Centreport 230 kV Electric Transmission Project

At Dominion Energy, we are committed to keeping the communities we serve informed of projects in their area. We recently announced the need for a new substation and electric transmission line in Stafford County, Virginia. We invite you to learn more about the project at an upcoming community meeting.

MORE

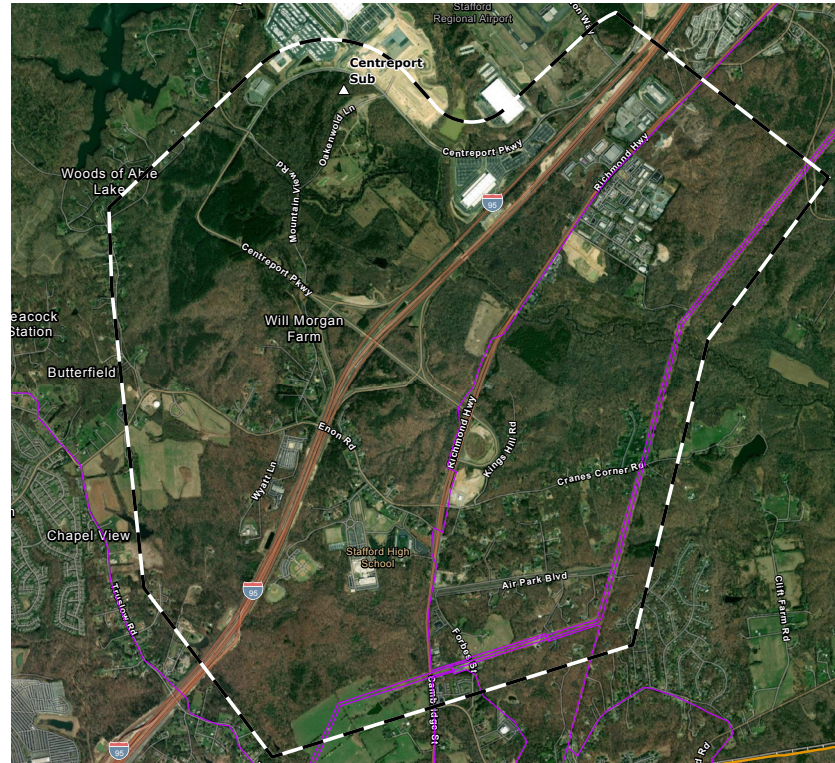

Our subject matter experts will be available to answer your questions. Feel free to drop by anytime between the hours of 5:30 and 7:30 p.m. There will be no formal presentation.

We look forward to sharing more about the project and listening to your feedback as we move forward with project planning.

UNABLE TO ATTEND? NO PROBLEM.

Here are other ways to engage with our team:

- Meeting content will be available to view at your convenience on our project website
- Contact us by email or phone to discuss the project
- Contact us and request a meeting with a smaller group in your community

This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.
