	Dominion Energy® <b>RESIDENTIAL CHARGER PROGRAM</b>	Dominion Energy® <b>RESIDENTIAL EV TELEMATICS PILOT</b>	Dominion Energy® <b>OFF-PEAK PLAN</b>
PROGRAM SUMMARY	Turnkey EV charger installation program that includes charger, make-ready work, installation, permitting, and 5-year warranty.	Program will automatically schedule EV charging around times when electricity is most in demand, and reward drivers for participating in helping to manage energy use.	Voluntary whole-house time-of-use rate for residential customers with a smart meter. Customers can save money when they use electricity during off-peak and super off-peak hours.
