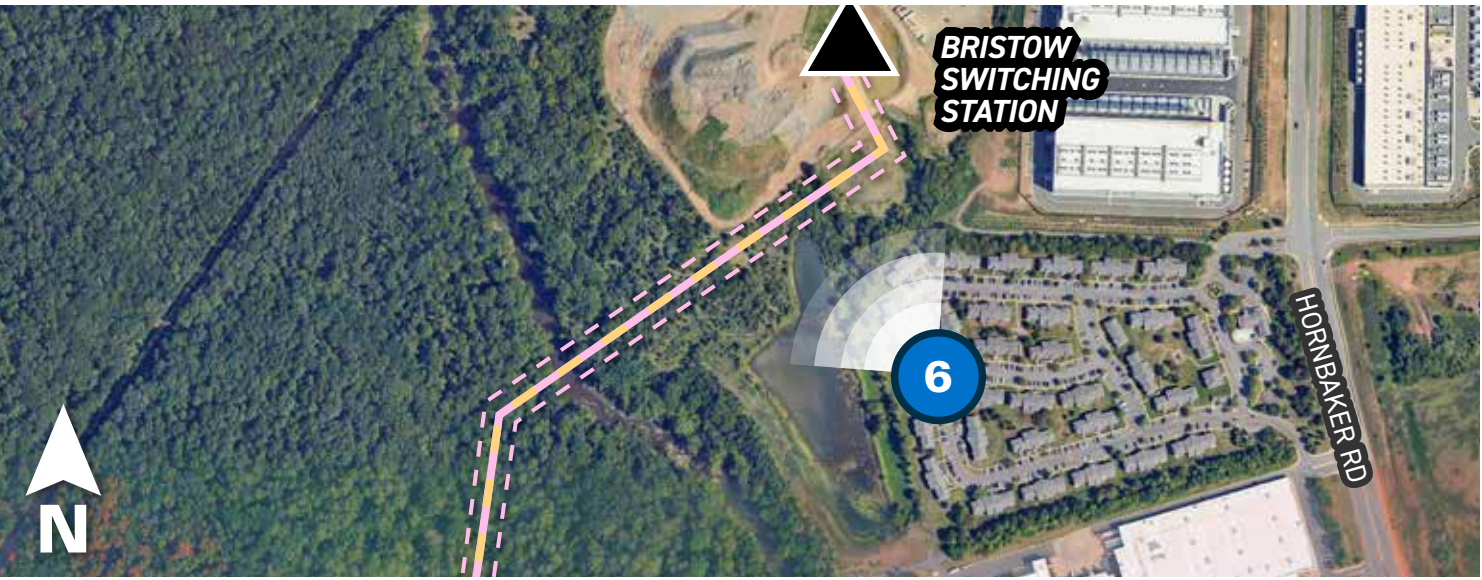

Date: 8/21/2024 Time: 2:46 p.m. Viewing Direction: Northwest

Distance to Project: 699' Location: Regency Apartments

- 6

KOP Location
- ▲

Existing Substation
- Route Variation A
- Route Variation B
- Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review

