

KANNAPOLIS TO CONCORD

SYSTEM EXPANSION PROJECT

PROJECT DESCRIPTION

As a result of increasing demand for natural gas in the area, Dominion Energy will expand its system by installing a natural gas pipeline from Enochville to Concord beginning in the summer of 2024. Once in-service, the pipeline will provide the additional natural gas supply and system flexibility needed to deliver safe and reliable service to homes and businesses as this area continues to grow. To minimize impacts to the community and environment, the pipeline will be built along predominantly existing rights-of-way.

FAQS

Q: Will work impact traffic?

A: As construction will occur mainly on road shoulders, there will be some traffic disruptions on several sections along the route. Traffic control specialists and devices will be present to help motorists travel safely in the areas impacted.

Q: What are the environmental impacts?

A: Dominion Energy is committed to being a good steward of the environment and following all permit specifications. Building the pipeline along existing rights-of-way helps reduce environmental impacts.

Q: Will natural gas be available after the completion of the project?

A: Those interested in natural gas service for their home or business can contact Jeff Sellers at 704-574-3120.
