

SOUTH CAROLINA ELECTRIC & GAS

LOCATION RESTRICTIONS

FOR THE

WATEREE STATION

ASH POND

RICHLAND COUNTY, SOUTH CAROLINA

OCTOBER 2018

PURPOSE

The purpose of this report is to demonstrate that the Wateree Station Ash Pond meets the Location Restriction requirements of the CCR Rule...

40 CFR Part 257 – Criteria for Classification of Solid Waste Disposal Facilities and Practices, Subpart D – Standards for the Disposal of Coal Combustion Residuals in Landfills and Surface Impoundments.

STATEMENT

The Ash Pond is currently undergoing closure by complete removal of CCR material. Demonstrations to certify that the unit meets the criteria of the Location Restrictions are not compulsory.
