

EnergyWise for Your Business

Solutions and Incentives
for Hotels

Hotels spend a considerable amount of money on energy each year. Energy efficiency helps lower operating costs, improves the service of capital equipment, enhances guest comfort and helps reduce greenhouse gas emissions.

We offer a wide range of solutions and incentives to help you increase energy efficiency at your hotels. Whether you're building a new hotel, conducting major renovations, retrofitting inefficient equipment or purchasing new equipment, EnergyWise for Your Business can help.

Eligible equipment may include:

- Heating and Cooling Systems
- Personal Receptacle Occupancy Sensors
- LED Lighting
- Refrigerators and Freezers
- High-Efficiency Refrigerator Components

Contact us today to get started.

Some Facts about Energy Use in Hotels

- On average, hotels in the United States spend almost \$2,200 per available room each year on energy, representing about 6% of all operating costs.*
- About 70% of electric usage in hotels goes toward heating, cooling, ventilation, office equipment, lighting and refrigeration.**
- For hotels, improving energy efficiency can help lower day-to-day operational costs, improve ambiance with update lighting and HVAC equipment, increase comfort for guests and staff, and leave a smaller carbon footprint, demonstrating environmental responsibility.

Typical Electric Usage in Hotels

- HVAC
- Water Heating
- Lighting
- Cooking
- Refrigeration
- Office Equipment
- Other
 - Miscellaneous
 - Process Equipment
 - Motors
 - Air Compressors

EnergyWise for Your Business incentives are limited, offered on a first-come, first-served basis and are subject to project and customer eligibility and funds availability. For each program year (Dec. 1 – Nov. 30), EnergyWise for Your Business incentive payments are capped per customer federal tax ID number at \$100,000 per project type. Project types include lighting, HVAC, food service and custom.

Most projects require pre-approval prior to purchasing and installation of equipment. Please check program requirements with the EnergyWise for Your Business team.

Available exclusively to eligible Dominion Energy South Carolina non-residential electric customers.
