

Join Us for an Open House

Moriah Energy Center

Construction activities have begun for **Moriah Energy Center**, a liquified natural gas (LNG) storage facility, located on Helena Moriah Road. To enhance service reliability, natural gas from Dominion Energy's system will be liquefied on site, stored in the facility and converted back into natural gas during periods of high demand.

Safety is our top priority. Work will be conducted in accordance with industry best practices to ensure the protection of the community, our workers and the environment. Subject-matter experts will be available to share information about the project and answer questions. Please join us between 5 – 7 p.m.

Date: Thursday, May 23, 2024

Time: 5-7 p.m.

**Place: County Auditorium
304 South Morgan Street
Roxboro, NC 27573**
