Beaumeade – Buttermilk and Beaumeade – Paragon Park 230 kV Reconductor Projects: W&OD Trail Detours

Dear Neighbor:

At Dominion Energy, we are committed to providing the latest information on work being done in the communities we serve. You are receiving this letter to update you on the Virginia Department of Transportation (VDOT)-approved W&OD Trail detours. The detours are necessary due to wire replacement, a process known as reconductoring, on two existing transmission lines near your property in Loudoun County, Virginia. One transmission line is between our Beaumeade Substation on Smith Switch Road and our Buttermilk Substation southeast of the intersection of Waxpool Road and Loudoun County Parkway. The other transmission line is between our Beaumeade Substation and our Paragon Park Substation north of the W&OD Trail between Loudoun County Parkway and Pacific Boulevard. This work is necessary to maintain electric reliability for our customers.

About one mile of the project will occur along the W&OD Trail between Smith Switch Road and west of Pacific Boulevard. Between March and May 2023, there will be temporary impacts to the trail during construction, such as:

- Trail traffic may be temporarily stopped for 15-minute intervals
- Trail users may be directed to use either the gravel or paved path when one path is temporarily closed
- Equipment will be staged along the transmission line corridor

The W&OD Trail will be temporarily closed. Dates are subject to change. To ensure the safety of pedestrians and cyclists, a VDOT-approved detour route with directional signage will be posted each week. The closed trail will be patrolled by law enforcement. A map is enclosed for your reference.

- **March 20 – 24, 2023: The W&OD Trail (both paved and gravel paths) will be closed between Pacific Boulevard and Smith Switch Road.**
- **May 1 – 5 and 15 – 19, 2023: The W&OD Trail (both paved and gravel paths) will be closed between Loudoun County Parkway and Smith Switch Road.**

Our work will be completed in May 2023, and your electric service is not expected to be interrupted as a result. As the project progresses, additional updates will be provided. We are committed to working safely and courteously and will restore the area once work is complete.

Thank you for your patience and understanding. For more information about this project, visit [DominionEnergy.com/Buttermilk](https://www.dominionenergy.com/Buttermilk) or contact us by calling 888-291-0190 or by sending an email to powerline@dominionenergy.com.

Please note: In April, there are other W&OD Trail impacts occurring between Claiborne Parkway and Tuscarora Creek Park. For information about our other transmission line project and the planned W&OD Trail detour, visit [DominionEnergy.com/Belmont](https://www.dominionenergy.com/Belmont).

Sincerely,

The Electric Transmission Project Team

Beaumeade – Buttermilk and Beaumeade – Paragon Park 230 kV Electric Transmission Reconductor Projects

