

A man wearing a red cap, red shirt, and blue overalls is shown from the side, working in an attic. He is installing yellow insulation between wooden joists. A skylight is visible, letting in bright light.

Weatherize Your Home: Rebates & Upgrades

The Home Energy Evaluation Program provides a custom energy assessment of your home along with rebates on energy-efficient products and services – helping you save during cold weather!

Two pathways to choose – upgrades to love:

- Air sealing
- HVAC tune up or upgrade
- Smart thermostat installation
- Duct sealing
- Attic, wall, basement wall and crawl space insulation
