

**NOTIFICATION OF INTENT TO CLOSE CCR LANDFILL
YORKTOWN POWER STATION LANDFILL**

The Yorktown Power Station Landfill (Landfill) is located at 2347 Wolftrap Road in York County, Virginia. The Landfill is an existing Coal Combustion Residual (CCR) landfill as defined by the Federal Hazardous and Solid Waste Management System; Disposal of Coal Combustion Residuals from Electric Utilities; Final Rule (40 CFR Part 257, Subpart D; the *CCR rule*). Dominion is making notification of its intent to close the Landfill under the requirements of §257.102(d) of the CCR rule. This Notification of Intent (NOI) to close a CCR landfill has been prepared pursuant to §257.102(g) of the CCR rule.

The Yorktown Landfill will complete closure in accordance with §257.102(d) by leaving the CCR in-place. The cover system to be installed is compliant with §257.102(d)(3) and this professional engineer certification meets the requirements of §257.102(d)(3)(iii).

As used herein, the word “certification” and/or “certify” shall mean an expression of the Engineer’s professional opinion to the best of his or her information, knowledge, and belief, and does not constitute a warranty or guarantee by the Engineer.
