

# TRAFFIC NOTICE

We will be removing wire from the structures in your neighborhood beginning September 22 through September 30, 2017. Neighbors on Dalmation Drive may notice periods of increased activity in the right of way.

Flag crews will be directing traffic while wire is pulled across Dalmation Drive as needed.

These periods will be brief in nature and will not restrict traffic for long periods of time.

**We ask that you remain clear of the construction area, so our team may work safely and efficiently.**

The schedule is subject to change based on weather.
