

Schedule CPEPP
Non-Residential Enhanced Prescriptive Program

I. PURPOSE

The Non-Residential Enhanced Prescriptive Program (“CPEPP Program”) is a voluntary program that provides qualifying non-residential customers with incentives for the installation of refrigeration, commercial kitchen equipment, HVAC improvements, window film installation and maintenance, and installation of other program specific energy efficiency measures.

The CPEPP Program is designed to reduce participants’ total energy bills as well as the amount of energy required throughout the year on the Company’s system.

II. AVAILABILITY

The CPEPP Program will be available to qualifying non-residential customers in the Company’s North Carolina service territory. Customers who elect to opt out of the DSM/EE Riders, as provided for in N.C.G.S. § 62-133.9(f), cannot participate in the CPEPP Program.

The CPEPP Program measures are listed below:

- Food Seal Wrappers
- EC Motors (Heating and Cooling)
- Heat Pump Pool Cover
- Parking Deck Ventilation
- Ozone Laundry
- Pool Pump VSD
- Commercial Dryers
- Guest Room Energy Management (GERS) Systems
- Duct Testing and Sealing
- HVAC System Tune-up
- Refrigeration
- Kitchen Appliances
- Window Film Installation
- Leaks
- No Loss Drains
- Add Storage
- Heat of Compression Dryer
- Low Pressure Drop Filter
- Efficient Air Compressor
- Cycling Refrigerant Dryer
- Dewpoint Controls
- Pressure Reduction
- Compressed Air Study
- Air Conditioner Upgrade
- Heat Pump Upgrade
- Geothermal Heat Pumps
- Water Source Heat Pumps
- Chiller Upgrade
- Economizers
- Variable Frequency Drives
- Variable Refrigerant Flow
- Unitary AC
- Mini Splits
- Smart Thermostat
- Refrigeration – Evaporator Fan Control
- Refrigeration – Floating Heat Pressure Control
- Refrigeration – Demand Defrost Control
- Refrigeration – Anti Sweat Heater
- Refrigeration – Night Covers
- Refrigeration – LED Case Lighting
- Custom

II. AVAILABILITY (Continued)

Participants can learn more about the CPEPP Program at the following web address:
<https://www.dominionenergy.com/north-carolina/save-energy>.

III. INCENTIVE PAYMENTS

The CPEPP Program also provides an average one-time incentive valued at \$10,228 per new participant for the installation of program specific energy efficiency measures.

Rebate applications must be submitted by an approved program participating contractor within 45 days of the service date. Rebate applications are typically processed within approximately 90 days after all required information has been received and verified; however, actual processing times may vary. The Company reserves the right to withhold any rebate payment until the customer has satisfactorily completed the application process. The Company and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant.
