

## **DSM :30 Summer Surge Video Script**

Summer's almost here. You've got backyard barbeques to host and vacations to get to. But if you're also noticing a spike in your energy use, don't sweat it. Dominion Energy offers a wide range of energy efficiency programs to help you save during those hot summer months and all year round. Getting started is easy and small changes really can make a difference. Go to [DominionEnergy.com/findyoursavings](http://DominionEnergy.com/findyoursavings) to learn more. Then get back to focusing your energy...elsewhere.
