

**P. Rodney Blevins**  
**President-Dominion Energy South Carolina**

P. Rodney Blevins is president-Dominion Energy South Carolina.

He oversees Dominion Energy's regulated utility in South Carolina serving about 1.1 million electric and gas customer accounts.

Blevins joined Dominion in June 1987 as an associate engineer and held several positions across the electric distribution business. He was named vice president—Electric Operations in 2006, responsible for the operation of the company's electric distribution assets. He was appointed senior vice president and chief information officer in 2014, became president and chief executive officer of the Southeast Energy Group in January 2019, and assumed his current role in December 2019.

He serves on the board and executive committee for the South Carolina Chamber of Commerce, as well as the boards for the Charleston Chamber of Commerce and South Carolina Manufacturer's Alliance.

Blevins earned a bachelor's degree in electrical engineering from Virginia Tech and completed the advanced management program at Duke University's Fuqua School of Business.
