

Electric Rates Change

Energy Saver/Conservation Rate 6 is designed to reward residential customers who build or upgrade their homes to high efficiency standards, as prescribed by the International Energy Conservation Code. These standards are subject to change and affect ceilings, lighting, walls, floors, windows, doors, ducts, attic vents, water heaters, air conditioning, chimneys, and fireplaces.

Air conditioning systems must have a SEER rating of 1.0 SEER higher than the current ENERGY STAR requirements (minimum of SEER 16) to qualify for service under Rate 6. This rating is subject to change as energy codes are updated or revised.

Visit DominionEnergySC.com/Rate6 to obtain complete details about qualifications and the application process or by contacting our customer service number at 1-800-251-7234.

Rate 6 Residential Service

Energy Saver/Conservation Rate

Effective for bills rendered on and after the first billing cycle of May 2024.

Rate Per Month

	Summer (Billing Months June-September)	Winter (Billing Months October-May)
Basic Facilities Charge	\$9.00	\$9.00
Plus Energy Charge		
First 800 kWh @	\$0.12005 per kWh	\$0.12005 per kWh
Excess over 800 kWh @	\$0.13119 per kWh	\$0.11559 per kWh
Renewable Energy Resources	\$1.00	\$1.00

An EDIT Rider decrement (reduction) of \$0.00158 per kWh will be applied to the Energy Charges shown above.

Electric Rates Change

The Public Service Commission of South Carolina (“PSC”) approved changes to Dominion Energy South Carolina (“DESC”) retail electric rates. The effect of these adjustments is that there will be a decrease to retail electric rates. Bill impacts will vary depending upon each customer’s class of service and usage characteristics. The changes are pursuant to: 1) a decrease in the Company’s retail electric fuel factors driven by a reduction in under-collected fuel costs; 2) an increase to the Company’s Demand Side Management Component for residential customers (with slight decreases for general service customers); and 3) an increase to the Company’s Pension Costs Component. These changes will become effective for bills rendered on and after the first billing cycle of May 2024.

The Renewable Energy Resources charges, implemented in 2016 to recover costs and incentives associated with the implementation of Renewable Energy Resources in South Carolina, cannot exceed \$1 per month for residential customers, \$10 per month for commercial customers, and \$100 per month for industrial customers, in compliance with the Distributed Energy Resources Program Act of 2014.

The approved Rate 6 and Rate 8 for residential service is provided. Rates for other classes of customers may be obtained by visiting www.dominionenergy.com/south-carolina/rates-and-tariffs or contacting our customer service number at 1-800-251-7234.

Please Note: Customers experiencing trouble paying their utility bills should visit our Customer Assistance page at DominionEnergySC.com, or contact us at 1-800-251-7234. Company, Federal, and State funding exists to help qualifying customers with financial assistance.
