

## **ELECTRIC TRANSMISSION'S OUT-YEAR BUDGET PROJECTIONS**

Virginia Electric and Power Company (VEPCO)

August 8, 2022

Upon request, VEPCO will make available to an entity, a state regulatory commission, or a party as described in one of the categories below, an estimate of VEPCO's electric transmission out-year budget projections of total transmission plant in service and total transmission O&M as of August 8, 2022 for the calendar years of 2024 and 2025.

- An entity that is, or may become, a customer taking transmission service on the VEPCO facilities operated by PJM Interconnection, L.L.C. (the "Transmission Provider").
- Any state regulatory commission with jurisdiction over the VEPCO facilities located in the area served by the Transmission Provider.
- Any party having standing under Section 206 of the Federal Power Act (an "Interested Party") as described in Attachment H-16 of the Transmission Provider's Open Access Transmission Tariff.
