BILL MATRIX: Available Tuesday, July 10, 2018

In order to better assist our customers, ≤20 KW solar application processing fees can now be paid online by using our Third Party Vendor, Bill Matrix. Payments can be made using a Visa, MasterCard, checking, or savings account. Bill Matrix does charge a \$3.50 fee for each transaction. Processed payments may take 1-2 business days to post to the customer’s account. We will still accept check payments via regular mail.

You can access the link to **Bill Matrix** in 3 different locations:

SCEG.com at “Apply for Rooftop Solar”

Interconnection Process

To ensure a timely interconnection, complete and submit all required information before you move forward with your solar installation. If you decide to provide your installer access to PowerClerk, be aware that agreements are between you and SCE&G, and all documents will require your signature.

- 1 Gather required information:**
 - SCE&G electric account number
 - Installer's name and contact information
 - Proof of property (liability) insurance (\$100,000 or more per occurrence)
 - Download the **Single-Line Diagram** (PDF, 164KB) to document PV System information, including inverter and array brands, models, and installation details. This PDF is also located in PowerClerk.
 - Access to additional **technical resource documents**
 - **W-9 Form** (PDF)
- 2 Submit application via PowerClerk**
POWERCLERK
- 3 Pay your \$100 Processing Fee:**

Pay Online (\$3.50 Convenience Charge per transaction)
