For more than 40 years, EnergyShare has provided relief for customers in need,

Including veterans, older adults and persons living with disabilities.

After expanding to South Carolina in 2020,

EnergyShare has assisted thousands

With their electric and natural gas service.

Funded by company, employee, retiree, and customer contributions,

EnergyShare is strengthening the communities we serve,

By providing a helping hand to those who need it most.

And we're just getting started.
