Join us at our Community Meeting

Western Chesterfield 230 kV Electric Transmission Improvement Project

At Dominion Energy, we are committed to keeping the communities we serve informed of projects in their area. On Oct. 24, 2024, we held our first community meeting for the Western Chesterfield 230 kV Electric Transmission Improvement Project. At the meeting, we shared project details, listened to feedback from neighbors and answered questions.

We would like to hear from you again before we file our application with the Virginia State Corporation Commission (SCC). We invite you to attend a second community meeting at Woolridge Elementary on Thursday, Jan. 9, 2025.

A presentation will begin at 6:15 p.m. to provide an update on the project, route adjustments made based on feedback from community members, and project next steps. Following the presentation, our project team will be available to answer your questions in an open house style event for the remainder of the meeting.

UNABLE TO ATTEND? NO PROBLEM.

Here are other ways to engage with our team:

- Meeting content will be available to view at your convenience on our project website
- Contact us by email or phone to discuss the project
- Contact us and request a meeting with a smaller group in your community

Review the project and leave comments in GeoVoice, which is now live on the project website.

Unable to attend the first community meeting? Meeting materials are available on our project website.
