Limited Time Offer **Extended:**
May 1, 2023 – **May 31, 2024***

HERE'S THE SCOOP!

Through May 31, 2024, customers who have completed an energy analysis (energy audit) for the Small Business Energy Solutions Program may qualify for a Double Your Incentive payout for installing new, qualified Unitary HVAC and/or Food Service equipment through our EnergyWise for Your Business Program.

Don't miss this great opportunity to double your incentive while reducing the upfront cost for implementing qualified energy efficient technologies at your business.

Rules and Guidelines

Between 5/1/23 and 5/31/24, **Dominion Energy South Carolina** is offering eligible Small Business Energy Solutions (SBES) customers the opportunity to **double their incentive payout** for installing a new Unitary HVAC and/or Food Service Equipment through the EnergyWise for Your Business (EWfYB) Program.

Eligibility Requirements

- ✓ Customers must complete at least one SBES analysis within the last 18 months, from the date the EWfYB Unitary HVAC and/or Food Service Equipment application(s) is submitted, and have an SBES proposal number as reference. The proposal number is located in the "Project Summary" section of your proposal.
- ✓ Customers must meet all eligibility requirements to participate in the EWfYB Program at the time they submit their EWfYB Unitary HVAC and/or Food Service application(s).
- ✓ All replacement equipment must meet the EWfYB Program's energy efficiency requirements.
 - HVAC equipment must meet the EWfYB Program EER/SEER efficiency minimum requirements.
 - Food service equipment must be ENERGY STAR® qualified.