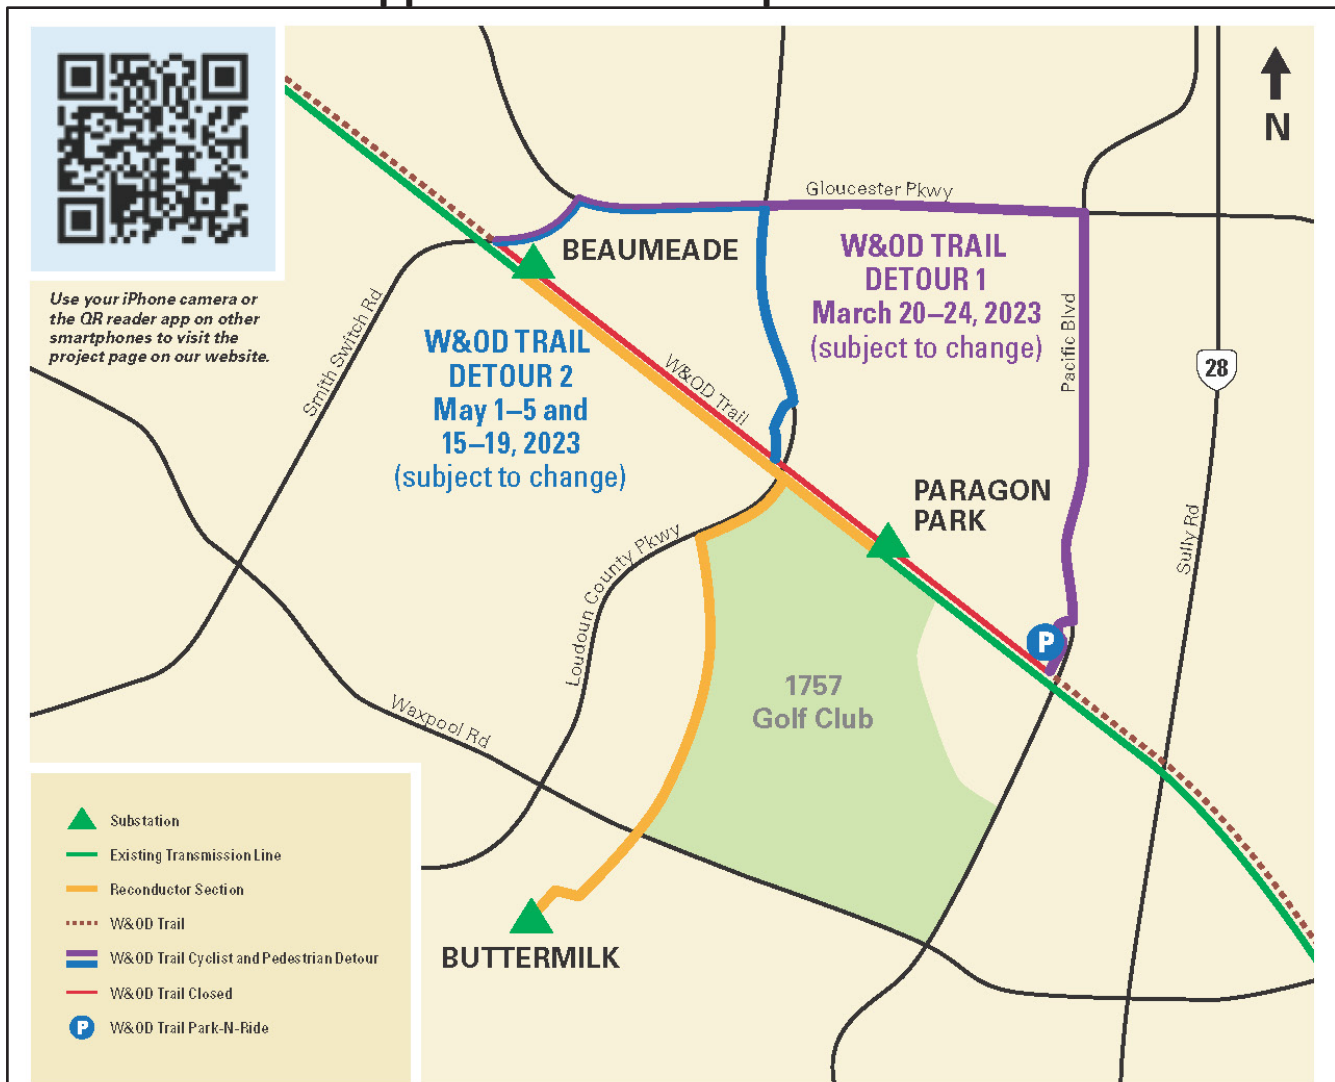

At Dominion Energy, we are replacing wires, a process known as reconductoring, on two existing 230 kilovolt (kV) electric transmission lines between our Beaumeade Substation and our Buttermilk and Paragon Park substations in Loudoun County, Virginia. This project will maintain safe and reliable electric service for the community.

