

Clubhouse – Lakeview 230 kV Electric Transmission Line Rebuild Project

At Dominion Energy, we are rebuilding a 230 kilovolt (kV) electric transmission line between our Clubhouse Substation in Greensville County, Virginia and our Lakeview Substation in Halifax County, North Carolina. This project will help maintain reliable electric service for the communities we serve in Virginia and North Carolina.

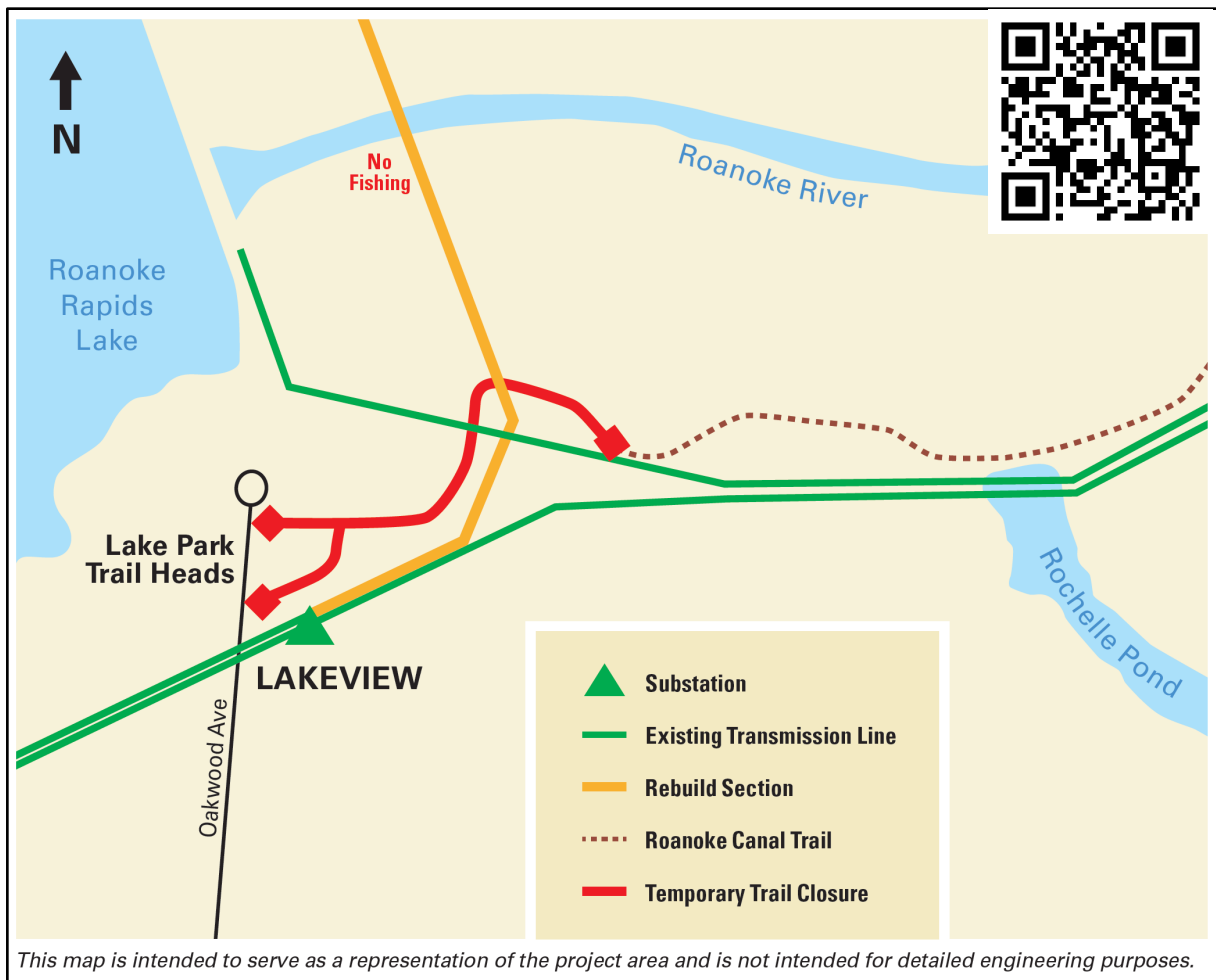

Roanoke Canal Trail Alert

WHAT: Transmission wires over Roanoke Canal Trail near Roanoke Rapids Lake need to be replaced.

WHEN: August 17 – August 21 and September 4 – 15, 2023:

- **No Fishing** at the Roanoke River (near the Roanoke Canal Bridge)
- Roanoke Canal Trail **CLOSED** (between the Trail Head and west of Rochelle Pond).

These dates are subject to change, pending progress and weather impacts.
