	Dominion Energy® RESIDENTIAL CHARGER PROGRAM	Dominion Energy® EV CHARGER REWARDS (EQUIPMENT REBATE)	Dominion Energy® EV CHARGER REWARDS (DEMAND RESPONSE INCENTIVE)	Dominion Energy® RESIDENTIAL EV TELEMATICS PILOT	Dominion Energy® OFF-PEAK PLAN
PROGRAM SUMMARY	Turnkey EV charger installation program that includes charger, make-ready work, installation, permitting, and 5-year warranty.	Provides equipment rebate (\$125) for Level 2 EV charger purchase. By accepting the rebate, customers must also enroll in the Demand Response portion of the program.	Annual Demand Response incentive (\$40) for allowing the Company to leverage customer's charger during periods of high electric demand.	Program will automatically schedule EV charging around times when electricity is most in demand, and reward drivers for participating in helping to manage energy use.	Voluntary whole-house time-of-use rate for residential customers with a smart meter. Customers can save money when they use electricity during off-peak and super off-peak hours.
