You're invited to a Community Meeting!

Skiffes Creek – Yorktown 230kV Rebuild

Dominion Energy is committed to providing the reliable, affordable and increasingly clean energy that powers your every day. You are receiving this postcard to notify you of an upcoming project and community meeting in your area.

The 6-mile segment of 230 kilovolt (kV) electric transmission line equipment between the Skiffes Creek substation and C&O Junction is nearing the end of its service life and needs to be rebuilt.

This project is in the development stage, with plans to file an application with the Virginia State Corporation Commission (SCC) this summer. [Join us to learn more about this project at our community meeting on Wednesday, June 10, from 5-7 p.m.](#) During the meeting, you can speak to project team members and ask them detailed questions about the project.

Your continued involvement, participation, and input are important in developing this project. Thank you for understanding as we work to maintain reliable service in your community.
