

EnergyWise for Your Business | GET A POWER BOOST!

Earn up to 15% more on System Optimization: Dominion Energy South Carolina's Power Boost is available to eligible non-residential electric customers and is applicable to EnergyWise for Your Business programs, excluding Small Business Energy Solutions. **Customers who submit an application between September 1, 2025 and November 30, 2025 at 11:59 P.M. may be eligible for an additional 15 % incentive on System Optimization projects.** To qualify, the project must be completed by the Pre-Approval Expiration Date. Applications submitted prior to September 1, 2025 do not qualify for the additional incentive.

RULES AND GUIDELINES

- The Power Boost for System Optimization only is available to eligible non-residential electric customers and is applicable to EnergyWise for Your Business programs, excluding Small Business Energy Solutions.
- Completed applications must be submitted by November 30, 2025 at 11:59 P.M. to be eligible for an additional incentive, subject to funds availability.*
- A complete application includes all required documentation as noted within the program application.
- The Power Boost incentive will not count towards the \$150,000 annual cap per project type.
- Applicants will be notified by email with an update on their project's Power Boost eligibility/status and required completion dates to receive the promotional incentive. Projects must be completed by the Pre-Approval Expiration Date (180 days for Retrofit Projects and 360 days for New Construction) to be eligible for the bonus. Projects extended past the original pre-approval date will not be eligible for the Power Boost incentive.
- System Optimization projects require pre-approval prior to ordering, purchasing, or installing equipment.
- The Power Boost incentive is available on a first come, first served basis.
- The Power Boost may be discontinued once all available funds are fully reserved.