W&OD Trail Closure March 20 – 24, 2023

*Dates subject to change

**WHERE: Between Pacific Boulevard and Smith Switch Road
~ 2.2-mile VDOT-approved detour on paved sidewalks**

W&OD Trail Detour #1

Westbound toward Leesburg

- From W&OD Trail, cross over Pacific Boulevard, and turn right onto path into the Park-N-Ride lot
- Follow path from parking lot to sidewalk parallel to Pacific Boulevard
- Turn left on Pacific Boulevard detour path
- Stay on detour path parallel to Pacific Boulevard, using marked crosswalks at intersections
- Turn left on Gloucester Parkway detour path
- Stay on detour path parallel to Gloucester Parkway, using marked crosswalks at intersections
- Cross over Smith Switch Road and turn left to follow detour path parallel to Smith Switch Road
- Turn right onto the W&OD Trail and continue west on the W&OD Trail

Eastbound toward Herndon

- From W&OD Trail, turn left to follow detour path parallel to Smith Switch Road
- Turn right on Gloucester Parkway sidewalk
- Stay on detour path parallel to Gloucester Parkway, using marked crosswalks at intersections
- Turn right on Pacific Boulevard
- Stay on detour path parallel to Pacific Boulevard, using marked crosswalks at intersections
- Turn right into the Park-N-Ride lot by Pacific Boulevard
- Follow path from the parking lot onto the W&OD Trail
- Turn left on the W&OD Trail and continue east

Both paved and gravel paths will be closed and patrolled by law enforcement.

Beaumeade – Buttermilk and Beaumeade – Paragon Park 230 kV Electric Transmission Reconductor Projects

