

00:00:02,802 --> 00:00:05,171

This is the history of the state.

00:00:05,171 --> 00:00:07,640

This is the history of

Columbia, South Carolina.

00:00:11,878 --> 00:00:12,946

If we were sitting here

00:00:12,946 --> 00:00:16,349

160 years ago, we would have

heard that cannonball firing.

00:00:16,349 --> 00:00:18,618

We would have seen smoke from the fires.

00:00:18,618 --> 00:00:20,320

We would have seen the flames that night

00:00:20,320 --> 00:00:24,524

It's pretty powerful when that

history that you read about,

00:00:24,524 --> 00:00:28,395

you hear about, suddenly comes into reality

and you can hold it in your hand.

00:00:28,461 --> 00:00:32,198

The fact that it's still here,  
the fact that it's been sitting

00:00:32,198 --> 00:00:36,536

in the middle of downtown  
Columbia for 158 years now,

00:00:36,536 --> 00:00:38,905

it's pretty amazing to kind of see  
that stuff coming out of here.

00:00:38,905 --> 00:00:43,343

The efforts that Dominion went through to  
dewater this and to collect all this,

00:00:43,343 --> 00:00:45,045

it's unprecedented at this point.

00:00:45,045 --> 00:00:47,881

There's nothing like it at all.
