

DE&I 2023 report – Anchor Video Transcript

00;00;00;12 - 00;00;08;05

At Dominion Energy. We're unique individuals with one common goal becoming the most sustainable energy company in America.

00;00;08;20 - 00;00;23;17

Diversity, equity and inclusion are essential to that vision and play a crucial role in our pursuit of it. They make us stronger, more innovative, better equipped to lead the clean energy transition.

00;00;24;10 - 00;00;38;25

We've made progress in all these areas, and we're committed to doing more. And because we believe actions speak louder, we fulfill our commitments with concrete steps that move us forward and produce tangible results that reflect those efforts.

00;00;39;15 - 00;00;52;01

From our board of directors to our diversity councils and employee research groups. We are building a culture where everyone feels welcome, not regardless of who they are, but because of it.

00;00;52;24 - 00;01;02;08

Providing safe, reliable, affordable and increasingly clean energy around the clock is what we do. Working together as one Dominion Energy is how we do it.

00;01;03;04 - 00;01;07;25

Dominion Energy. Growing stronger. Together.
