Join us at our Community Meeting

South Hill 230 kV Electric Transmission Line

At Dominion Energy, we are committed to keeping you informed of upcoming construction work in your area.

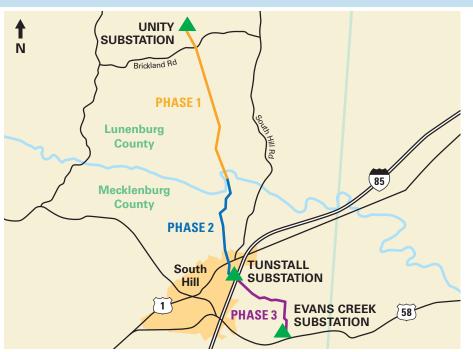

In summer 2024, we will start construction on Phase 2 of the South Hill 230 kV Electric Transmission Line Project, which runs from south of the Meherrin River in

SCAN HERE TO LEARN MORE Mecklenburg County to the new Tunstall Substation. In fall 2024, we will start construction on Phase 3, which runs from the new Tunstall Substation to the new Evans Creek Substation.

We would like to invite you to an informational community meeting to learn more about project construction.

Our construction team and other subject matter experts will be in attendance to answer your questions and share our work plans. We will also have informational display boards and maps available for your reference. There will be no formal presentation, so feel free to drop by The Dogwood Event Venue any time between 5:30 p.m. and 7:30 p.m.

If you are unable to attend this meeting, please contact us and we will be happy to answer any questions you have about the project. Thank you for your patience and understanding as we work to improve reliability in your community.

This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.

Protecting the grid against natural and man-made acts is a top priority. You can learn more about our commitment to safety at powerlines101.dominionenergy.com.

PRE-CONSTRUCTION INFORMATIONAL MEETING

Thursday, May 16, 2024 5:30 – 7:30 p.m.

The Dogwood Event Venue 313 Franklin Street South Hill, VA 23970
