

NOTICE OF FILING

Dominion Energy South Carolina, Inc.'s Request for Approval for Pilot Demand Side Management Program for Income-Qualified, High-Use Residential Customers Docket No. 2025-173-E

Why is this Notice Important?

- On May 30, 2025, Dominion Energy South Carolina, Inc. ("DESC" or "Company") filed a Request for Approval for Pilot Demand Side Management Program for Income-Qualified, High-Use Residential Customers ("Pilot Program") with the Public Service Commission of South Carolina ("Commission").
- The proposed Pilot Program, if approved, will be available to single-family residential homeowners and renters.
- Commission Order No. 2024-610 instructed the Company "...to develop and file for Commission approval a pilot program that specifically targets income-qualified, high-use, single-family residential customers no later than May 31, 2025.

Will all the Company's Customers Qualify to Participate in the Pilot Program?

- No, the Pilot Program requires qualifying customers to meet the following criteria:
 - o Household income at or below 200% of the Federal Poverty Guidelines or proof of enrollment in a State or Federal Program with a similar income requirement; and
 - o Customers must have high-energy usage as defined in the Company's Request

What is included in the Proposed Pilot Program?

- Free Weatherization Services including direct installation of whole-home measures such as air sealing, duct sealing, and attic insulation; and
- Free, Comprehensive whole-home audit performed by a Building Performance Institute certified implementation contractor located within the Company's service territory; and
- Appliances are not included

Will all the Company's Residential Customers' Monthly Bills be impacted by the Pilot Program?

- If the Pilot Program is approved by the Commission, the bill of an average residential customer using 1,000 kWh per month could increase by \$0.08 in May 2026.

The case was filed in accordance with Order Nos. 2024-610 and 2024-814 and S.C. Code Ann. Section 58-37-20.