NOKESVILLE

Transmission Line Project

KOP 7

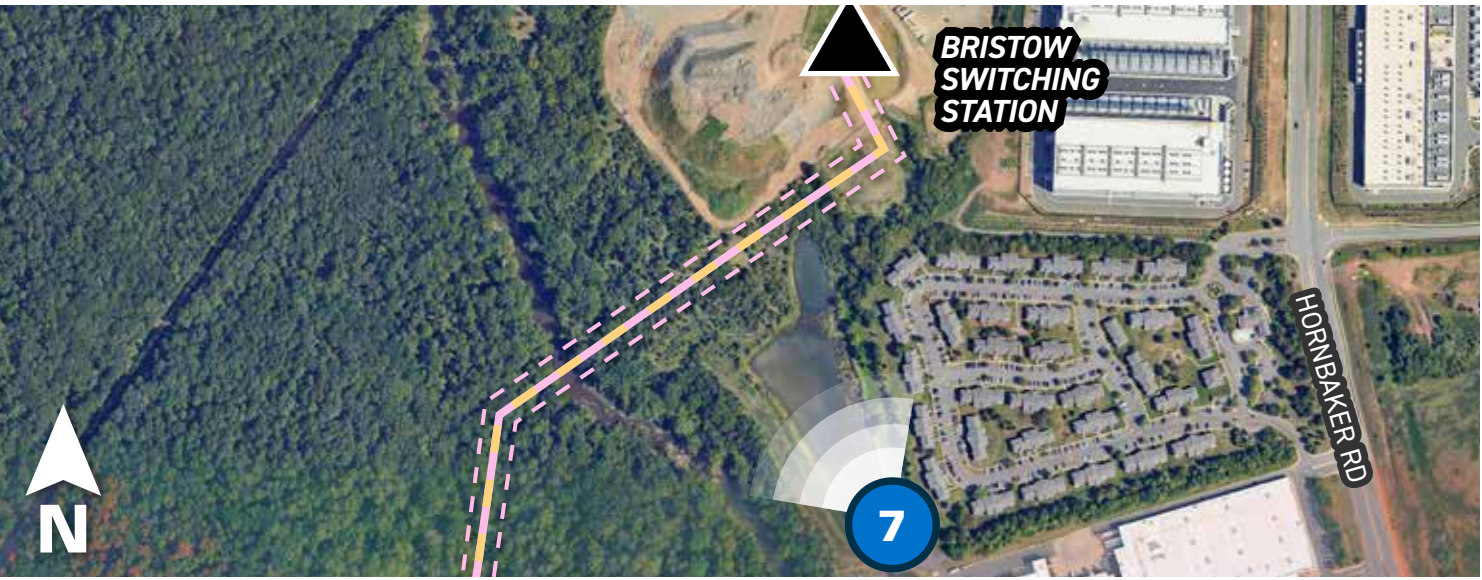

Date: 8/21/2024 Time: 2:54 p.m. Viewing Direction: Northwest

Distance to Project: 974' Location: Stormwater Pond

- 7

KOP Location
- ▲

Existing Substation
- Route Variation A
- Route Variation B
- Right-of-Way Boundary

NOKESVILLE

Transmission Line Project

KOP 8

Date: 8/18/2025 **Time:** 8:21 a.m. **Viewing Direction:** Southeast
Distance to Project: 1087' **Location:** Linton Hall Rd
8 KOP Location Route Variation A Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review

NOKESVILLE

Transmission Line Project

KOP 8

Date: 8/18/2025 **Time:** 8:21 a.m. **Viewing Direction:** Southeast
Distance to Project: 1546' **Location:** Linton Hall Rd
⑧ KOP Location — Route Variation B — Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review

