

Belmont – Beaumeade 230 kV Electric Transmission Reconductor Project

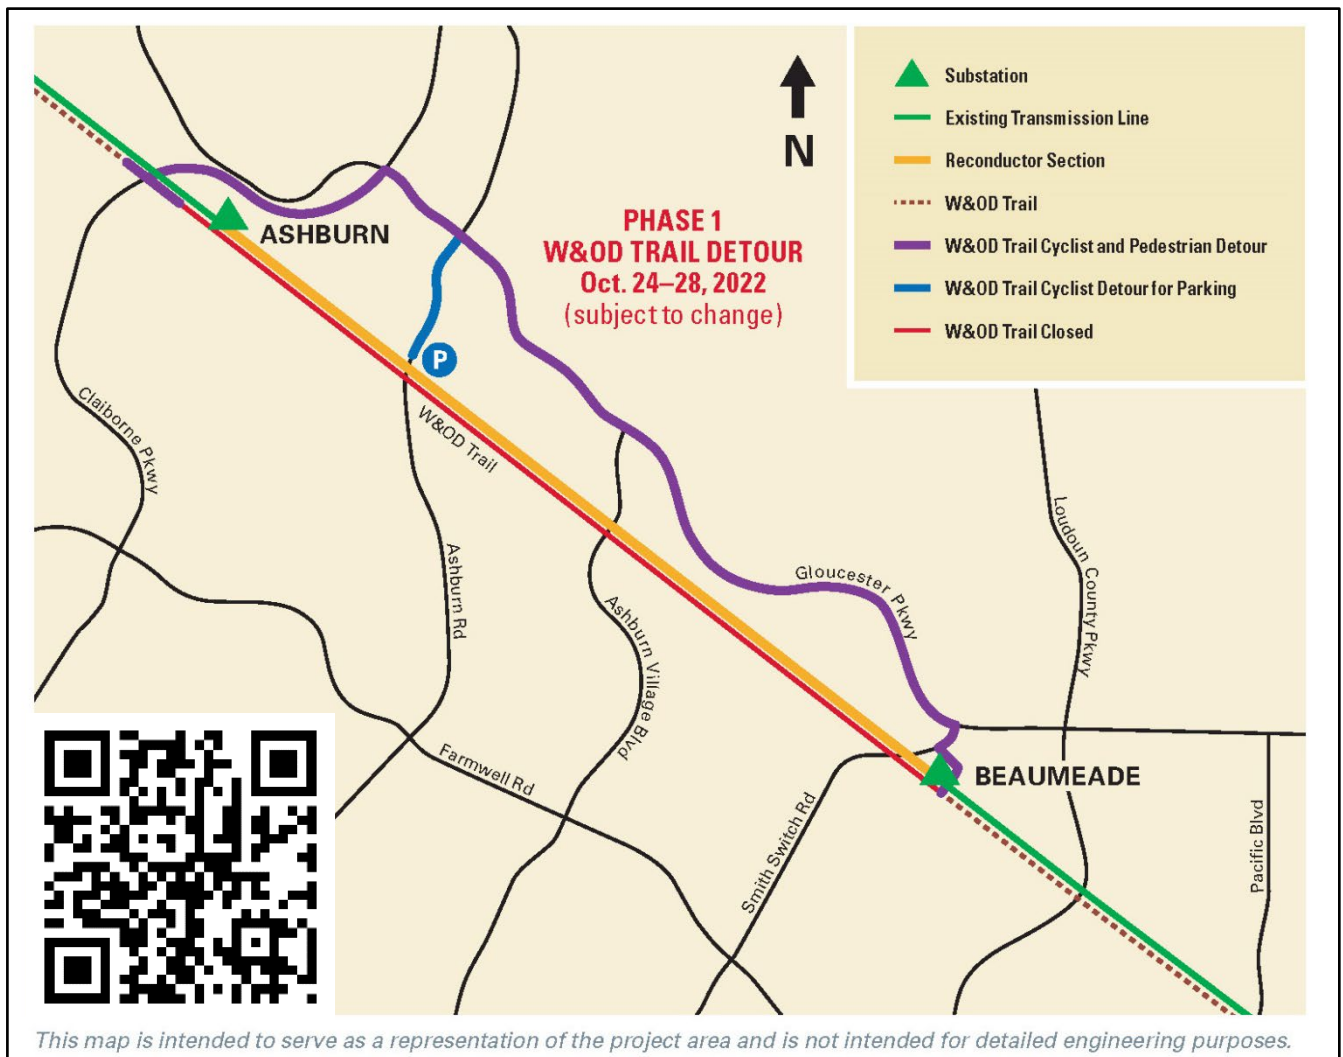

At Dominion Energy, we plan to replace wires, a process known as reconductoring, on an existing 230 kilovolt (kV) electric transmission line between our Belmont and Beaumeade substations in Loudoun County, Virginia to maintain safe and reliable electric service for the community.

W&OD Trail Closure Oct. 24-28, 2022

WHERE: From east of Smith Switch Road to Claiborne Parkway
~ 4-mile VDOT-approved detour (primarily paved sidewalk)

*Dates subject to change
