

Dominion Energy is partnering with the United Way Association of South Carolina to temporarily expand its EnergyShare project to provide relief for qualifying small general service customers with electric service. Through the EnergyShare for Small Business Program, the company has pledged \$1 million to assist eligible small businesses, nonprofits, and houses of worship in its South Carolina service territory. The program funding will be covered by shareholders and will not impact customer rates. **Qualifying businesses may be eligible for assistance with their Dominion Energy electric bill totaling \$2500 and can apply twice within the program year, or until funds are exhausted.**

ELIGIBILITY CRITERIA

- Must be a for-profit business owned and independently operated, nonprofit with 501(c)(3) status, or house of worship
- Must be licensed to do business in Dominion Energy's service territory with an active, business account separate from personal account(s)
- Must have a past due balance equal to or more than \$300, not including current charges
- Must have electric service with Dominion Energy South Carolina
- Must employ 50 or fewer people as of January 1, 2025
- Must be considered a small general service customer as determined by DESC on a qualifying rate*

**Qualifying rate schedules include rates 9, 11, 12, 14, 16, or 28. Industrial accounts are excluded from this subject group.*

EXCLUSIONS

- Franchises or other business arrangements in which utility accounts are maintained by a parent company
- Government-owned businesses entities (except for businesses owned or controlled by a Native American Tribe)
- A business principally engaged in rental property by residential, commercial or industrial tenants

HOW TO APPLY

- Applications are available on the Dominion Energy website: **DominionEnergy.com/UnitedWaySC**
- Applicants must submit their completed and e-signed application via the webform
- Applications will be reviewed on a first-come, first-served basis

The application period will remain open until the funds allocated to the program are exhausted.