NOKESVILLE

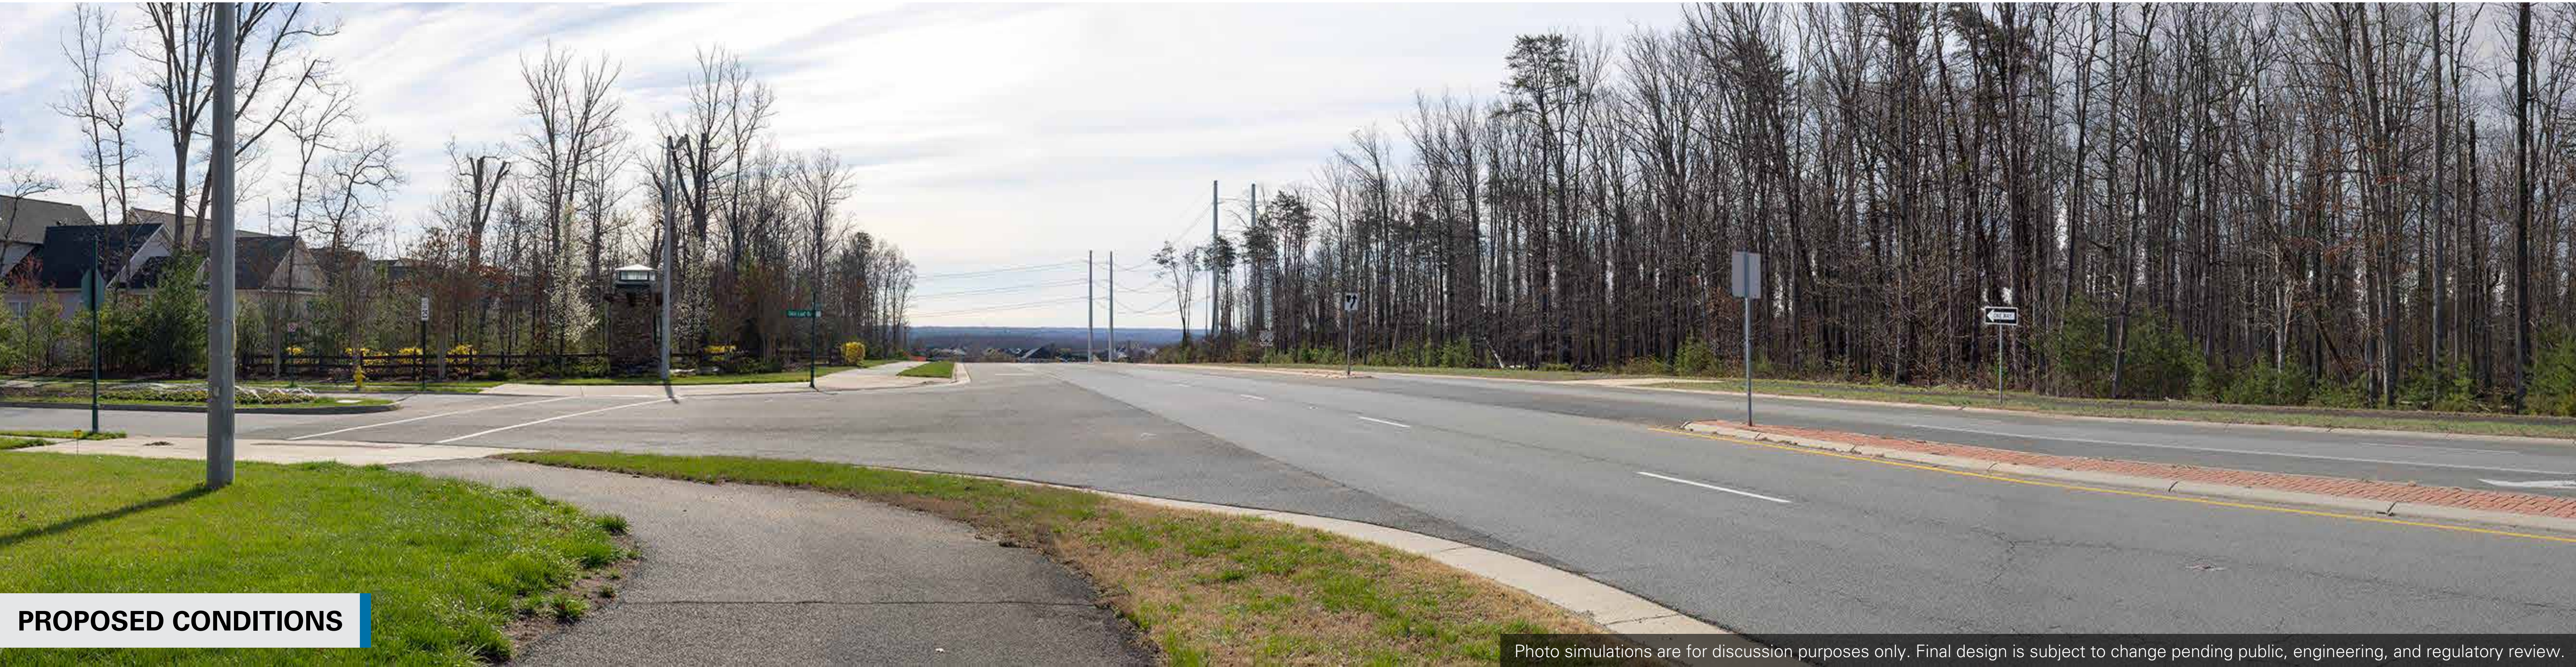

Transmission Line Project

KOP 10

Date: 3/24/2026 **Time:** 7:56 a.m. **Viewing Direction:** Southeast
Distance to Project: 893' **Location:** Vint Hill Rd
10 KOP Location Route 10 Route 11
Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review.

NOKESVILLE

Transmission Line Project

KOP 11

Date: 8/18/2025 **Time:** 10:07 a.m. **Viewing Direction:** West
Distance to Project: 2032' **Location:** Robert E Lee Dr
11 KOP Location Route 10 Route 11
Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review.

