## Idylwood Substation Pre-Construction Activities

## Idylwood Substation Pre-Construction Activities

Beginning Nov. 6, 2017, you will see our employees and contractors working in and around the Idylwood Substation to begin delivering equipment, and preparing for fence maintenance and sound panels. Additional information will be provided before construction begins on this project.

We are committed to working safely and courteously in your neighborhood. Your electric service will not be interrupted as a result of this project.
