

Michele L. Cardiff
Senior Vice President, Controller and Chief Accounting Officer

Michele Cardiff is senior vice president, controller and chief accounting officer.

She oversees the accounting function and services for all of Dominion Energy's operating companies.

Cardiff joined the company in 1996 as a senior accountant and became manager–Corporate Accounting in October 2000. In October 2005, she was named director–Corporate Accounting. She became assistant controller for the Services Company in November 2008 and controller–Dominion Generation in June 2009. She was named vice president and general auditor in September 2012 and vice president–Accounting in January 2014. In April 2014, she was named vice president, controller, and chief accounting officer and assumed her current position in October 2020.

Prior to joining the company, Cardiff worked for the public accounting firm Deloitte & Touche and held an internal auditing position at Reynolds Metals. She also worked as a consultant for IBM.

Cardiff serves on the state board of directors of the March of Dimes and previously served on the board of directors of the School of Performing Arts in the Richmond Community (SPARC).

Cardiff earned her bachelor's degree in accounting from Virginia Tech. She is a certified public accountant and a member of the American Institute of Certified Public Accountants.
