

Katheryn B. ‘Kathy’ Curtis
Senior Vice President–Generation
Dominion Energy Virginia

Katheryn B. “Kathy” Curtis is senior vice president–Power Generation, Dominion Energy Virginia.

Her team oversees the operation of Dominion Energy’s approximately 20,000 MW coal, oil, gas, hydro, and renewable generation portfolio across the multiple states in which we operate in both merchant and regulated utility markets.

Curtis joined the company in 1981 and has held numerous leadership positions in the corporate support departments of Human Resources, Supply Chain Management, Information Technology, and New Asset Acquisition & Integration. Her longest tenure has been in Power Generation, where she held leadership responsibilities for several power stations and served as vice president–Merchant Operations. She assumed her current post in January 2014.

She is a member of the board of trustees of the Virginia Holocaust Museum in Richmond and the board of directors of the University of Virginia’s College at Wise. She also is a board member of the Association of Edison Illuminating Companies and serves on its Power Generation Committee.

Curtis earned a bachelor’s degree in liberal arts from the University of Virginia in 1981 and her executive MBA from Virginia Commonwealth University in 1998.