NOKESVILLE

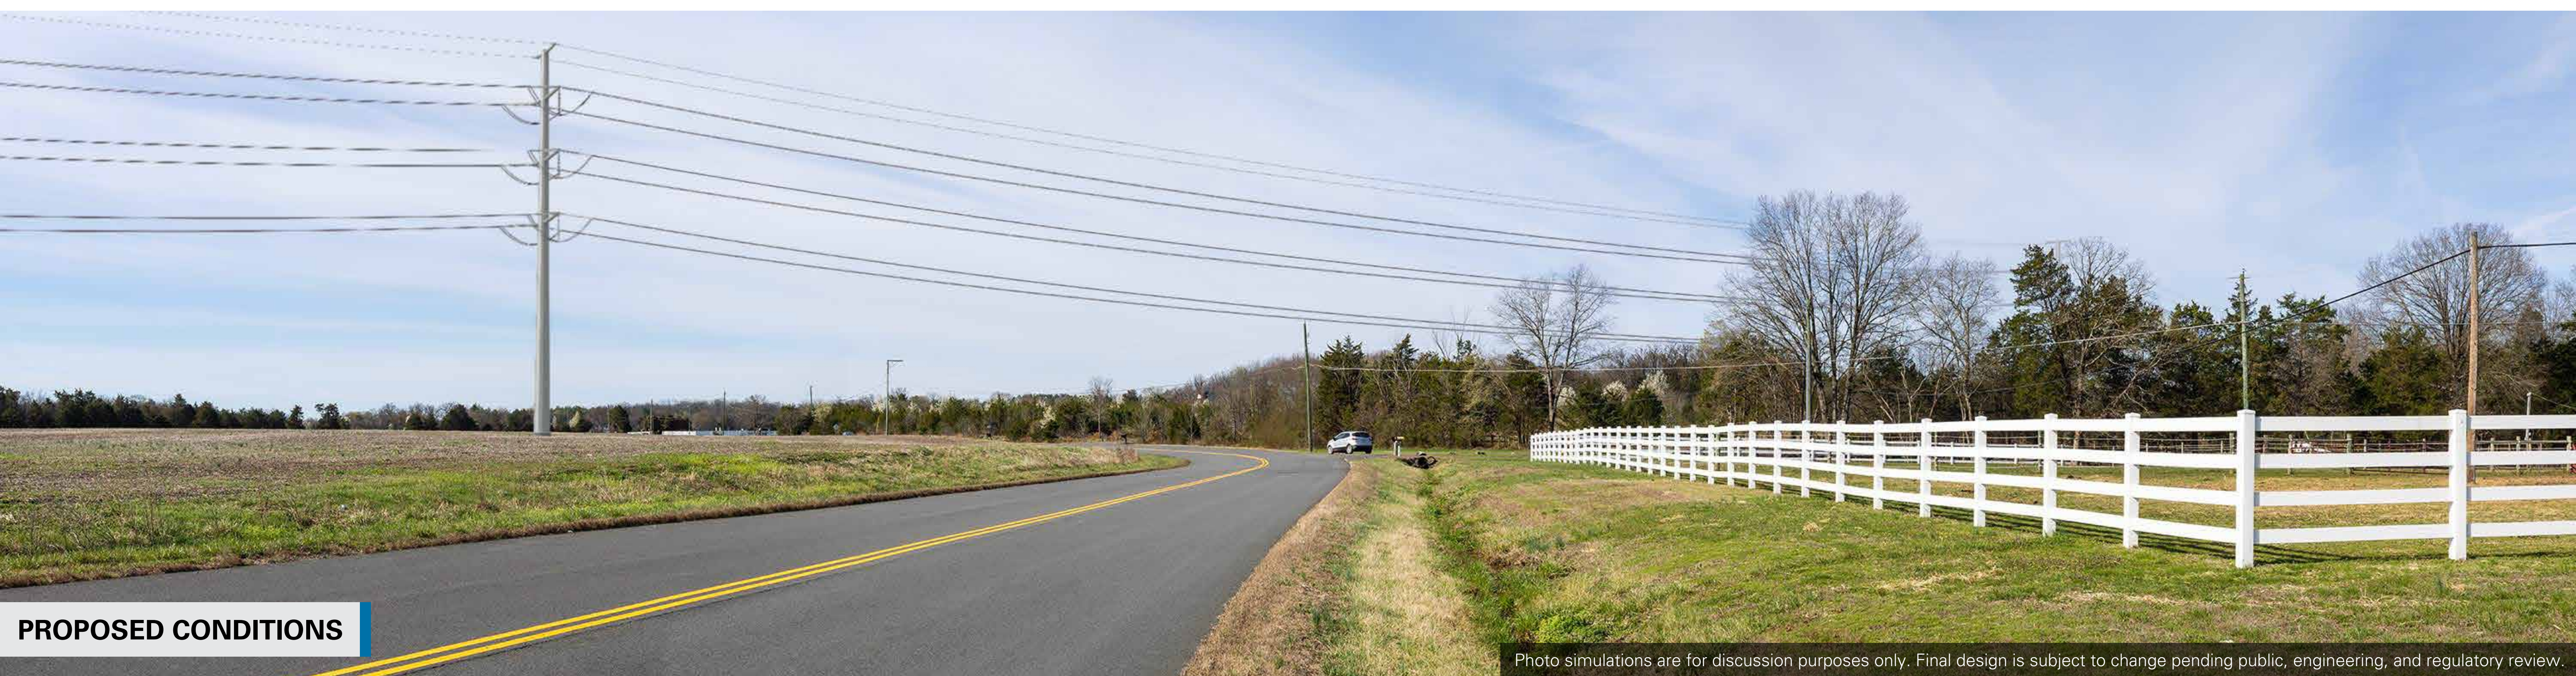

Transmission Line Project

KOP 13

Date: 3/24/2026 **Time:** 8:19 a.m. **Viewing Direction:** Southwest
Distance to Project: 480' **Location:** Kettle Run Rd
 KOP Location  Route 10  Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review.

NOKESVILLE

Transmission Line Project

KOP 14

Date: 3/24/2026 **Time:** 8:28 a.m. **Viewing Direction:** Southeast
Distance to Project: 978' **Location:** Kettle Run Rd
 KOP Location  Route 11  Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review

NOKESVILLE

Transmission Line Project

KOP 15

Date: 3/24/2026 **Time:** 9:07 a.m. **Viewing Direction:** Southwest
Distance to Project: 532' **Location:** Nokesville Rd
 KOP Location  Route 11  Right-of-Way Boundary

EXISTING CONDITIONS

PROPOSED CONDITIONS

Photo simulations are for discussion purposes only. Final design is subject to change pending public, engineering, and regulatory review.
