**WATEREE STATION ASH POND – INCISED POND EXEMPTION**

**PURPOSE**

The purpose of this report is to demonstrate that the Wateree Station Ash Pond is exempt from the requirements in the CCR Rule Section 257.73 (a).

Section 257.73 (a) states, *The requirements of paragraphs (a)(1) through (4) of this section apply to all existing CCR surface impoundments, except for those existing CCR surface impoundments that are incised CCR units.*

**STATEMENT**

The Wateree Station Ash Pond is an incised pond. Pursuant to section 257.73 (a), the Wateree Ash Pond is exempt from the requirements of subsections 257.73 (a)(1), (2), (3), and (4).