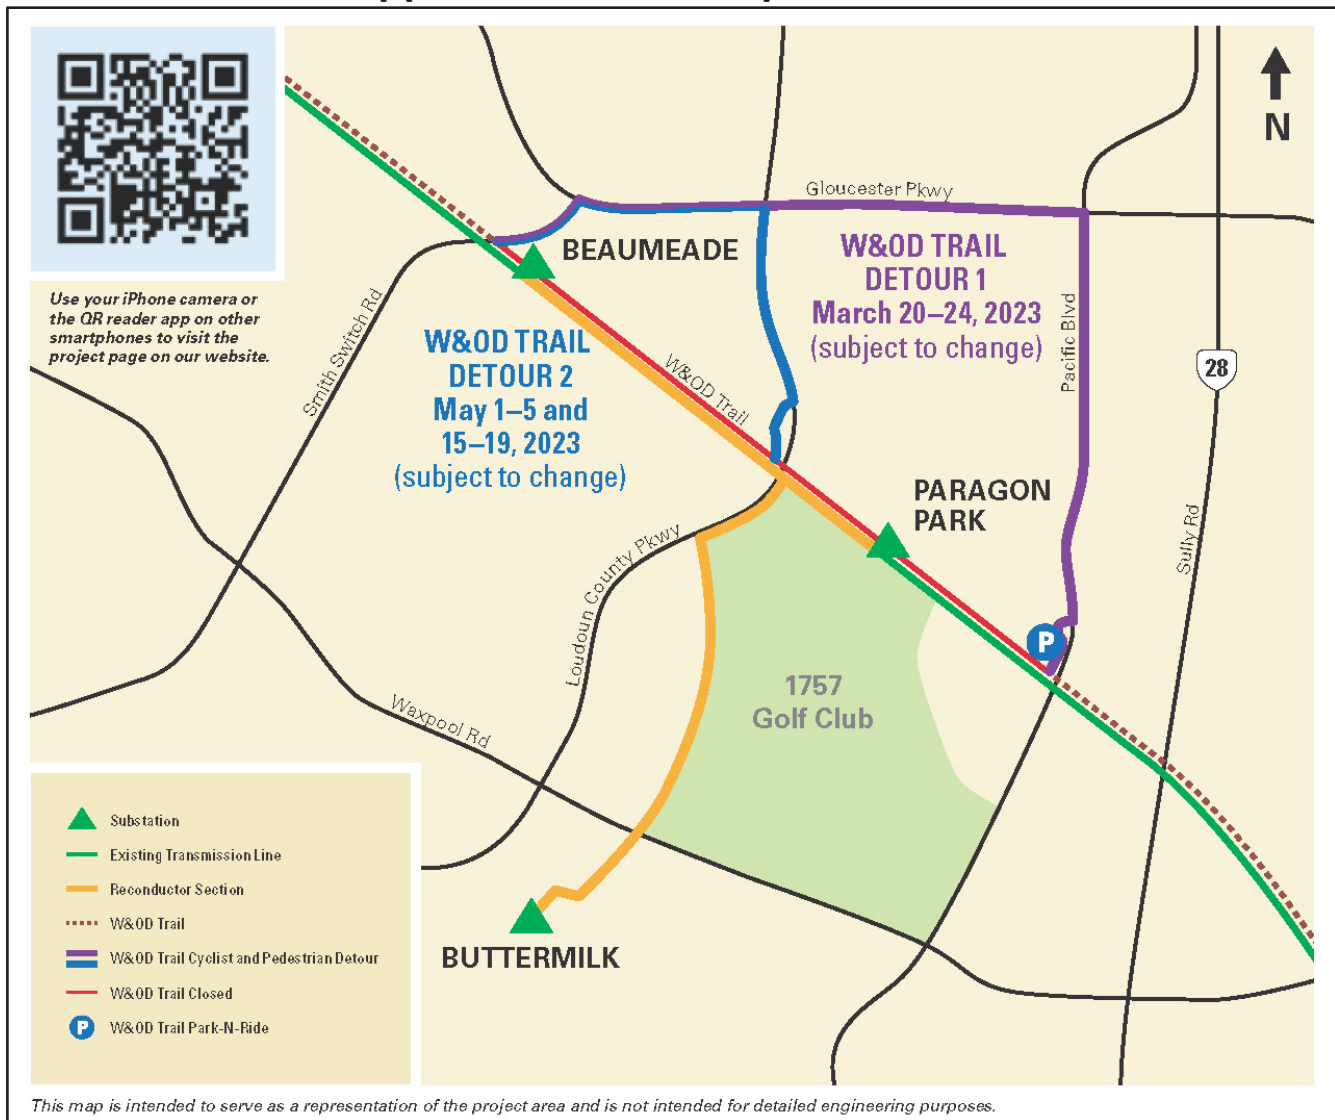

At Dominion Energy, we are replacing wires, a process known as reconductoring, on two existing 230 kilovolt (kV) electric transmission lines between our Beaumeade Substation and our Buttermilk and Paragon Park substations in Loudoun County, Virginia. This project will maintain safe and reliable electric service for the community.

W&OD Trail Closure May 1 – 5 and 15 - 19, 2023

*Dates subject to change

WHERE: Between Loudoun County Parkway and Smith Switch Road
~ 1.1-mile VDOT-approved detour on paved sidewalks

This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.

You may contact us by sending an email to powerline@dominionenergy.com or calling 888-291-0190.

W&OD Trail Detour #2

Westbound toward Leesburg

- From W&OD Trail, cross over Loudoun County Parkway
- Turn right off trail and follow detour path toward Loudoun County Parkway sidewalk
- Turn left on Loudoun County Parkway sidewalk
- Stay on detour path parallel to Loudoun County Parkway, using marked crosswalks at intersections
- Turn left on Gloucester Parkway detour path
- Stay on detour path parallel to Gloucester Parkway, using marked crosswalks at intersections
- Cross over Smith Switch Road and turn left to follow detour path parallel to Smith Switch Road
- Turn right onto the W&OD Trail and continue west on the W&OD Trail

Eastbound toward Herndon

- From W&OD Trail, turn left to follow detour path parallel to Smith Switch Road
- Turn right on Gloucester Parkway sidewalk
- Stay on detour path parallel to Gloucester Parkway, using marked crosswalks at intersections
- Turn right on Loudoun County Parkway sidewalk
- Stay on detour path parallel to Loudoun County Parkway, using marked crosswalks at intersections
- Turn right onto detour path away from Loudoun County Parkway sidewalk
- Follow detour path onto the W&OD Trail
- Turn left on the W&OD Trail and continue east

Both paved and gravel paths will be closed and patrolled by law enforcement.
