Pool Pump Rebate Application

Terms and Conditions

Powering Your Every Day.

Applicant Eligibility

1. Applicants must be the customer of record OR own the facility where the installation occurred for an active Dominion Energy South Carolina residential electric account. Applicants who are not the account holder, but do own the property where the service was performed, may apply by including an IRS Form W9, which can be found at www.irs.gov/pub/irs-pdf/fw9.pdf.
2. Rebates are valid for newly purchased pool pump equipment for a newly installed and or existing pool. An itemized invoice is required with the application which includes the model number to verify eligibility. Only ENERGY STAR certified variable speed pool pumps will qualify. Limit two rebates per program year.
3. All equipment must be installed prior to the submission of the rebate application. Multiple rebates for the same piece of equipment are not permitted.
4. Applicants are responsible for ensuring that equipment installed for this program meets all applicable codes, standards and requirements.
5. Removed equipment must be legally disposed of and must not be reinstalled in our service territory or transferred to any other party for installation in our service territory.
6. Applicants must submit a completed Pool Pump Rebate Application along with a copy of proof of purchase (detailed installation invoice or receipt) **within 90 days** of installation.

Other Conditions

1. Dominion Energy South Carolina's Heating & Cooling and Equipment Rebate Program has been approved by the Public Service Commission of South Carolina and may be subject to change or modification, without prior notice, at any time.
2. Rebate payments will be in the form of checks and made out to the account holder (customer), unless an IRS Form W9 is submitted, as stated in #1 under Applicant Eligibility.
3. Should equipment for which a rebate was paid be removed after the rebate is paid, the applicant will reimburse Dominion Energy South Carolina for the rebate paid plus associated legal and/or collection related costs and expenses.
4. Dominion Energy South Carolina reserves and the Applicant grants Dominion Energy South Carolina the right to inspect the installation. Should the facility not have the qualifying equipment installed, contrary to the information contained in the Application, the rebate must be repaid to Dominion Energy South Carolina.
5. Dominion Energy South Carolina reserves the right to amend or discontinue this program without notice.
6. Rebates will be processed approximately four to six weeks after receipt of a completed Rebate Application and proof of purchase (detailed installation invoice). Incomplete applications are subject to delay or denial.
7. Dominion Energy South Carolina does not warrant the performance of the equipment or that the equipment will result in reduced usage or demand or lower energy costs.
