Residential Natural Gas Water Heater Rebate Application

Terms and Conditions

Applicant Eligibility

1. Applicants must be the customer of record OR own the facility where the installation occurred for an active Dominion Energy South Carolina residential gas account. Applicants who are not the account holder but do own the property where the service was performed, may apply by including an IRS Form W9, which can be found at www.irs.gov/pub/irs-pdf/fw9.pdf.
2. Rebates are valid for purchased or leased equipment.
3. All equipment must be new and must be installed prior to the submission of the rebate application. Only ENERGY STAR® certified natural gas water heaters will qualify. Go to: <https://www.energystar.gov/productfinder/product/certified-water-heaters/> to see if your unit is ENERGY STAR® certified. Multiple rebates for the same piece of equipment are not permitted.
4. Applicants are responsible for ensuring that equipment installed for this program meets all applicable codes, standards and requirements. Equipment must be installed by a licensed contractor.
5. To be eligible for a rebate, installed equipment must be of the same equipment type as removed equipment. (Ex. gas water heaters must be replaced by gas water heaters). This program does not allow fuel switching or provide rebates for new equipment that does not replace old equipment of the same type.
6. Removed equipment must be legally disposed of and must not be reinstalled in our service territory or transferred to any other party for installation in our service territory.
7. Applicants must submit a completed Residential Natural Gas New Equipment Rebate Application along with a copy of proof of purchase or lease (detailed installation invoice) within 90 days of installation.

Other Conditions

1. Dominion Energy South Carolina's Residential Natural Gas Water Heater Rebate Program has been approved by the Public Service Commission of South Carolina and may be subject to change or modification, without prior notice, at any time.
2. Rebate payments will be in the form of checks and made out to the account holder (customer), unless an IRS Form W9 is submitted, as stated in #1 under Applicant Eligibility.
3. Should equipment for which a rebate was paid be removed after the rebate is paid, the applicant will reimburse Dominion Energy South Carolina for the rebate paid plus associated legal and/or collection related costs and expenses.
4. Dominion Energy South Carolina reserves and the Applicant grants Dominion Energy South Carolina the right to inspect the installation. Should the facility not have the qualifying equipment installed, contrary to the information contained in the Application, the rebate must be repaid to Dominion Energy South Carolina.
5. Dominion Energy South Carolina reserves the right to amend or discontinue this program without notice.
6. Rebates will be processed approximately four to six weeks after receipt of a completed Rebate Application and proof of purchase or lease (detailed installation invoice). Incomplete applications are subject to delay or denial.
7. Dominion Energy South Carolina does not warrant the performance of the equipment or that the equipment will result in reduced usage or demand or lower energy costs.
