

October 2019

Energy Wise[®]

October Is Energy Action Month

Join thousands of customers who've taken action

October is recognized annually as **National Energy Action Month** to increase awareness on how consumers can save energy and money, and at the same time, help protect the environment.

Since 2009, thousands of Dominion Energy South Carolina customers have improved the energy efficiency of their homes and businesses through our EnergyWise programs. Customers have also benefited from programs to manage their monthly energy bill with equal payments via budget billing, gone green with paperless billing, and made outage reporting easy via texting on a mobile device. **Your actions speak louder!**

Customers who are signed up for Paperless Billing	251,200
Mobile outage text reporting	61,000

Gas Leak?

Use your senses to help take action. If a leak occurs, leave the area immediately, warn others to stay away, and from a safe place call **911** and Dominion Energy South Carolina at **1-800-815-0083**.

 **Smell.** We add a distinctive, sulfur-like, rotten egg odor so you can detect even small amounts of natural gas. However, DO NOT rely only on your sense of smell to detect the presence of natural gas.

 **Sound.** Pay attention to hissing, whistling or roaring sounds coming from underground or from a gas appliance.

 **Sight.** Be aware of dirt spraying into the air, continual bubbling in a pond or creek or dead or dying vegetation in an otherwise moist area.

Get in on the action...

EnergyWise Online Savings Store – FREE ENERGY STAR® certified LED bulbs. It's our biggest promo ever! Between 10/01/19 and 11/30/19, we're giving away up to 20,000 LED 5-packs (60-watt equivalent) to eligible customers while supplies last. Hurry before we run out! FREE shipping on 15-bulb orders.
