EnergyWise for Your Business

GET A POWER BOOST!

Earn up to 15% more on Lighting Controls: Dominion Energy South Carolina's Power Boost is available to eligible non-residential electric customers and is applicable to EnergyWise for Your Business programs, excluding Small Business Energy Solutions.

Customers who submit an application between December 1, 2024 and February 28, 2025 at 11:59 P.M. may be eligible for an additional incentive (15% more on Lighting Controls). To qualify, the project must be completed by the Pre-Approval Expiration Date. Applications submitted prior to December 1, 2024 do not qualify for the additional incentive.

The Power Boost can be stacked with the existing Power Up Your Savings incentive bonus, for eligible Lighting Controls (Retrofit and/or New Construction Lighting), when applicable.

RULES AND GUIDELINES

- The Power Boost for Lighting Controls only is available to eligible non-residential electric customers and is applicable to EnergyWise for Your Business programs, excluding Small Business Energy Solutions.
- Completed applications must be submitted by February 28, 2025 at 11:59 P.M.*
- A complete application includes all required documentation as noted within the program application.
- The Power Boost can be stacked with the existing Power Up Your Savings incentive bonus, for eligible Lighting Controls Only (Retrofit and/or New Construction Lighting), when applicable.
- The Power Boost incentive will not count towards the \$100,000 annual cap per project type.
- If a project application is submitted by February 28, 2025 at 11:59 P.M., that project will be eligible for an additional incentive, subject to funds availability.
- Applicants will be notified by email with an update on their project's Power Boost eligibility/status and required completion dates to receive the promotional incentive. Projects must be completed by the Pre-Approval Expiration Date to be eligible for the bonus. Projects extended past the original pre-approval date will not be eligible for the Power Boost incentive.
- The Power Boost incentive is available on a first-come, first-served basis.
- The Power Boost may be discontinued once all available funds are fully reserved.
