| National Governors Association Center for Best Practices | \$60,000      |

Monthly PAC contribution reports can be viewed on the PAC Contributions site. The disclosures made on this website are in addition to applicable federal and state campaign finance disclosure requirements.

Dominion Energy no longer makes contributions to independent-only political expenditure committees in support of or in opposition to a campaign (also known as Super PACs), effective October 18, 2021. No independent political expenditures were made during 2022. Dominion Energy does not make payments to influence the outcome of ballot measures.

(1) Includes contributions to certain 501(c)(4) tax-exempt organizations which appear they may utilize some funds for policy or political purposes.

(2) Includes trade associations and other tax-exempt organizations who may lobby and/or participate in grassroots lobbying (i) to which Dominion Energy made payments greater than \$50,000 for dues and (ii) which notified Dominion Energy of the portion used by that organization for expenditures or contributions that if made directly by Dominion Energy would not be deductible under section 162(e) of the Internal Revenue Code.

(3) Reported amount represents the estimated portion of Dominion Energy's dues or payment that if made directly by Dominion Energy would not be deductible under section 162(e) of the Internal Revenue Code and is based upon information requested and received by Dominion Energy. Reported amounts do not include amounts for which the trade association directly pays tax on the portion that is not deductible under section 162(e) of the Internal Revenue Code.

(4) Includes payments greater than \$50,000, in the aggregate, to national 501(c)(3) tax-exempt organizations whose predominate purpose is to provide venues for the exchange of ideas on matters of public policy.
