

**EXTENSION OF CLOSURE TIMEFRAMES DEMONSTRATION
YORKTOWN POWER STATION LANDFILL**

The Yorktown Power Station Landfill (Landfill) is located at 2347 Wolf Trap Road in York County, Virginia. The Landfill is an existing Coal Combustion Residual (CCR) landfill as defined by the Federal Hazardous and Solid Waste Management System; Disposal of Coal Combustion Residuals from Electric Utilities; Final Rule (40 CFR Part 257, Subpart D; the *CCR rule*) and is currently undergoing final closure in accordance with the CCR rule and the Station's Virginia Solid Waste Permit (SWP #457). Closure of the landfill has taken additional time beyond the estimated schedule noted in the approved Closure Plan (March 2018).

Pursuant to 40 CFR 102(f)(2), Virginia Electric and Power Company d/b/a Dominion Energy is submitting this Extension of Closure Timeframes Demonstration to acknowledge the additional time necessary to close the landfill. Under the existing closure plan, it was anticipated final closure would be completed within a seven-month period. Due to seasonal weather, precipitation, and the resultant workability of the landfill materials and final cover soils, it is now anticipated that closure will need to be extended to a total period of ten to twelve months or an additional three to five-month period. Closure is now anticipated to be completed between May-July 2020.

The Closure Plan has been modified to reflect this updated schedule and submitted to the Virginia Department of Environmental Quality for approval and addition as a referenced document in the SWP #457.

CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this demonstration and all attached documents, and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.
