

# Ohio IN OUR COMMUNITIES

Dominion Energy delivers natural gas to more than 1.2 million customers across Ohio. We're a leader in the clean energy transition, with a clear strategy to achieve net-zero carbon and methane emissions by 2050. We invest in communities where we live and work, and protect our natural resources. Visit [DominionEnergy.com](https://www.dominionenergy.com) to learn more.

## PROMOTING SUSTAINABILITY

Dominion Energy partners with the Four Cities Educational Compact to underwrite an energy efficient home built by high school students in the carpentry program.

Dominion Energy passes on the importance of sustainability for future generations through its partnership with the Ohio Energy Project (OEP). The half-day *e<sup>3</sup> Smart Program* provides teachers in Ohio with the curriculum to fundamentals of energy, why it's important to conserve it and how to become more energy efficient.

## HELPING CUSTOMERS

EnergyShare is a heating bill assistance program implemented across the Dominion Energy footprint. In Ohio, EnergyShare is administered in collaboration with The Salvation Army providing support for individuals and families facing financial hardship.

## SUPPORTING HISTORICALLY UNDER RESOURCED STUDENTS

### HBCU Promise

Dominion Energy committed \$25 million to 11 historically black colleges and universities. Ohio's Central State University and Wilberforce University both received **\$500,000 to support endowments, scholarships, and educational programs.**

### Educational Equity Scholarship Program

**Dominion Energy committed \$10 million to the Educational Equity Scholarship program** to assist historically under resourced students residing in its service territory. The scholarship program assists students who plan to continue their education in college or vocational school programs.

### Say Yes Cleveland!

**\$500,000 to Say Yes Cleveland** which provides tuition assistance for eligible students graduating from the Cleveland Municipal School District. These scholarships will provide full, four-year scholarships to degree and certificate programs at public institutions as well as vocational trade opportunities.

### Building Hispanic Talent Initiative

In partnership with the Hispanic Association of Colleges and Universities (HACU), Dominion Energy launched the Building Hispanic Talent Initiative, a **\$2 million-dollar program to develop Hispanic leaders in energy.**

## FUNDING THE FUTURE WITH SOCIAL, EDUCATIONAL, AND ENVIRONMENTAL GRANTS
