

	SOLAR CHOICE	BUY ALL/SELL ALL (PR-1)	OFFSET ONLY	NET ENERGY METERING (2.0 & 3.0)	COMMUNITY SOLAR SUBSCRIPTION	COMMUNITY SOLAR PURCHASE
AVAILABILITY	Currently available			Not available to new participants	Waitlist only	
MAXIMUM PRODUCTION	Offset up to 100% of annual usage (20 kW Max)	100 kW	None	Offset up to 100% of annual usage (20 kW Max)	Offset up to 100% of annual usage (20 kW Max)	
ELIGIBILITY	Residential electric customers (homeowners only). <i>Not eligible for this program if renting or enrolled in community solar.</i>				Residential electric customers (homeowners and renters). <i>Not eligible for this program if enrolled in another rooftop renewable energy program.</i>	
PROGRAM DESCRIPTION	You will move to the Residential Rate 5 – Time of Use Rate. You will consume self-generated power and be credited for excess energy delivered to DESC based upon the on-peak and off-peak periods defined by the Time of Use Rate.	Buy under your current rate for electric service. Sell all renewable energy to DESC at PR-1 Rate.	For every kWh generated, you offset your own energy usage. No credit for excess generation.	Customer receives energy credit on electric bill for excess energy sent back to DESC.	Solar array connected to DESC's grid. Nothing on your roof or property. Customer is credited monthly on their electric bill for the power produced by their proportional share of the array.	
METERS	Two meters. Second meter required to measure 100% of solar generation.		One meter	Two meters. Second meter required to measure 100% of solar generation.	No additional meters required.	
COSTS	Customers purchase or lease the system.	Customers purchase or lease the system. Monthly seller charge of \$4.50.	Customers purchase or lease the system. No monthly seller charge.		No upfront costs; \$0.20/per kW for monthly subscription fee.	Customers purchase upfront their share of solar array at \$2.25 per watt.
APPLICATION FEES	Yes. Interconnection application fee: \$100				No application fee	
MONTHLY CREDITS	Excess energy delivered to DESC during the defined on-peak period is credited to you at the same rate during the on-peak period. Excess energy delivered to DESC during the defined off-peak period is credited to you at the same rate during the off-peak period.	Sell all energy generated to DESC at the PR-1 rate per kWh generated.	No credit for excess energy.	You receive an energy credit for any excess energy at the same energy rate as your current electric service.	\$0.01 per kWh bill credit based on generation from subscribed panels.	\$0.10 per kWh bill credit based on generation from purchased panels.
TERM	10 years from the date of interconnection	Annual		(2.0): Available through 12/31/2005 for customers participating by 12/31/2020 (3.0): Available through 5/31/2029 for customers participating by 5/31/2021	20-year term with potential 15-year extension. Contract with DESC's community solar provider.	
*BILLING	If you generate more energy than you use, you receive an energy credit on your monthly bill. If you use more energy than you generate, you owe the net amount.	You receive your regular DESC monthly bill for energy used and a bill credit for energy sold.	You receive your regular DESC monthly bill for energy used.	If you generate more energy than you use, you receive an energy credit on your monthly bill. If you use more energy than you generate, you owe the net amount.	A bill credit appears on your monthly bill based on the total output from your portion of the solar farm.	
ANNUAL TRUE-UP	Annual bill credit at avoided cost for any excess energy remaining in the November billing cycle.	None		Annual bill credit at avoided cost for any excess energy remaining in the November billing cycle.	Bill credits rollover to next month. If bill credit exceeds \$300, the DESC community solar provider may choose to withhold until the customer's account balance reaches zero.	
MAINTENANCE	The customer is responsible for maintenance of the system and associated equipment.				Maintenance is the responsibility of DESC community solar provider.	
SELLING YOUR HOME	If owned, solar system may be included as part of the house with sale of property. If leased, refer to your lease contract.				Bill credits are both transferable and portable to qualified accounts within the DESC service area. Moving outside of the service area may require an early termination fee.	Bill credits are both transferable and portable to qualified accounts within the DESC service area.
